Pride Parades

2001-12-10

on june 28 1970 two thousand gay and lesbian activists in new york los angeles and chicago paraded down the streets of their cities in a new kind of social protest one marked by celebration fun and unashamed declaration of a stigmatized identity forty five years later over six million people annually participate in 115 pride parades across the united states they march with church congregations and college gay straight alliance groups perform dance routines and marching band numbers and gather with friends to cheer from the sidelines with vivid imagery and showcasing the voices of these participants pride parades tells the story of pride from its beginning in 1970 to 2010 though often dismissed as frivolous spectacles the author builds a convincing case for the importance of pride parades as cultural protests at the heart of lesbian gay bisexual and transgender lgbt community weaving together interviews archival reports quantitative data and ethnographic observations at six diverse contemporary parades in new york city salt lake city san diego burlington fargo and atlanta bruce describes how pride parades are a venue for participants to challenge the everyday cultural stigma of being queer in america all with a flair and sense of fun absent from typical protests unlike these political protests that aim to change government laws and policies pride

parades are coordinated concerted attempts to improve the standing of lgbt people in american culture on june 28 1970 two thousand gay and lesbian activists in new york los angeles and chicago paraded down the streets of their cities in a new kind of social protest one marked by celebration fun and unashamed declaration of a stigmatized identity forty five years later over six million people annually participate in 115 pride parades across the united states they march with church congregations and college gay straight alliance groups perform dance routines and marching band numbers and gather with friends to cheer from the sidelines with vivid imagery and showcasing the voices of these participants pride parades tells the story of pride from its beginning in 1970 to 2010 though often dismissed as frivolous spectacles the author builds a convincing case for the importance of pride parades as cultural protests at the heart of lesbian gay bisexual and transgender lgbt community weaving together interviews archival reports quantitative data and ethnographic observations at six diverse contemporary parades in new york city salt lake city san diego burlington fargo and atlanta bruce describes how pride parades are a venue for participants to challenge the everyday cultural stigma of being queer in america all with a flair and sense of fun absent from typical protests unlike these political protests that aim to change government laws and policies pride parades are coordinated concerted attempts to improve the standing of lgbt people in american culture

Decision By Objectives: How To Convince Others That You Are Right

2013-12-05

decision making is a process of choosing from possible courses of action in order to attain goals and objectives nobel laureate herbert simon wrote that the whole process of managerial decision making is synonymous with the practice of management decision making is at the core of all managerial functions planning for example involves the following decisions what should be done when how where by whom other managerial functions such as organizing implementing and controlling rely heavily on decision making decision by objectives is an invaluable book about the art and science of decision making it presents a very practical approach to decision making that has a sound theoretical foundation known as the analytic hierarchy process intended for both the student and the professional the book includes approaches to prioritizing evaluating alternative courses of action forecasting and allocating resources by focusing on objectives rather than alternatives alone it shows the reader how to synthesize information from multiple sources analyses and perspectives the methods presented have been gaining popularity throughout the world

Power of Influence: How to Persuade Anyone to Do Anything for You Willingly and Happily

2020-04-07

no matter if you are wanting to be able to improve your influence over the people in your daily interactions or if you are needing to be more persuasive during your business pursuits learning how to covertly influence and persuade people will be a useful skill instead of argument get your opinion across without raising your voice by using a variety of skills designed to subtly influence and persuade the other person without them even realizing it we will teach you how to very subtly use a variety of ways to get people to respond to you

favorably and they will not even realize that they are responding to anything that you have done stop hearing the word no and use our techniques to start hearing the word yes

Persuading People To Have Safer Sex

2013-11-14

this volume explores the application of persuasion theory and research to hiv aids prevention focusing on changing attitudes and behaviors it is intended for students and scholars applying theory to health or aids prevention

