visit bahamas be sure to check them out let s get started the book contains the most popular secrets and advice from the locals experts historical and cultural sights top 14 beaches unusual and interesting places outdoor adventures and nature festivals where to stay and shopping the most delicious things to eat drink 3 reasons to buy this book simple guide to independent travel best sights information advice from the local experts start bahamas travel today featuring even more coverage of the remote out islands this updated and expanded edition of hidden bahamas continues to focus on the little known areas widely considered the leading guidebook for outdoor adventuring it features new information on ecotourism sea kayaking wild dolphin swims horseback bush trips and environmental groups that sponsor field workshops the history of harbour island is a well documented informative and entertaining account of the island which was once second in importance to new providence within the bahamian archipelago drawing on new material from official church oral and private sources and containing numerous illustrations this book adds greatly to our knowledge of harbour island specifically and the bahamas generally and is a significant addition to bahamian historiography life on a rock is the true story of a woman who traded her flourishing business career for a different path to find unusual and often dangerous adventure in an remote out island of the bahamas this is a reproduction of a book published before 1923 this book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process we believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide we appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book supporters of the british crown found life in the colonies rigorous in the years prior to during and after the revolutionary war the hazards of war and the inequities of peace forced many american loyalists into bahamian exile this novel of adventure and conflict explores the nature of class and identity in the post colonial world of the bahamas the narrative rich in imagery reveals the inner lives of the characters and implicates us all in one man s struggle to do the right thing on april 16 1861 president abraham lincoln issued a blockade of the confederate coastline the largely agrarian south did not have the industrial base to succeed in a protracted conflict what it did have and what england and other foreign countries wanted was cotton and tobacco industrious men soon began to connect the dots between confederate and british needs as the blockade grew the blockade runners became quite ingenious in finding ways around the barriers boats worked their way back and forth from the confederacy to nassau and england and everyone from scoundrels to naval officers wanted a piece of the action poor men became rich in a single transaction and dances and drinking from the posh royal victoria hotel to the boarding houses lining the harbor were the order of the day british united states and

confederate sailors intermingled in the streets eyeing each other warily as boats snuck in and out of nassau but it was all to come crashing down as the blockade finally tightened and the final confederate ports were captured the story of this great carnival has been mentioned in a variety of sources but never examined in detail breaking the blockade the bahamas during the civil war focuses on the political dynamics and tensions that existed between the united states consular service the governor of the bahamas and the representatives of the southern and english firms making a large profit off the blockade filled with intrigue drama and colorful characters this is an important civil war story that has not yet been told includes colour photographs decorating with books never goes baptist again until the menacing kingpin makes him an offer he can t refuse sending him deep into the beautiful blue caribbean to raise fifty tons of sunken cargo a dive to the razor s edge of death caught in the cross fire of a crazed underboss hostile islanders and a corrupt government tiller and his hatteras island sidekick shad aydlett take on a nightmare of double crosses as a scenario more sinister than he ever imagined begins to unfold marvin hunt s remarkable among the children of the sun takes readers to an island nation that millions of people visit yearly but few actually know much about bypassing the well known resorts of nassau and freeport he concentrates on life in the other islands of the bahamas the family islands hunt explores the geology of these islands the racial social and political history of the nation its storied history as an eighteenth century haven for pirates its customs its food and music its religious traditions and the challenges it faces as an emerging nation in a lively narrative reminiscent of paul theroux that spans fifteen years of travel richly detailed full of lively encounters with people and places among the children of the sun does what no other book about the bahamas has done take readers beyond the name tags and smiling faces of those who service the tourist industry into their real lives conveying the triumphs and tragedies of ordinary people living in an extraordinary landscape it is a work of self discovery too as the author comes to terms with his own evolving life the history of the colonization of the bahamas and the first royal governor woodes rogers esquire interwoven with the history of the united states the author begins the book with the history of the new world starting in a d 986 with the arrival of n this comprehensive volume details the full extraordinary history of all the people who have ever inhabited the islands and explains the evolution of a bahamian national identity within the framework of neighboring territories in similar circumstances bahama saga is a chronicle of the human presence on a unique archipelago of the americas the story takes its title from a few invented characters and the romantic and beautiful country of seven hundred sub tropical islands the confetti of bahamian islands has at different times been a locus for the three races of the planet after the original amerindian inhabitants perished the bahamas remained uninhabited for nearly 150 years until people from bermuda largely of english and african stock re settled the islands commencing in 1648 not long afterwards many more africans