tchaikovsky s death in october 1893 in st petersburg shortly after the première of his sixth symphony the pathétique is one of the most thoroughly documented deaths of a prominent cultural figure in modern times he was treated by no fewer than four physicians and surrounded by a group of relatives and friends the official account of his death was that he died from cholera possibly by drinking infected water but almost since the day of his death there have been rumours that it was not accidental it is alleged by some that tchaikovsky either committed suicide or was murdered in order to avoid the scandal and disgrace of being unmasked as a homosexual alexander poznansky is the first western scholar to have gained access to the tchaikovsky archives in klin russia he provides much hitherto unknown documentary material memoirs diary entries letters and newspaper reports and adds his own commentary on the status of homosexuality in nineteenth century russia and on the various conspiracy theories that have been advanced to account for tchaikovsky s death his conclusion is that there is no factual evidence to support the notion that tchaikovsky s death was caused by anything other than cholera staying afloat without fear it seems we are surrounded by the swirling currents of destruction in a world that has gone astray many feel besieged by these tempestuous times and worry about their loved ones praying that they will somehow survive the fluctuating tides noah and his family faced insurmountable challenges but god showed noah concrete steps to ensure he and his family could rise above the confusion and float on a raging sea of destruction in this powerful series how to float on a sea of destruction in the last days rick renner takes you deep into the specific instructions god gave noah and shows how those same instructions are needed again now to survive and thrive in a world gone mad in this ten part series rick covers how to be sure you are sealed tight and safe how to stay steady in turbulent times how to get god s personal instructions for you how to act with fearlessness when god speaks things are getting darker as time passes let this series help you fill your heart and mind with victory and show you how to rise above the tides of these times study guide for the last days according to jesus includes lesson objectives message outline study guide for the last days according to jesus old testament study guide pt 3 the old testament prophets this volume is the third of three on the old testament this volume is an unusually large volume that includes nearly all of the old testament prophets their teachings and warnings to their people and their prophecies of the coming of the messiah and the latter days it covers the period of the bible from the end of king solomon s reign through the end of the old testament including the ministries of jonah micah hosea amos joel isaiah jeremiah ezekiel esther daniel ezra haggai nehemiah zechariah and malachi elijah and elisha were covered in volume 8 we are taken from 826 bc to 430 bc when the old testament closes then finally we read of the intertestamental period between the ministry of malachi and the rise of john the baptist to open the new testament the cover features a classic painting of daniel in the lion s den painted by riviere in 1890 old testament study guide pt 2 deuteronomy to solomon this volume is the second of three on the old testament it covers the bible from the book of deuteronomy to the reign of king solomon we read moses counsel to his people during the final days before his translation we follow the children of israel into the promised land under the leadership of joshua beginning at jericho and ending with the total conquering of all the lands promised to abraham we are introduced to the judge heroes including but not limited to gideon deborah and samson we read of the rise of the prophet samuel and reigns of saul david and solomon we thrill at the faith and gifts of david and mourn over his fall from grace we are inspired by the wisdom of solomon and the beauty of the house of lord he built at jerusalem but are saddened by his idolatry in his old age along the way we become familiar with the ministries and teachings of elijah and elisha and the courage and faith of job the cover features an extremely rare photograph of the rock es sakhara inside the dome of the rock which at one time stood inside the holy of holies of solomon s temple the idea of the complete annihilation of all life is a powerful and culturally universal concept as human societies around the globe have produced creation myths so too have they created narratives concerning the apocalyptic destruction of their worlds this book explores the idea of the apocalypse and its reception within culture and society bringing together 17 essays that explore both the influence and innovation of apocalyptic ideas from classical greek and roman writings to the foreign policies of today s united states the field of health psychology has grown dramatically in the last decade with exciting new developments in the study of how psychological and psychosocial processes contribute to risk for and disease sequelae for a variety of medical problems in addition the quality and effectiveness of many of our treatments and health promotion and disease prevention efforts have been significantly enhanced by the contributions of health psychologists taylor 1995 unfortunately however much of the theorizing in health psychology and the empirical research that derives from it continue to reflect the mainstream bias of psychology and medicine both of which have a primary focus on white heterosexual middle class american men this bias pervades our thinking despite the demographic heterogeneity of american society u s bureau of the census 1992 and the substantial body of epidemiologic evidence that indicates significant group differences in health status burden of morbidity and mortality life expectancy quality of life and the risk and protective factors that contribute to these differences in health outcomes national center for health statistics 1994 myers kagawa singer kumanyika lex m kides 1995 there is also substantial evidence that many of the health promotion and disease prevention efforts that have proven effective with more affluent educated whites on whom they were developed may not yield comparable results when used with populations that differ by ethnicity social class gender or sexual orientation cochran mays 1991
