moving chronologically from the colonial period to the present this collection of seventeen biographical essays provides a window into the social cultural and geographic milieu of women s lives in the state within the context of the historical forces that have shaped louisiana the contributors look at ways in which the women they profile either abided by prevailing gender norms or negotiated new models of behavior for themselves and other women louisiana women concludes with an essay that examines

women's active responses to problems that emerged in New Orleans after Hurricane Katrina. The women whose absorbing life stories are collected here include Marie Therese Coincoin who was born a slave but later became a successful entrepreneur and Oretta Castle Haley, civil rights activist and leader of the New Orleans chapter of CORE. From such well-known figures as author Kate Chopin and voodoo priestess Marie Laveau to lesser-known women such as Cajun musician Cleoma Breaux Falcon, this volume reveals a compelling cross-section of historical figures. The women profiled vary by race, class, political affiliation, and religious persuasion, but they all share an unusual grit and determination that allowed them to turn trying circumstances into opportunity. Lively yet rigorous, these essays introduce readers to the courageous, dedicated, and inventive women who have been an essential part of Louisiana's history. Historical figures included: Marie Therese Coincoin, the Baroness Pontalba, Marie Laveau, Sarah Katherine, Kate Stone, Eliza Jane Nicholson, Kate Chopin, Grace King, Louisa Williams, Robinson, her daughters, and her granddaughters, Clementine Hunter, Dorothy Dix, True Methodist Women, Cleoma Breaux Falcon, Caroline Dormon, Mary Land, Rowena Spencer, Oretta Castle Haley, Louisiana Women and Hurricane Katrina.

Contemporary American Folk Artists

1975

The first comprehensive overview of an important genre of American art, *Souls Grown Deep* explores the visual arts genius of the Black South. This first work in a multivolume study introduces 40 African American self-taught artists who, without significant formal training, often employ the most unpretentious and unlikely materials. Like blues and jazz artists, they create powerful statements amplifying the call for freedom and vision.

Souls Grown Deep

Much has changed in the world of self-taught art since the millennium. Many of the recognized masters have died, and new artists have emerged. Many galleries have closed, but few new ones have opened. As artists and dealers increasingly sell through websites and social media, the growth and popularity of auction houses have altered the relationship between artists and collectors. In its third edition, this book provides updated information on artists, galleries, museums, auctions, organizations, and publications for both experienced and aspiring collectors. Of self-taught, outsider, and folk art, gallery and museum entries are organized
