□□□□□□

2006-07

on 16 november 1671 liselotte von der pfalz the nineteen year old daughter of the elector of palatine was married to philippe d orleans monsieur the only brother of louis xiv the marriage was not to be a happy one liselotte known in france as elisabeth charlotte duchesse d orleans or madame was full of intellectual energy and moral rigor homesick for her native germany she felt temperamentally ill suited to life at the french court the homosexual monsieur deeply immersed in the pleasures and intrigues of the court shared few of his wife s interests yet for the next fifty years liselotte remained in france never far from the center of one of the most glorious courts of europe and throughout this period she wrote letters sometimes as many as forty a week to her friends and relatives in germany it is from this extraordinary body of correspondence that a woman s life in the court of the sun king has been fashioned as introduced and translated by elborg forster the letters have become the remarkable personal narrative of liselotte s transformation from an innocent yet outspoken girl into a formidable observer of great events and human folly

Brother to the Sun King

1989-03

louis xiv the highly feted sun king was renowned for his political and cultural influence and for raising france to a new level of prominence in seventeenth century europe and yet as antonia fraser keenly describes he was equally legendary in the domestic sphere indeed a panoply of women his mother anne mistresses such as louise de la vallièrè athénaïs de montespan and the puritanical madame de maintenon and an array of courtesans moved in and out of the court the highly visible presence of these women raises many questions about their position in both louis xiv s life and in france at large with careful research and vivid engaging prose fraser makes the multifaceted life of one of the most famous european monarchs accessible and vibrantly current

North American Sun Kings

1992

about the author this work true treasure stories of the southwest is william white s second publication since his initial work of tales of the caballos from a literary point of view this new work represents a more sophisticated form of writing that the reader will be sure to enjoy without losing his ability to tell a story william white has filled in the blank spots while giving the reader a more colorful account of these adventures while tales of the caballos became an underground best seller in new mexico this new book spans many states with a variety of stories about treasures many of which have never been published before all of the accounts represented in this book are personal experiences from twenty years of treasure hunting by the author the only thing william white enjoys more than writing about his experiences is to be on the trail of a new treasure i have gone to some amazing places and seen things that i would have never have witnessed had i not been a treasure hunter says william white william white has had modest success treasure hunting and he is still looking for the big one that elusive catch of gold bars or gemstones is still waiting for him to find and some day i know that he will in the mean time the reader will enjoy his experiences and adventures with many inside tips on where to look and where to go to search for treasure wayne may publisher ancient american magazine

A Woman's Life in the Court of the Sun King

1997

my name is wen alder my name is foolish cur all my life i have been torn between two legacies that of my father whose roots trace back to the right hand of the emperor that of my mother s family who reject the oppressive empire and embrace the resistance i can choose between them between protecting my family or protecting my people or i can search out a better path a magical path filled with secrets unbound by empire or resistance which could shake my world to its very foundation but my search for freedom will entangle me in a war between the gods themselves the first book in the pact and pattern series fans of robin hobb brandon sanderson s mistborn and r f kuang s the poppy war will love the magic running through every page

Love and Louis XIV

2008-12-10

the ch teau de versailles is a real photographic challenge because it is so huge there is an infinite number of possible points of view and they are never the same depending on the time of day the weather or the season there are always new photos to take to contemplate to dream of it is a demanding place that stimulates creativity and encourages you to look at it again and again thomas garnier versailles is one of the most photographed places in the world but only four people have the privilege of being the palace s official photographers they have uniquely unfettered access to the secrets that lie within outside and beneath this enormous domain where they spend their days and sometimes their nights now for the first time they open their personal albums to offer a wealth of impressions and responses two hundred and fifty previously unpublished photographs reveal a plethora of outstanding artworks the private apartments of louis xiv marieantoinette and madame de pompadour magnificent galleries the delightful orangerie and more all accompanied by texts that provide a lively introduction to daily life at the ch teau and its momentous history this is a monumental volume on a scale that matches the grandeur of the worldrenowned palace it celebrates

The Hand of the Sun King

2021-08-10

campaigns fought by louis xiv the sun king shaped the borders of european states the destinies of royal dynasties and even the patterns of absolutist government this book presents the most authoritative yet accessible and succinct account of these all important struggles available today covering every aspect of the wars from decisions made by the king at his palace at versailles to the life of the troops encamped in the field focusing on the french army the greatest military force of the age this tale of violence victory and victims balances siege and battle in a way that tells us much that is new about the sun king and his adversaries

In the Garden of the Sun King

1985

this richly illustrated volume the first devoted to maritime art and galley slavery in early modern france shows how royal propagandists used the image and labor of enslaved muslims to glorify louis xiv mediterranean maritime art and the forced labor on which it depended were fundamental to the politics and propaganda of france s king louis xiv r 1643 1715 yet most studies of french art in this period focus on paris and versailles overlooking the presence or portrayal of galley slaves on the kingdom s coasts by examining a wide range of artistic productions ship design artillery sculpture medals paintings and prints meredith martin and gillian weiss uncover a vital aspect of royal representation and unsettle a standard picture of art and power in early modern france with an abundant selection of startling images many never before published the sun king at sea emphasizes the role of esclaves turcs enslaved turks rowers who were captured or purchased from islamic lands in building and decorating ships and other art objects that circulated on land and by sea to glorify the crown challenging the notion that human bondage vanished from continental france this cross disciplinary volume invites a reassessment of servitude as a visible condition mode of representation and symbol of sovereignty during louis xiv s reign
