### ***The Athenian Constitution Written in the School of Aristotle***

2017

in 1964 the supreme court handed down a landmark decision in new york times v sullivan guaranteeing constitutional protection for caustic criticism of public officials thus forging the modern law of freedom of the press since then the court has decided case after case affecting the rights and restrictions of the press yet little has been written about these developments as they pertain to the fourth estate lucas powe's essential book now fills this gap lucas a powe jr a legal scholar specializing in media and the law goes back to the framing of the first amendment and chronicles the two main traditions of interpreting freedom of the press to illuminate the issues that today ignite controversy how can a balance be achieved among reputation uninhibited discussion and media power under what circumstance can the government seek to protect national security by enjoining the press rather than attempting the difficult task of convincing a jury that publication was a criminal offense what rights can the press properly claim to protect confidential sources or to demand access to information otherwise barred to the public and as the media grow larger and larger can the government attempt to limit their power by limiting their size writing for the concerned layperson and student of both journalism and jurisprudence powe synthesizes law history and theory to explain and justify full protection of the editorial choices of the press the fourth estate and the constitution not only captures the sweep of history of supreme court decisions on the press but also provides a timely restatement of the traditional view of freedom of the press at a time when liberty is increasingly called into question

### **The Fourth Estate and the Constitution**

1992-10-02

in the heart of india's rich legal history lies an extraordinary tale that changed the course of the nation's destiny a landmark on the indian constitution delves into the captivating story of a pivotal moment in the journey of india's democracy this meticulously researched and engagingly written book explores the untold story of a landmark case that challenged the very foundations of the indian constitution it takes readers on a fascinating journey through the corridors of power the intricacies of legal arguments and the passionate debates that echoed in the hallowed halls of justice the book introduces us to the remarkable individuals who played pivotal roles in this constitutional saga from the brilliant lawyers who argued the case to the visionary judges who rendered the historic verdict it uncovers their personal struggles their unwavering commitment to justice and the sacrifices they made for the ideals they held dear as readers embark on this intellectual and emotional journey they will gain a deeper understanding of the indian constitution and the principles that underpin it a landmark on the indian constitution is not just a legal narrative it's a story of courage conviction and the enduring spirit of democracy this book is a must read for anyone interested in the intricacies of indian law the evolution of democracy and the indomitable human spirit that shapes the destiny of nations please note that this is a fictional description and there may not be an actual book with this title or content if you have any specific questions or would like to discuss a different topic please feel free to ask

### **A LANDMARK ON THE INDIAN CONSTITUTION**

2023-09-04

the book is arranged article wise and references have been given at the end of each chapter as almost each article of the constitution has been judicially interpreted the meaning determined by the judiciary has been explained along with the citation of the case the bulk of the book has been kept moderate and essential information under each article has been provided to err is human and authors jointly own the responsibility for any error factual or otherwise contents of constitution of india

### **A Law Dictionary, Adapted to the Constitution and Laws of the United States of America, and of the Several States of the American Union**

1839

conscious of the fact that our constitution was the product of socio economic forces operating at the time of its enactment the founding fathers bestowed upon the parliament the powers under the article 368 of the constitution to amend it with a view to bringing it in tune with the changing needs and aspirations of the people since we adopted the constitution in 1950 this

amending process has been working like a safety valve and has helped in reconciling with the requisites for peace and progress this publication is a well documented study on the nature scope and operation of amending process of the constitution of india it contains a brief legislative history and a synopsis of each of the constitution amendment act enacted till august 1994 a brief legislative history of the amending bills which were either lapsed or withdrawn or removed or negated after their introduction also forms part of the study the texts of these acts and bills have been reproduced in full in the annexures give statements showing the provisions of the constitution amended by various amendment acts and the number of the constitution amendment bills as introduced vis a vis the number of the constitution amendment acts as passed and status of bills if removed lapsed withdrawn or negated it is hoped that the study would be useful not only for parliamentarians but for all those interested in constitutional studies

## ***Constitution of India (Prabhat Prakashan)***

1833

reprint of the original first published in 1881

## **Commentaries on the Constitution of the United States**

1847

over the last forty years modern constitutional scholarship has concentrated on an analysis of rights while principles of constitutional law concerning the structure of government have been largely downplayed the irony of this interpretive emphasis is that the body of the constitution contains relatively little dealing directly with rights rather it is primarily a blueprint for the establishment of a complex form of federal democratic structure this work emphasizes the central role served by the structural portions of the constitution redish argues that these structural values were designed to provide the framework in which our rights based system may flourish and that judicial abandonment of these structural values threatens the very foundations of american political theory

## ***The Constitution of the United States of America***

1865
