reading workshop will inspire you and your students with an excitement for reading that fosters engagement and builds life long readers serafini shows how you can help students learn to read so they want to this book offers a unique interpretation of traditional workshop instruction by showing teachers how to integrate their separate reading and writing workshops into one literacy workshop periodically and as dictated by student needs that takes advantage of the inherent reciprocity between reading and writing through narrative discussion student samples photographs instructional resources online content suggested lessons and various mentor texts the book explains the structure of the literacy workshop tells readers how to get started with it and shows them how to decide when it s best to merge the two workshops into one the book is divided into two parts part i chapters 1 4 lays the foundation and gives the nuts and bolts of literacy workshop part ii chapters 5 9 includes engagement strategy topic focused demonstration lessons which includes a primary and an intermediate level example lesson for each big idea the guide to the reading workshop middle school grades offers a comprehensive but concise introduction to the need for this series research on what adolescent readers need ways to launch and sustain independent reading a big picture introduction to the reading workshop the architecture of minilessons classroom management tips and strategies levels of text complexity conferring with readers and providing transferrable feedback small group work writing about reading practical help for book clubs instructional read aloud the special importance of nonfiction reading supporting english learners in reading workshop provided by publisher strategies and activities to develop an effective reading workshop program as reading teachers how do we deal with the massive shifts that digital literacy is creating we can t abandon what we know works to keep up with the latest online literacy fads yet we need to prepare readers for a world of digital content reading workshop 2 0 gives us teaching that puts reading for meaning first while also balancing the need for kids to become sophisticated users of books as well as online reading resources this book writes frank serafini is designed to help teachers organize their reading workshops in order to take advantage of the latest technologies with his guidance you ll bring more digital reading into your teaching without sacrificing sound instructional principles or practices reading print shares four essential processes with digital reading accessing and navigating archiving and sharing commenting and discussing and interpreting and analyzing frank introduces important well established digitally based resources that further these processes while his lesson ideas transfer learning from classroom to real world digital reading if it doesn t help children develop as readers writes frank serafini it doesn t matter how shiny the new object is with reading workshop 2 0 you ll help students with print while also helping them use online resources and technologies as they are intended to make sense of texts more deeply effectively and efficiently the third grade units were written to support the crucial transition children make from learning to read to reading to learn the opening unit building a reading life launches your students lives as upper elementary school readers children ramp up their reading skills by immersing themselves in within reach fiction books while working on word solving vocabulary development envisionment and prediction the second unit reading to learn grasping main ideas and text structures addresses essential skills for reading expository nonfiction such as ascertaining main ideas recognizing text infrastructure comparing texts and thinking critically as well as the skills for reading narrative nonfiction such as determining importance by using knowledge of story structure the third unit character studies lures children into fiction books teaching them to closely observe characters make predictions and sharpen their skills in interpretation the final unit research clubs elephants penguins and frogs oh my shows youngsters how to turn to texts as their teachers children work in clubs to gather synthesise and organize information about animals and then use this information to seek solutions to real world problems pearson com the literacy workshop where reading and writing converge is a first of its kind resource that offers a practical process for creating an integrated literacy workshop using demonstration lessons that align with current curriculum standards in this forward thinking book authors maria walther and karen biggs tucker share what they ve learned over countless reading and writing workshops and combine into one literacy workshop the authors demonstrate how you can save valuable classroom time while still empowering students to uncover exciting connections in their learning leading to stronger more motivational readers and writers by weaving the common threads of literacy learning together you can increase the time your students spend engaged in authentic reading and writing inside you ll find the following a clear succinct explanation of the literacy workshop structure how to get started and how to determine the best time to begin the merge 50 demonstration lesson plans appropriate for both primary and intermediate grade levels that use strategies incorporating elements from recommended fiction and nonfiction anchor texts substantial printable resources and online tools to help make this instructional shift as smooth as possible from the big picture to small helpful details the literacy workshop will be your guide as you blur the lines between your reading and writing workshops creating space for students to apply their learning and practice the habits behaviors and actions of literate and engaged citizens this unit serves as a primer in what it means to participate in an intense reading workshop it introduces students to a variety of instructional methods and