from meeting charles lindbergh at pan am back in the 60s up till the megamerger of united airlines with continental airlines in the mid 2000s jim has seen the rapid growth of the airline industry firsthand from the jet era inception with the boeing 707 to the historic introduction of the 747 which he witnessed himself right up to the 787 introduced by united he has been on a wild roller coaster ride that took him from pan am to eastern airlines to american airlines to continental and finally to united its a ride he hopes will capture the readers interest and take them to exciting places never witnessed before

Up, Up, and Gone! 2016-11-30

offering the widest scope of any study of one of popular music s most important eras songs of the vietnam conflict treats both anti war and pro government songs of the 1960s and early 1970s from widely known selections such as give peace a chance and blowin in the wind to a variety of more obscure works these are songs that permeated the culture through both recordings and performances at political gatherings and concerts alike and james perone explores the complex relationship between music and the society in which it is written this music is not merely an indicator of the development of the american popular song it both reflected and shaped the attitudes of all who were exposed to it whereas in previous wars musicians rallied behind the government in the way of aaron copland and samuel barber the

vietnam conflict provoked anger frustration and rage all of which comes through in the songs of the time this reference work provides indispensable coverage of this phenomenon in chapters devoted to anti war songs pro government songs and what might be called plight of the soldier or veteran songs a selected discography guides the reader to the most notable recordings all of which together provide a unique and important perspective on perhaps the 20th century s most contentious time

Songs of the Vietnam Conflict 2001-08-30

Billboard 1971-07-17

since publication of the groundbreaking encyclopedia of housing in 1998 many issues have assumed special prominence within this field and indeed within the global economy for instance the global economic meltdown was spurred in large part by the worst subprime mortgage crisis we ve seen in our history on a more positive note the sustainability movement and green development has picked up considerable steam and given the priorities and initiatives of the current u s administration this will only grow in importance and increased attention has been given in recent years to the topic of indoor air quality within the past decade as well the baby boom generation began its march into retirement and senior citizenship which will have increasingly broad implications for retirement communities and housing assisted living facilities aging in place livable communities universal design and the like finally within the last twelve years an emerging generation of young scholars has been making significant contributions to the field for all these reasons and more we are pleased to present a significantly updated and expanded second edition of the encyclopedia of housing

***The Encyclopedia of Housing, Second Edition* 2012-05-31**

this is an examination of the crucial formative period of chinese attitudes toward nuclear weapons the immediate post hiroshima nagasaki period and the korean war it also provides an account of us actions and attitudes during this period and china s response
