The kennel club's breed standards form the basis for judging dogs at all licensed breed shows. This fully revised edition of the authoritative guide outlines the descriptive standards for each of the 201 pure breeds of dog now recognised by the kennel club. The book has been completely updated by a panel of experts to incorporate the latest standards for all breeds in each of the principal categories: hound, gundog, terrier, utility, working, pastoral and toy, as well as providing a beautiful colour photograph of each dog. Each entry contains a history of the breed, including its origins and function, as well as a full description outlining its essential features. There is also useful advice on the nature of each breed and practical information to help guide anyone who is buying a dog, as well as a glossary of canine terms. This book is essential reading for anyone who owns or hopes to own a pedigree dog and is indispensable for breeders, judges and those professionally involved with dogs. Dog grooming for beginners teaches you everything you need to know to groom your dog safely and correctly. No experience required. Doggie makeovers that will make you smile. Japanese dog grooming does not follow the rules of traditional breed standard grooming. In fact, it only has one mission: to make dogs look as adorable as possible with extreme attention to detail and careful consideration of a pup's best attributes. Japanese dog groomers and salons achieve the perfect transformation by forgetting uniform looks and getting creative. From internationally acclaimed pet photographer and author of *Waggish Dogs Smiling for Dog Reasons* comes this adorable book which showcases the transformation of dogs going from cute to cutest. Originally a viral photo series called *Hairy Grace*, Chon's work perfectly captures the whimsy and glamour of freshly groomed furry friends. With nearly 50 before and afters, Chon proves that Japanese dog grooming is not just a haircut but a work of art. The *Doberman Pinscher: Brains and Beauty* gives potential owners, new converts and veteran Doberman lovers all they need to know about this strong but sensitive companion. There are chapters on the Doberman's history, buying a dog, grooming, temperament, understanding the breed standard, breeding, health concerns and more. Dog shows, obedience competitions and all the activities Dobermans can participate in are discussed. Five appendices include useful resources and top dogs in the breed. *Howell's Best of Breed Library*: This special rare breed edition, written by British Japanese Spitz breeder Michael P. Rule, proves a vital resource for dog lovers interested in this spectacular Nordic breed. Colorful and comprehensive in its scope, this book discusses breed history accompanied by many important historical photographs, plus breed characteristics and standard, as well as health care, grooming
