Heart of the Raven Collector's Edition 2015-12-14

this book is partially an autobiography and part female mystery adaptation but first let me introduce myself i am nonni in this book as i am writing this i can hardly believe it s been over thirty years since the depicted events took place you may not believe in ghosts and i am not documenting these experiences to convince you i m simply writing this book because when reflecting on these memories in my life thought they were worth sharing with others both believers and nonbelievers back in the seventies i owned a shop in the basement of a three

story early 1900s house for three years though the area was quite small i managed to keep it well stocked with hand crafted items representing over one hundred consignors above my business was the two story house that functioned as an antique store as the strange events began taking place and then increased in frequency cookie who owned the antique store and i assumed that someone was playing pranks on us what other explanation could there be but that was until we began sharing our experiences with other shop owners and found that they too had stories to share keywords women s mystery supernatural ghosts paranormal chicken salad friends
