## ***The Millionaire Map***

2013-12-03

when jim stovall through his business makes his movies such as the ultimate gift accessible both as a premiere theatrical and dvd movie as well as part of a school curriculum he improves the lives of young and old alike donald j trump on the heels of the best selling success of the ultimate gift and the major motion picture from 20th century fox based on that book jim stovall brings you the millionaire map this is the book i wished was available 30 years ago when i was desperate and broke with only a dream of one day being a millionaire now as a multimillionaire i want to share the wisdom i ve gained from the journey and provide other travelers with a map to guide them on their journey jim stovall the millionaire map reveals you can t expand your wallet until you expand your mind becoming a millionaire is not just about all the things you want to have but it s about the things you want to do and give in order to climb to the financial peak you ve got to crawl out of the valley of debt you will either voluntarily control your money now or it will force its control on you later the vast majority of people never arrive at their destination not because they don t have what it takes but because they don t manage what they have

## ***The Myth of Millionaire Tax Flight***

2017-10-31

an investigation based on top earners irs returns and other data a tour de force that should be read by policymakers and taxpayers everywhere douglas s massey princeton university in this age of globalization many countries and u s states are worried about the tax flight of the rich as income inequality grows and u s states consider raising taxes on their wealthiest residents there is a palpable concern that these high rollers will board their private jets and fly away taking their wealth with them many assume that the importance of location to a person s success is at an all time low cristobal young however makes the argument that location is very important to the world s richest people frequently he says place has a great deal to do with how

they make their millions in the myth of millionaire tax flight young examines a trove of data on millionaires and billionaires confidential tax returns forbes lists and census records and distills down surprising insights while economic elites have the resources and capacity to flee high tax places their actual migration is surprisingly limited for the rich ongoing economic potential is tied to the place where they become successful often where they are powerful insiders and that success ultimately diminishes both the incentive and desire to migrate this important book debunks a powerful idea that has driven fiscal policy for years and in doing so it clears the way for a new era millionaire taxes young argues could give states the funds to pay for infrastructure education and other social programs to attract a group of people who are much more mobile the younger generation an example of public sociology par excellence contemporary sociology with grace sophistication and unprecedented data this important book feeds public debates on inequality public policy and the health of american democracy martin gilens author of affluence and influence
