connections of the heart reveal themselves in nick royle's new novel a gripping narrative of loss and redemption an international bestseller with tremendous word of mouth appeal follow your heart is a bittersweet heartwarming novel spanning generations and teaching the universal truths about life love and what lies within each of us originally published in italy follow your heart won the coveted premio donna citta di roma and sold over 800 000 copies in that country alone before hitting bestseller lists throughout the rest of europe now north american readers can enjoy the novel that has won over the world it begins in late autumn 1992 as an elderly italian woman prompted by the knowledge of her encroaching death sits down to write a letter to her granddaughter now grown and living in far off america through these moving reflections we see one life laid bare joys sorrows regrets and all and through the eyes of a woman nearing the end of her days we come to understand what life experience has taught her that no matter what the stakes we must look within ourselves and gather the courage to follow our hearts for much of recorded history people considered the heart to be the most important organ in the body in cultures around the world the heart not the brain was believed to be the location of intelligence memory emotion and the soul over time views on the purpose of the heart have transformed as people sought to understand the life forces it contains modern medicine and science dismissed what was once the king of the organs as a mere blood pump subservient to the brain yet the heart remains a potent symbol of love and health and an important part of our cultural iconography this book traces the evolution of our understanding of the heart from the dawn of civilization to the present vincent m figueroa an accomplished cardiologist and expert on the history of the human heart explores the role and significance of the heart in art culture religion philosophy and science across time and place he examines how the heart really works its many meanings in our emotional and daily lives and what cutting edge science is teaching us about this remarkable organ figueroa considers the science of heart disease recent advancements in heart therapies and what the future may hold he highlights the emerging field of neurocardiology which has found evidence of a heart brain connection in mental and physical health suggesting that ancient views hold more truth than moderns suspect the three book box set of the heart series by mary whitney includes beside your heart disclosure of the heart and forever your heart beside your heart late one night nicki johnson plays with emotional fire and googles her high school love only to find his name splashed across the british gossip columns back in his native england adam kincaid is successful and dating a woman from an aristocratic family like his own with a career in politics nicki's no slouch but she knows adam is living a world away from her life yet there was a time he was no farther than the next locker nicki will never forget their year together in high school the year of her sister's death the year her mother checked out adam helped nicki through suffocating grief and she led him through coming of age but when is a high school crush something more disclosure of the heart sixteen years is a long time to wait for your true love to reappear and anyway nicki johnson couldn't wait for the impossible to happen hard life lessons have taught her that fairy tales are children's stories and fate is cruel burying her hopes she's spent the last sixteen years focused and driven toward her career and it's landed her with a job at the white house with a gem of a boyfriend but when her high school love adam kincaid walks into the white house as a bbc reporter nicki's world is thrown into turmoil as she relives their past adam has come back for her but has he arrived too late forever your heart i m a journalist adam kincaid bbc reporter to be exact so i m not going to bury the lead i m about to see the woman i never got over i know that because i ve been back in america for years now and i still don t date american girls my dad would say i ve come to my senses sticking to my own british patrician kind but that s crap mum the psychologist would more wisely say itâ s my unresolved issues around nicki my teenage years are long behind me yet my guilt over her remains so i ve avoided all things nicki though the irony is she s the one avoiding me maybe if we see each other we can both move on could she ever forgive me can you forgive yourself when you hurt someone you love but please don t answer yet i ve jumped ahead of the story and as a reporter i should give you more background to get to the root of it all so let me tell you my story then you can be the judge unlike some other reproductions of classic texts 1 we have not used ocr
