The Legacy of Cornelius Cardew

2013-05-28

cornelius cardew is an enigma depending on which sources one consults he is either an influential and iconic figure of british musical culture or a marginal curiosity a footnote to a misguided musical phenomenon he is both praised for his uncompromising commitment to world changing politics and mocked for being blindly caught up in a maelstrom of naïve political folly his works are both widely lauded as landmark achievements of the british avant garde and ridiculed as an archaic and irrelevant footnote to the established musical culture even the events of his death are shrouded in mystery and lack a sense of closure as long ago as 1967 morton feldman cited cardew as an influential figure central to the future of modern music making the extent to which cardew has been a central figure and a force for new ideas in music forms the backbone to this book harris demonstrates that cardew was an original thinker a charismatic leader an able facilitator and a committed activist he argues that cardew exerted considerable influence on numerous individuals and groups but also demonstrates how the composer s significance has been variously underestimated undermined and misrepresented cardew s diverse body of work and activity is here given coherence by its sharing in the values and principles that underpinned the composer s world view the apparently disparate and contradictory episodes of cardew s career are shown to be fused by a cohesive cardew aesthetic that permeates the man his politics and his music

Take Control of Your Digital Legacy, 2nd Edition

2024-02-02

preserve your data for posterity version 2 0 1 updated february 2 2024 how do you want to be remembered a will takes care of your physical possessions but what about your digital life photos email files online accounts and so on if you want to pass your electronic ephemera on as part of your digital legacy turn to tech expert joe kissell for advice on dealing with large quantities of data file formats media types the need for a digital executor and more n we all have digital data that s important to us now but a

lot of it could also be important to our children friends and relatives long after we re gone but you have to take concrete steps now to make sure that data is preserved in the right way and handled according to your wishes it s not all about posterity either since following joe s advice will also help loved ones access your key accounts and important info if you re temporarily incapacitated which can happen at any time the book will help you with these essential tasks identify your key digital assets online accounts photos audio files videos passwords documents email and more plan for each type of digital asset based on your priorities for today for shortly after you are no longer around and for posterity joe explains the ideal file formats to use how to deal with social media sites the best ways to digitize paper documents and photos and strategies for sharing passwords with family members among much else communicate your wishes in a digital will and designate someone to be its digital executor the book includes a template document that you can develop into a personalized digital preserve your data for the future you ll consider types of archival storage media cloud based storage services backups and what instructions to provide about maintaining your data as file formats and storage media types evolve whether you just want to ensure that your heirs get copies of your favorite family photos and a few key documents or you want to catalog and preserve tens of thousands of digital items this book helps you make smart decisions about your digital legacy questions answered include what strategies can i use for sorting and preserving email and instant messages how can i ensure that my email account s will be available to those wrapping up my estate what if i have digital data that should be destroyed when i die what should i do with my huge photo collection both digital and paper how should i pass on control of my apple google and microsoft accounts how can i make my passwords and passkeys available to those who will need them but keep them private for now what should i think about when handing down purchased audio and video files what should happen to my facebook account when i m no longer around what choices are available for keeping my digital archive available and backed up how long should i expect archival media to last should i write an obituary are online digital legacy services any good how will organizing all this stuff benefit me while i m alive

The Bonhoeffer Legacy

2018-12-31

this collection of essays looks at a range of topics public theology why chinese intellectuals are interested in engaging with bonhoeffer bonhoeffer s concept of the logos and public theology and bonhoeffer s approach to social analysis contributors barry harvey robert vosloo jason lam joel banman and dustin benac

harvard's searing and sobering indictment of its own long standing relationship with chattel slavery and anti black discrimination in recent years scholars have documented extensive relationships between american higher education and slavery the legacy of slavery at harvard adds harvard university to the long list of institutions in the north and the south entangled with slavery and its aftermath the report written by leading researchers from across the university reveals hard truths about harvard's deep ties to black and indigenous bondage scientific racism segregation and other forms of oppression between the university's founding in 1636 and 1783 when slavery officially ended in massachusetts harvard leaders faculty and staff enslaved at least seventy people some of whom worked on campus where they cared for students faculty and university presidents harvard also benefited financially and reputationally from donations by slaveholders slave traders and others whose fortunes depended on human chattel later harvard professors and the graduates they trained were leaders in so called race science and eugenics which promoted disinvestment in black lives through forced sterilization residential segregation and segregation and discrimination in education no institution of harvard's scale and longevity is a monolith harvard was also home to abolitionists and pioneering black thinkers and activists such as w e b du bois charles hamilton houston and eva beatrice dykes in the late twentieth century the university became a champion of racial diversity in education yet the past cannot help casting a long shadow on the present harvard's motto veritas inscribed on gates doorways and sculptures all over campus is an exhortation to pursue truth the legacy of slavery at harvard advances that necessary quest