coaches both teachers and students in how to harness those methods to increase reading expertise and independence students will grow as readers of narrative texts by learning to consider ways writers reveal complex character traits investigate how setting can shape characters and analyze how characters are vehicles for themes throughout the unit students also learn to take charge of their reading lives by annotating the text and jotting notes in ways that deepen their thinking and prepare them for smart literary conversations with other readers frank serafini has written extensively on the reading workshop and in talks around the country he s answered the tough questions about teaching through this powerful medium now in around the reading workshop in 180 days his most practical book to date serafini answers your most frequently asked questions and shows you the daily ins and outs of the workshop picking up where his bestselling titles the reading workshop and lessons in comprehension left off serafini gives you month by month strategies for running a reading workshop across an entire school year he provides everything you need to change the way intermediate and middle level students think and talk about reading including instructional strategies how tos for organizing ideas for lessons ways to connect reading and writing instruction assessment and

evaluation techniques tips for helping students choose books lists of recommended children s literature for your students and recommended professional resources for you in addition classroom teacher suzette serafini youngs illustrates serafini s ideas with windows on the workshop classroom vignettes that bridge theory to practice and demonstrate with precision the teacher s role in workshop based reading instruction whether you re a thirty year veteran or a novice teacher go around the reading workshop in 180 days with frank serafini and take your students on a memorable journey into literacy language arts workshop purposeful reading and writing instruction presents a manageable way of organizing instruction exploring a gradual release of responsibility through meaningful experiences in all areas of need for literacy development including oral language spelling vocabulary word study fluency and comprehension like an apprenticeship novice readers and writers learn a craft under the guidance of a skilled and knowledgeable teacher through the language arts workshop students read and write everyday spending time working with their teacher collaborating with peers and working independently learn to model successful language arts teaching for your students workshop format addresses the diverse learning needs of students including english language learners students with disabilities and students who read at above or below grade level to support early intervention or response to intervention programs predictable chapter organization clarifies the workshop approach and framework authentic examples from successful classrooms engage readers and model effective language arts instruction a strong focus on assessment grounds the instruction and a compendium of assessment tools prepares readers to drive their own classroom workshops are deliberately kept simple and predictable like an art studio or a researcher s laboratory because it is the work itself that is ever changing and complex each day s teaching in a workshop does not set up a new hoop for the students to all jump through in sync instead for the bulk of time during each day students carry on with their work as they do so they draw upon a growing repertoire of skills tools strategies and habit lucy calkins learn how to teach students to read with increasing sophistication and personal engagement and how lucy calkins and her colleagues launch a rigorous and responsive intermediate reading workshop through 2 foundational books a guide to the reading workshop and building a reading life and eight online video clips lucy and her colleagues provide the strategies lesson plans and tools you ll need to lead strong efficient reading workshops in upper elementary classrooms a guide to the reading workshop crystallizes the reading workshop after detailing the essential principles of reading workshop instruction lucy describes how to develop engaging minilessons that develop the skills of proficient readers in the chapters that follow lucy presents different ways to lead small group work and one to one conferences in addition to describing the predictable methods and structures of a reading workshop select chapters consider various ways to assess readers and track their development how to use data to inform your instruction and how to differentiate instruction and prepare for standardized reading tests building a reading life launches the reading workshop in this unit of study lucy and kathleen tolan pull out all stops in an effort to help all their students become avid readers they wear a love of reading on their own sleeves help students fashion their identities as people who care about reading and create a social life that revolves around shared books above all they help students develop a sense of agency about their reading lives taking responsibility for becoming the kinds of readers who not only make sense of books but also let books change their lives lucy and kathleen meanwhile induct children into the structures routines and habits of a reading workshop students learn how to choose books that are just right in level and interest to carry books between home and school to collect and study data about their reading rates and volume and to push themselves to read with increasing stamina fluency and volume in reading partnerships children learn to retell and summarize texts and to share ideas that are grounded in the specifics of their books through the eight accompanying video clips lucy and other master teachers invite you to eavesdrop on their minilessons small group instruction and conferences dramatic video clips let you sit alongside young readers as they engage in book clubs reading partnerships and inquiry groups video clips are