Sovereignty and the Law

2015-02-18

the topic of sovereignty is contentious and one of enduring interest in a world of ever increasing economic globalisation the rise of supranational regulation and the interconnected age of information and communication technology among many other developments have challenged the once exclusively held westphalian model of sovereignty the distinction between the internal aspect of sovereignty as expressed in terms of ultimate authority in a constitution and the external aspect involving the relationship between sovereign states has been blurred this has given rise to contemporary debates that explore the theoretical and practical implications of current challenges to established doctrines evidently no book could encompass the entirety of the contemporary debates on sovereignty this is a book of essays focusing on sovereignty by a team of leading writers contributing domestic european and international perspectives the essays have been written at a time of very great testing of the institutional frameworks at every level domestic european international or global the book illuminates the enduring strength of sovereignty as a foundational concept and the continuing widespread appeal of sovereignty as an idea

Persuasion

2016

persuasion theory and research third edition is a comprehensive overview of social scientific theory and research on persuasion written in a clear and accessible style that assumes no special technical background in research methods the third edition has been thoroughly revised to reflect developments in persuasion studies new discussions of subjects such as reactance and the use of narratives as vehicles for persuasion revised treatments of the theories of reasoned action and planned behavior and two new chapters on social judgment theory and stage models provide your students with the most current work on persuasion in a clear straightforward manner in this edition author daniel j o keefe has given special attention to the importance of adapting tailoring messages to audiences to maximize persuasiveness each chapter has a set of review questions to guide students through the chapter s material and quickly master the concepts being introduced

Are You Persuaded?

2023-11-27

porter taylor never doubted god but doubted whether the church was the only vehicle for the holy growing up episcopalian he lived with an awareness of the tag frozen chosen for the church therefore he searched to find god elsewhere once he returned to the church he found himself ordained as a priest and then a bishop the higher up he went in the hierarchy the harder it was to represent the church yet stay centered in his faith because of his position he was part of the installment of the first gay person ordained an episcopal bishop and the first woman and african american ordained as the head of the episcopal church porter never lost his faith in jesus or his love for the church however he realized that he had done what he could as a bishop and his calling required more freedom than the office could provide he was then persuaded that the spirit was calling him to be faithful by stepping outside the episcopacy and returning to his first love of teaching

The CONVINCING YOURSELF Book

2010-05-26

do you know that you have the right to believe in yourself and the power around you you absolutely do there is a power that works within you just for you no matter what you want to do be or have in your life it is possible only you have the power to surround yourself with a positive atmosphere to convince yourself of this truth against all odds you can exercise your right to stay focused on things that will elevate you to achieve anything you desire there are many factors involved but you can tap into the space of the impossible miraculous the unexplainable and commonly thought as unachievable take advantage of every resource to raise your vibration to meet the power that can reach the unreachable and attain the unattainable nothing is impossible to the believer you only need to be convinced and you hold the keys

FIVE REASONS THAT WILL CONVINCING YOU TO CONVERT TO ISLAM

2010-08-06

presenting the advantages of the religion of islam to people supported by sensory and rational evidence and leaving the choice to them after that

Convince Them in 90 Seconds or Less

2023-10-17

now in paperback revised throughout with a timely new chapter and title the original how to connect in business in 90 seconds or less received praise such as nick boothman s brilliant stroke is to guarantee that within the first 90 seconds of meeting someone you ll be communicating like old trusted friends but he doesn t stop there this book shows how to turn those instant connections into long lasting productive business relationships marty edelston publisher bottomline personal and success in business depends on effectively communicating

ideas at least as much as thinking them up and boothman tells us how to do that matthew bishop the economist boothman s message is central and in this current business climate critical whether selling interviewing or motivating a team success depends on convincing the other person and the quickest and best way to do that is through what he calls rapport by design using the science of neuro linguistic programming built upon body language attitude voice and synchronizing behavior boothman shows how to create a winning first impression and within 90 seconds a lasting trust then when those 90 seconds are up he shows how to master the people to people skills that are essential to an ongoing business relationship a new chapter added just for the paperback serves as a communication primer drawing on his years in advertising boothman reveals how to make your message stand out and stick in a world that s already glutted with information