The Legacy of Ruth Klüger and the End of the Auschwitz Century

2022-08-22

ruth klüger 1931-2020 passed away on october 5 2020 in the u s born in vienna and deported to theresienstadt she survived auschwitz and the shoah together with her mother after living in germany for a short time after the war she immigrated to new york she was educated in the u s and received degrees in english literature as well as her ph d in german literature at the university of california berkeley she taught at several american universities she has numerous scholarly publications to her credit mostly in the fields of german and austrian literary history she is also recognized as a poet in her own right an essayist and a feminist critic she returned to europe where she was a guest professor in göttingen and vienna her memoir entitled *weiter leben* 1992 which she translated and revised in an english parallel text as still alive was a major bestseller and highly regarded autobiographical account of a holocaust survivor it was subsequently translated into more than a dozen languages it has also generated a vigorous critical discussion in its own right ruth klüger received numerous prestigious literary prizes and other distinctions the present volume *The Legacy of Ruth Klüger and the End of the Auschwitz Century* aims to honor her memory by assessing critically her writings and career taking her biography and writings as points of departure the volume includes contributions in fields and from perspectives which her writings helped to bring into focus acutely in the table of contents are

listed the following contributions sander l gilman poetry and naming in ruth klüger s works and life heinrich detering spannung remarks on a stylistic principle in ruth klüger s writing stephan braese speaking with germans ruth klüger and the restitution of speech between germans and jews irène heidelberger leonard writing auschwitz jean améry imre kertész and ruth klüger ulrike offenberg ruth klüger and the jewish tradition on women saying kaddish mark h gelber ruth klüger judaism and zionism an american perspective monica tempian children s voices in the poetry of the shoah daniel reynolds ruth klüger and the problem of holocaust tourism vera schwarcz a china angle on memory and ghosts in the poetry of ruth klüger

The Kantian Legacy of Late Modernity

2016-09-23

by drawing some parallels between the history of ideas and literary discourses of late modernity this book traces the influence exerted by immanuel kant either directly or through the mediation of henri bergson s intuitionism edmund husserl s phenomenology max dessoir s psychological aesthetics hans vaihinger s als ob fictionalism or karl popper s logical positivism as the argument goes background radiation of the kantian revolution can be detected even in semiotic poetics quantum probability and complexity theory an interdisciplinary approach seems appropriate when considering the works of a thinker who fused newton s physico mathematics with psychology and anthropology to form a new paradigm that opened vistas to integrated disciplinary fields such as j f herbart s psycho physics wilhelm wundt s physiological psychology and william james s pragmatism enfolded selves dissolution of selves into quanta of personality and multiple hypothetical plots analogous to the kantian thing in itself as an unfathomable matrix of possibilities are seen as latent effects of his deconstruction of rationalist metaphysics immanuel kant of the prolegomena 59 emerges as the philosopher of the coastal mind teased by the sense world out of thought yet not confined but experiencing the thrill of being connected with things and possessed of the knowledge of the boundary

American Race Relations and the Legacy of British Colonialism

2020-03-04

colonial rule distorts a colony s economy and its society and british rule was no exception british policies led to a stratified american colonial society with slaves on the bottom and white settlers on top the divided society functioned through laws that imposed rules and defined roles of the respective races this occurred in other colonies too often leading to strife that continues today especially since world war ii the united states seems finally to have been able to remove many laws and practices that had

chronicles some of the history prior to court ordered segregation and traces the mandate to desegregate by following the adams v richardson 1973 case which ordered the dismantling of dual systems of higher education

A Focus on Truth

2021-04-30

the published writings of the trappist monk thomas merton were always censored from two sources during his lifetime first by merton himself as he certainly didn't write everything down or share all of what he included in his drafts he selected carefully what he considered appropriate for publication second thomas merton was extensively censored by his religious superiors they regularly judged that things merton chose to write should not be made available in print this was not infrequently a source of great frustration to merton in this book fr patrick w collins presents an uncensored view of the life and thoughts of thomas merton by plumbing his correspondence with family friends and colleagues over the years merton's personal and professional correspondence was previously published by farrar straus and giroux in this volume collins extracts and organizes from these sources many of the significant subjects about which merton wrote and presents each topic chronologically in this way readers can easily follow the development of merton's thoughts feelings intuitions and impressions over the years on a variety of topics of concern to him