were brought to the bahamas in bondage their descendants today hold the destiny of the islands in their hands the geographical location of the bahamas allowed the islands to play a brief but important part in the history of the modern world the eastern islands protrude out into the atlantic ocean so as to make them one of the nearest parts of the americas to europe and it was here that an explorer from europe made a historic landfall at what for him at least was a new world it was just over five hundred years ago that christopher columbus in 1492 sailed the ocean blue the islands on the western side are a mere 50 miles from the united states throughout time events on the north american continent have had a major affect upon the history of the bahama islands as this well written and intriguing story relates this book explores the many complex historical connections between the united states of america and the commonwealth of the bahamas beginning with an overview of shared early spanish colonization the book is the first attempt to provide a comprehensive study of the impact of the sequential development of the united states on events in the emerging bahamas placing the heretofore marginalized history of the island nation firmly into the orbit of atlantic historiographical literature among other things the books sheds light on the role played by the islands in a series of significant events in the u s history these include the american revolution in which four of the initial official military actions of the fledgling u s navy

comprised repeated invasions of british controlled nassau capital of the bahamas the american civil war during which nassau became one of the main bases for supply of vital goods and ammunition to the confederacy the intrigues of the volstead act which legislated prohibition but also caused the temporary transformation of bahama islands into major transshipment centers for the smuggling of alcoholic beverages to a multitude of prohibition defiant and thirsty americans and the significant role placed by bahamian migrants in the creation of the city of miami and other areas of south florida the author draws on a wealth of tapped and untapped primary sources and presents a new perspective on the bahamian experience that helped to define the self proclaimed american credo of manifest destiny turquoise waters pristine beaches world famous rum and a culture that welcomes you with a smile soak up the sun and fun with moon bahamas inside you ll find flexible itineraries from a nassau getaway to a week of island hopping including day trips to the out islands strategic advice for travelers looking for family fun romance nightlife water sports and more must see highlights and unique experiences go diving to see shipwrecks underwater sculptures and coral reefs snorkel with sharks or swim with friendly pigs spot wild pink flamingoes climb to a historic stone monastery at the highest point in the bahamas or visit the iconic hope town lighthouse relax in an oceanfront bungalow sip cocktails made from local rum and hang out with locals at a fish fry honest recommendations from nassau local maria h moyle on when to go where to eat how to get around and where to stay from guest cottages and beach bungalows to luxurious resorts full color photos and detailed maps throughout background information on the landscape climate wildlife and history handy tips for families with children lgbtq travelers seniors and travelers with disabilities experience the real bahamas with moon s practical tips and local know how looking for more island adventures check out moon aruba moon bermuda or moon jamaica a must have picture book with words this photo book contains 100 color photos of different places within bahamas island and cities like nassau and abaco each picture is of high quality and has words written underneath so that you can not only view the image but know what area it was taken the photos capture the classic stunning landmarks scenery and architectural buildings of the country and city from sunrise to sunset with names of places this beautifully curated picture book with words has no mention of alzheimer s dementia memory loss or anything similar so it is also perfect for the elderly and seniors a perfect coffee table décor this photo book is 8 5 x 8 5 inches with a durable cover a perfect gift for friends and family during birthdays housewarming parties and most celebrations get a copy now product detail 8 5 x 8 5 beautiful cover 100 beautiful high quality colored pages perfect gift for all ages from kids adults and seniors poetry marion bethel was born in the bahamas where she currently lives and works her writing has appeared in the massachusetts review river city and other journals and anthologies she was awarded the casa de las americas prize for her book of poetry guanahani my love in 1994 in 1997 she was at the bunting institute of radcliffe college take this book with you on your next trip to the bahamas or the turks and caicos islands or keep it close to hand in your travel library the natural history of the bahamas offers the most comprehensive coverage of the terrestrial and coastal flora and fauna on the islands of the bahamas archipelago as well as of the region s natural history and ecology readers will gain an appreciation for the importance of conserving the diverse lifeforms on these special caribbean islands a detailed introduction to the history geology and climate of the islands beautifully illustrated with more than seven hundred color photographs showcasing the diverse plants fungi and animals found on the bahamian archipelago spanish wells bahamas the island the people the allure is written for those who want to explore a true outpost island paradise in addition to providing the travel planning essentials necessary to enjoy your perfect vacation christopher cirillo introduces you to some of the fascinating people that make this two mile island special from top archaeologists to quilters shopkeepers to lobster divers he ll take you beneath the waves at the devil s backbone coral reef and bring you face to face with the island s resident manatees the pages come to life as cirillo unearths four centuries of the island s rich history examines the unique culture and shares some of the legends that surround spanish wells and the people that call it home to learn more go to spanishwellsbook.com
