cinema wars explores the intersection of film politics and us culture and society through a bold critical analysis of the films tv shows and documentaries produced in the early 2000s offers a thought provoking depiction of hollywood film as a contested terrain between conservative and liberal forces films and documentaries discussed include black hawk down the dark knight star wars syriana wall e fahrenheit 9 11 and other michael moore documentaries amongst others explores how some films in this era supported the bush cheney regime while others criticized the administration openly or otherwise investigates hollywood s treatment of a range of hot topics from terrorism and environmental crisis to the iraq war and the culture wars of the 2000s shows how hollywood film in the 2000s brought to life a vibrant array of social protest and helped create cultural conditions to elect barack obama

Delta Force - Black Hawk Down: UK Version

2009-08-24

film moves audiences like no other medium both documentaries and feature films are especially remarkable for their ability to influence viewers best selling author james brady remarked that he joined the marines to fight in korea after seeing a john wayne film demonstrating how a motion picture can change the course of a human life in this case launching the career of a major historian and novelist in why we fought america s wars in film and history editors peter c rollins and john e o connor explore the complexities of war films describing the ways in which such productions interpret history and illuminate american values politics and culture this comprehensive volume covers representations of war in film from the american revolution in the 18th century to today s global war on terror the contributors examine iconic battle films such as the big parade 1925 all quiet on the western front 1930 from here to eternity 1953 and platoon 1986 considering them as historical artifacts the authors explain how film shapes our cultural understanding of military conflicts analyzing how war is depicted on television programs through news media outlets and in fictional and factual texts with several essays examining the events of september 11 2001 and their aftermath the book has a timely relevance concerning the country s current military conflicts jeff chown examines controversial documentary films about the iraq war while stacy takacs considers jessica lynch and american gender issues in a post 9 11 world and james kendrick explores the political messages and aesthetic implications of united 93 from filmmakers who reshaped our understanding of the history of the alamo to ken burns s popular series on the civil war to the uses of film and media in understanding the vietnam conflict why we fought offers a balanced outlook one of the book s editors was a combat officer in the united states marines the other an antiwar activist on the conflicts that have become touchstones of

american history as air force veteran and film scholar robert fyne notes in the foreword american war films mirror a nation s past and offer tangible evidence of the ways millions of americans have become devoted as was general macarthur to duty honor and country why we fought chronicles how for more than half a century war films have shaped our nation s consciousness

The Road to Unafraid

2003-03-01

mogadishu was once one of the prettiest and most cosmopolitan cities in africa the city has a long history that dates back to the 10th century when arab and persian traders began settling there for centuries mogadishu was a traditional centre for islam and an important hub for trade with communities along the indian ocean coastline however since the beginning of the civil war in the early 1990s somalia s capital city has gained the reputation of being the most dangerous and violent city in the world mogadishu then and now is an attempt to redeem the city s damaged reputation and restore its lost glory in the public imagination and in the somali people s collective memory the book showcases mogadishu in all its splendour prior to the civil war and contrasts this with the devastation and destruction that has characterised the city for more than two decades it should be of particular interest to historians urban planners architects and anthropologists

Summary of Mark Bowden's Black Hawk Down

2013

the post 9 11 world has witnessed a rebirth of irregular and asymmetrical warfare which in turn has led to an increase in conflicts between conventional armies and non state armed groups in their haste to respond to the threat from insurgencies nations often fail to plan effectively not only for combat operations but also for withdrawal which is inevitable win or lose in order to answer the question of how to withdraw from engagement with an insurgency gleis examines how insurgencies are conducted and what if anything is unique about an islamist insurgency he then proposes ways to combat these groups successfully and to disentangle one s military forces from the war once strategic objectives have been met or once it is clear that they cannot be because this type of warfare is dynamic and ever changing this book is not meant to suggest a set of cookie cutter solutions for how to withdraw from insurgencies rather the author analyzes six counterinsurgency operations that have taken place in the past with the intention of gleaning from them as many lessons as possible to better prepare for future withdrawals the literature on how wars end has failed to explore irregular warfare this much needed reexamination serves as an indispensable starting point

Black Hawk Down. Mogadiscio, 1993