DocBook for Writers

Playing Oppression

2023-02-28

a striking analysis of popular board games roots in imperialist reasoning and why the future of play depends on reckoning with it board games conjure up images of innocuously enriching entertainment family game nights childhood pastimes cooperative board games centered around resource management and strategic play yet in playing oppression mary flanagan and mikael jakobsson apply the incisive frameworks of postcolonial theory to a broad historical survey of board games to show how these seemingly benign entertainments reinforce the logic of imperialism through this lens the commercialized version of snakes and ladders takes shape as the british empire s distortion of gyan chaupar an indian game of spiritual knowledge and early twentieth century trading games that fêted french colonialism are exposed for how they conveniently sanitized its brutality while also relying on crudely racist imagery these games most explicitly abhorrent features may no longer be visible but their legacy still lingers in the contemporary eurogame tendency to exalt and incentivize cycles of exploration expansion exploitation and extermination an essential addition to any player s bookshelf playing oppression deftly analyzes this insidious violence and proposes a path forward with board games that challenge colonialist thinking and embrace a much broader cultural imagination

Way Back To God

2019-12-31

bonaventure was a great pastor and preacher and also a very effective teacher his writing shows clarity and conviction and his authority arose from his profound grasp of scripture and patristic monastic tradition the force behind how he wrote sprang from his keen sense of the significance of francis and clare and all that flowed from them not least into his own spiritual life and experience as a person of deep contemplative and mystical prayer way back to god is a comprehensive conspectus and study of how bonaventure taught christian theology and applied it to spiritual life it is intended to be a guide through most of his writings though not as a substitute for reading them it provides a bridge into his thought and also a remarkable hand book of christian theology in its bearing upon spiritual life douglas dales new work enables bonaventure s distinctive spiritual theology to be seen as a whole as well as making his writings in latin or english accessible and attractive

Speaking Truth to Power

2023-08-31

emerging from a richly diverse oral narrative tradition the heroic tale of the young cid appears in multiple textual manifestations from its first appearance circa 1300 the dynamic narrative of the legendary deeds of this young castilian warrior eclipses the uninspired matter of fact narration of the reign of fernando i into which it is incorporated in its analysis of the *mocedades de rodrigo* the epic poem of cid s youth *speaking truth to power* identifies the narrative cohesion and the aesthetic principles that elevated the story of the young cid to its place of prominence among the epic narratives of medieval spain examining the evolution of the narrative through various textual versions matthew bailey highlights the permutations that propelled the young cid s unparalleled popularity the book traces this vibrant narrative tradition from its earliest manifestation in the aftermath of charlemagne s imperial mission in spain to the early modern drama of guillén de castro it convincingly discerns the leadership qualities and the social impact of its legendary protagonists from their manifestation in the latin chronicles of early iberia through the renaissance incorporating a wealth of previous scholarship in its innovative findings *speaking truth to power* provides readers with a heightened appreciation for the vibrancy of the poetic tradition that lives beyond the texts we study the oral narratives that are continually refashioned for new audiences and contexts

The Eisenstein Universe

2021-04-22

over the decades since he was first hailed by critics and filmmakers around the world sergei eisenstein has assumed many identities originally cast as a prophet of revolution and the maestro of montage and later seen as both a victim of and apologist for stalin s tyranny the scale and impact of eisenstein s legacy has continued to grow if early research on eisenstein focused on his directorial work from the legendary battleship *potemkin* and *october* to the still controversial *ivan the terrible* with time scholars have discovered many other aspects of his multifarious output in recent years multimedia exhibitions access to his vast archive of drawings and publication of his previously censored theoretical writings have cast eisenstein in a new light deeply engaged with some of the leading thinkers and artists of his own time eisenstein remains a focus for many of their successors contested as well as revered over half a century since his death in 1948 an ambitious treatise that he hoped would be his major legacy method has finally been published eisenstein s lifelong search for an underlying unity that would link archaic art with film s modernity individuals with their historic communities and humans as a species with the universe may have more appeal than ever today and among his many thwarted film projects those set in mexico and what were once the soviet central asian

republics reveal complex and still intriguing realms of speculation in this ground breaking collection sixteen international scholars explore eisenstein s prescient engagement with aesthetics anthropology and psychology his roots in diverse philosophical traditions and his gender politics what emerges has surprising relevance to contemporary media archaeology intermediality cognitive science eco criticism and queer studies as well as confirming eisenstein s prestige within present day film and audiovisual media

