The Enemy: Geeks vs Zombies 2013-04-04

the fallen by charlie higson is the fifth awesome book in the enemy series first the sickness rotted the adults minds then their bodies now they stalk the streets hunting human flesh the holloway crew are survivors they ve fought their way across london and made it to the natural history museum alive just but the fight will never end while the enemy lives unless there s another way the kids at the museum are looking for a cure all they need are medical supplies to get them means a journey down unknown roads roads where not only crazed hungry sickos hide in the shadows suddenly it s not so clear who or what they re fighting the fourth terrifying part of charlie higson s bestselling enemy series the enemy is among us 2013 is the year of zombies with brad pitt s world war z and nicholas holt s warm bodies films hitting cinemas lord of the flies with zombies rick riordan creator of the percy jackson series charlie higson is the bestselling author of young bond and creator of the fast show perfect for bloodthirsty fans of 28 days later and darren shan s zom b series

The Fallen 2014-04-29

charlie higson s thrillers are major events mark billingham funny very tough and full of action patricia highsmith uncoils with wit and imagination time out it seemed straightforward enough sean had now consumed so much alcohol that everything seemed perfectly reasonable he d started planning the job already the first problem was how to do it thirteen thousand pounds in an envelope seems a fair price for a man s life particularly if you don t know the man he seems a nonentity and you quite fancy his wife and there s no chance of being caught sean is a drifter working as a building labourer and waiting for something to happen when sean is offered easy money to tail someone and even more easy money to dispose of him it s all more tempting than you might think except when you realize that you ve been led up the garden path the whole way king of the ants is dark disturbing and violently comic in the tradition of both joe orton and iain banks charlie higson pinpoints the casual vagaries of evil and its attendant powers unnerving horribly accurate and wickedly enjoyable it remains higson s finest book

King Of The Ants 2015-09-17
