management but rather the interaction of engineers and managers working on projects in a corporate environment

Software Without Borders 1993 the road crew live music and touring is an in depth study of the road crew the group of workers who handle the logistical and technical requirements of popular music concert tours that provides an extensive look at the activities and personnel involved in the daily operation of these events using interviews with road crew members participant observation at concert venues and archival research this book covers a range of topics including how they learn their roles and maintain work through networks and informal practices the experience of being on tour and the workplace culture of road crews the daily tasks and necessary documents that contribute to the realisation of concert events and the integral role that tour managers play in the working lives of musicians the book also provides important insights into the experience of women working in a male dominated field the ways in which hierarchy shapes the working lives of support workers and the effects of touring on road crew members the road crew will be of interest to scholars and students of popular music live music and the creative industries as well as music fans journalists and professionals and practitioners in the music industries

Science & Engineering Indicators 2024 jews and jazz improvising ethnicity explores the meaning of jewish involvement in the world of american jazz it focuses on the ways prominent jazz musicians like stan getz benny goodman artie shaw and charlie parker and michael brecker and red rodney have engaged with jazz in order to explore and construct

2023-08-17

18/22

and profit little books big profits

ethnic identities the author looks at jewish identity through jazz in the context of the surrounding american culture believing that american jews have used jazz to construct three kinds of identities to become more american to emphasize their minority outsider status and to become more jewish from the beginning jewish musicians have used jazz for all three of these purposes but the emphasis has shifted over time in the 1920s and 1930s when jews were seen as foreign jews used jazz to make a more inclusive america for themselves and for blacks establishing their american identity beginning in the 1940s as jews became more accepted into the mainstream they used jazz to re minoritize and avoid over assimilation through identification with african americans finally starting in the 1960s as ethnic assertion became more predominant in america jews have used jazz to explore and advance their identities as jews in a multicultural society