Developing and Maintaining Practical Archives

2020-04-14

The Bildungsroman in a Genocidal Age

2024-02-08

the bildungsroman in a genocidal age argues that the humanist ideal of bildung the cultivation of the potentialities of the self

through self reflection travel and varied social intercourse has been revitalized in an age of genocidal violence it examines the bildungsroman as a flourishing intermedial genre encompassing contemporary historical fiction historical feature films and children s and ya literature analysing a number of highly influential novels and films about the holocaust and world war ii wwii the book argues that the narrative strategies of the bildungsroman which includes a swerve away from home and its parochialism and moral certainties has contributed to shaping audience perceptions of traumatic histories and their ethical implications in the twenty first century the bildungsroman in a genocidal age examines some of the most keenly discussed and controversial historical fictions of recent decades including the remains of the day 1989 the kindly ones 2006 english trans 2009 the boy in the striped pyjamas 2006 and margarethe von trotta s biopic hannah arendt 2012 it argues that in portraying a protagonist who defers or refuses a prescribed social destiny these novels and films are sensitive to the eichmann problematic of the banality of evil as formulated by hannah arendt these bildungsromane the study suggests are designed to address the problem of the social reproduction of normative unimaginative and conformist mindsets that can enable totalitarian politics and genocidal policies

Indie Author Confidential 4-7

2023-07-20

The Most Hated Man in Kentucky

2021-07-27

a revealing biography of stephen gano burbridge the controversial union army general known as the butcher of kentucky for the last third of the nineteenth century union general stephen gano burbridge enjoyed the unenviable distinction of being the most

hated man in kentucky from mid 1864 just months into his reign as the military commander of the state until his death in december 1894 the mere mention of his name triggered a firestorm of curses from editorialists and politicians by the end of burbridge s tenure governor thomas e bramlette concluded that he was an imbecile commander whose actions represented nothing but the blundering of a weak intellect and an overwhelming vanity in this revealing biography brad asher explores how burbridge earned his infamous reputation and adds an important new layer to the ongoing reexamination of kentucky during and after the civil war asher illuminates how burbridge as both a kentuckian and the local architect of the destruction of slavery became the scapegoat for white kentuckians including many in the unionist political elite who were unshakably opposed to emancipation beyond successfully recalibrating history s understanding of burbridge asher s biography adds administrative and military context to the state s reaction to emancipation and sheds new light on its postwar pro confederacy shift a solid reassessment of kentucky s most controversial and reviled union general and one that will help readers understand the state s complex place and burbridge s complex place in civil war history stuart w sanders author of murder on the ohio belle a superb biography of one of the most pivotal figures in kentucky s civil war history there has been a lot of revisionist literature in the last fifteen years on kentucky s belated confederate identity but no work up to now has addressed burbridge himself brad asher has filled a very important gap in the literature on wartime and postwar memory of kentucky aaron astor author of rebels on the border civil war emancipation and the reconstruction of kentucky and missouri 1860 1872 asher does a terrific job of weaving together the military political social and economic threads that made kentucky such a complex story in and of itself during the civil war emerging civil war book reviews

No Shelf Required

2016-03-31

this book evaluates the extent to which the responsibility to protect r2p has consolidated as a norm in international society a consolidated norm in international society is defined here as a regularised pattern of behaviour that is widely accepted as appropriate within a given social context the analysis is based on the assumption that the r2p could be regarded as a consolidated norm if it were applied consistently when genocide and other mass atrocities occur and if international responses routinely conformed to the core principles inherent in the r2p seeking government consent multilateralism prevention and regionalism this book employs finnemore and sikkink s norm lifecycle model to determine the putative norm s degree of consolidation with in depth case studies of the international responses to crises in darfur and kenya serving to illuminate the findings it advances the argument that whilst the r2p had fully emerged as a prospective norm by 2005 it has not yet fully consolidated as an international norm the r2p has been remarkably successful at pervading the international discourse but has been somewhat less successful at consistency in implementation in terms of adherence to its core principles as outlined above the qualitative dimension of the r2p furthermore it has been least successful to date in terms of consistency across cases in terms of resolve and tenacity the volume concludes with a reflection on the norm s progress so far and its prospects for further consolidation assuming the r2p continues on its current trajectory this book will be of much interest to students of the responsibility to protect humanitarian intervention international law security studies and ir
