Happiness and Well-Being 2019-01-03

the book seeks to answer the following main questions what is meant by happiness what are the sources of happiness what is meant by the well being of man what is the end in human life when can we say that a man is successful in life how can he be happy and successful it is argued that happiness is not pleasure it does not come through high income and consumption beyond certain levels income and consumption cause dissatisfaction unhappiness and alienation the book upholds the aristotelian view that happiness means living well living a life of excellence it discusses how moral judgment and habituation help the development of good life it analyses paths of spiritual liberation the highest state of human happiness it also argues for a liberal state where people enjoy different negative and positive freedoms making possible flourishing of human diversities

Living Wisely and Well in the Evening of Life 2024-03-29

living wisely and well in the evening of life addresses the increasing difficulty of those in our culture who are in the evening of life who must manage a rapidly changing society and a new world being born almost daily there are several dimensions of life which have become especially difficult for those in this position including loneliness the sense of being set aside in a changing culture the cost of medical care the deep conflicts in our political life and the increasing sense of not being able to cope deep universal values articulated by the apostle paul in his letter to the corinthian church must be claimed and internalized paul artfully guides those from this church in a complex setting by suggesting a more excellent way in which to live with complexity and challenge then and now we need to cultivate a thoughtful and credible faith in our mature years second we must sustain the well founded hope rooted in

our faith in a loving god especially necessary in the evening of life in keeping with the teaching of jesus we should make unconditional love the central value in life it is possible to flourish in the evening of life undergirded by faith hope and love

Promoting Public Mental Health and Well-being 2016-04-15

what causes a person to flourish or languish or to be well or ill how can the mental health and well being of society as a whole and individuals be promoted and enhanced this book explores the social economic political cultural and environmental factors that affect mental health and well being on a societal and individual level and how prevention and intervention can enhance mental health taking a holistic approach to mental health the book sets out effective strategies from creating a supportive environment to building personal skills three extended case studies demonstrate how principles can be applied in practice in different situations a specific social problem suicide a population group young black and minority ethnic groups and a medically defined problem people with long term conditions the book is a vital resource for strategic planners including commissioners working to promote mental health and wellbeing at a population level as well as operational services delivering to specific individuals and groups it addresses the role of generic service providers as well as being essential reading for mental health and public health students

Gender and Well-Being 1870

provisioning for basic human needs is done in three main kind of institutions the familial household the commercial enterprise selling goods and services the institutions of the welfare state that provide

education medical care and other goods and personal services to all or to some specific groups of citizens in need the purpose of this book is to study the interplay of these institutions and their impact on well being and to analyze key policies and measures that have been implemented in european countries institutions determine labour demand men and women are hired by the institutions of the welfare state or by market providers of care the possibilities of consumption wages earned can be used to buy goods and services only if such goods and services are provided by the market and allocate people s time in particular women s time between paid work and unpaid domestic production and provision of care shaping both the gender relations and time use of people of both sexes the proper balance of these institutions is a prerequisite of well being both of the care givers and of the care receivers and also for satisfactory gender relations the chapters in this book focus on the following sub topics gender and welfare regimes gender well being and the provision of care in the family and the household and gender and well being in the labour market they emphasise the interdependence of social and labour market policies in the context of fundamental changes in both working patterns the increase in female labour force participation rates and social needs including population ageing and demonstrate that we need a more integrated approach to welfare policy which takes account not only of basic welfare entitlements but also the need for supportive forms of service provision and employment regulation