Be Digitally Visible & Convince your Audience

2009-05-11

what the 3rd edition brings you you support climate protection quickly receive compact information and checklists from experts overview and press reviews in the book preview as well as advice proven in practice which leads to success step by step also thanks to add on because digital visibility often decides your career unfortunately many good work performances remain hidden from colleagues bosses and superiors because the diligent worker bees do their brilliant day's work in the quiet closet silently and secretly dreaming of more recognition a problem that is likely to intensify in the home office the solution is to make yourself and your concerns more visible and heard digitally it helps to position oneself and one's issues accordingly and to communicate this to the outside world using modern means of communication such as videos social media blogs or podcasts in conjunction with brilliant rhetoric after all everyone has something to say and digital tools contribute to being heard with your own message this book will help you build your visibility we give you the best possible help on the topics of career finance management personnel work and life assistance for this purpose we gather in each book the best experts in their field as authors detailed biographies in the book who give a comprehensive overview of the topic and additionally offer you success planner workbooks in printed form our guidebooks are aimed primarily at beginners readers who are looking for more in depth information can get it for free as an add on with individual content in german and english as desired this concept is made possible by a particularly efficient innovative digital process and deep learning ai systems that use neural networks in translation moreover we give at least 5 percent of our proceeds from book sales to social and sustainable projects for example we endow scholarships or support innovative ideas as well as climate protection initiatives and in some cases also receive government funding for this with our translations from german into english we improve the quality of neural machine learning and thus contribute to international understanding you can find out more on the website of our berufebilder yourweb institute publisher simone janson is also a bestselling author as well as one of the 10 most important german bloggers according to the blogger relevance index furthermore she was a columnist and author of renowned media such as welt wirtschaftswoche or zeit more about her in wikipedia

Small Groups

2023-07-20

research on small groups is highly diverse because investigators who study such groups vary in their disciplinary identifications theoretical interests and methodological preferences the goal of this volume is to capture that diversity and thereby convey the breadth and excitement of small group research by acquainting students with work on five fundamental aspects of groups the volume also includes an introductory chapter by the editors which provides an overview of the history of and current state of the art in the field together with introductions to each section discussion questions and suggestions for further reading make the volume ideal reading for senior undergraduate and graduate students interested in group dynamics

Persuaded of Better Things

1857

persuaded of better things is a must read book in this inspirational writing dr pierson declares that god never created us to be mediocre he records with passion how to overcome the trap of mediocrity and move toward fulfillment dr pierson stresses the importance of the right connections he further records four things that everyone must have the courage to disconnect themselves from and five things they must seek to connect themselves to as they work toward maximizing their full potential

PERSUADED

2018-03-20

persuaded is a collection of autobiographic stories highlighting the life ministry and thoughts of a missionary interspersed throughout is a theme suggesting change from modern missional practices to post modern approaches

Children at home, by [the] author of 'Almost persuaded'.

2012-12-15

an eminent psychologist explains why dissent should be cherished not feared we've decided by consensus that consensus is good in in defense of troublemakers psychologist charlan nemeth argues that this principle is completely wrong left unchallenged the majority opinion is often biased unoriginal or false it leads planes and markets to crash causes juries to convict innocent people and can quite literally make people think blue is green in the name of comity we embrace stupidity we can make better decisions by embracing dissent dissent forces us

to question the status quo consider more information and engage in creative decision making from twelve angry men to edward snowden lone objectors who make people question their assumptions bring groups far closer to truth regardless of whether they are right or wrong essential reading for anyone who works in groups in defense of troublemakers will radically change the way you think listen and make decisions

In Defense of Troublemakers

life is full of challenges after enduring storms tests trials and tribulations we can easily feel broken dejected and yes even disconnected from god you are not alone in this season of your life this book is for those who have for whatever reason lost their ability to fight back against the enemy if you need to feel encouraged empowered uplifted and edified this is the key to unlock the door to your breakthrough if you need your faith lifted and your hope and trust in god stretched this is for you this book is for every person that has needed to feel renewed refreshed and restored by being fully persuaded that god can do anything but fail
