## **When Breath Becomes Air 2017-07**

at the age of thirty six on the verge of completing a decade s worth of training as a neurosurgeon paul kalanithi was diagnosed with stage iv lung cancer one day he was a doctor treating the dying and the next he was a patient struggling to live and just like that the future he and his wife had imagined evaporated when breath becomes air chronicles kalanithi s transformation from a naive medical student possessed as he wrote by the question of what given that all organisms die makes a virtuous and meaningful life into a neurosurgeon at stanford working in the brain the most critical place for human identity and finally into a patient and new father confronting his own mortality what makes life worth living in the face of death what do you do when the future no longer a ladder toward your goals in life flattens out into a perpetual present what does it mean to have a child to nurture a new life as another fades away these are some of the questions kalanithi wrestles with in this profoundly moving exquisitely observed memoir paul kalanithi died in march 2015 while working on this book yet his words live on as a guide and a gift to us all i began to realize that coming face to face with my own mortality in a sense had changed nothing and everything he wrote seven words from samuel beckett began to repeat in my head i can t go on i ll go on when breath becomes air is an unforgettable life affirming reflection on the challenge of facing death and on the relationship between doctor and patient from a brilliant writer who became both

## ***WHEN BREATH BECOMES AIR - Summarized***

## ***for Busy People 2017-11-06***

this book summary and analysis was created for individuals who want to extract the essential contents and are too busy to go through the full version this book is not intended to replace the original book instead we highly encourage you to buy the full version paul kalanithi was diagnosed with stage iv metastatic lung cancer at the age of thirty six just nearing his ten year mark as a neurosurgeon in training at one moment he was a doctor treating patients and the next he was a patient needing doctors his diagnosis changed everything including the future that he and his wife lucy had envisioned when breath becomes air is kalanithi s account of his transition from being a young medical student fixated on answering the profound question about what makes one s life meaningful in spite of the certainty of death to a trained neurosurgeon in charge of one s source of identity the human brain and ultimately to a man welcomed to fatherhood as well as to the realization of his mortality what makes life worthwhile when death is but an inevitability how will you move forward when the future you have imagined crumbles into an impasse why bring new life into the world when your own is slipping right between your fingers these are only some of the thought provoking questions kalanithi presents in this masterfully written memoir paul kalanithi passed away on march 9 2015 though unfinished when breath becomes air continues to serve as a guide to those who have lost their way it is the reflection of a brave and dignified man once a doctor then a patient who continued to affirm life even in the face of death wait no more take action and get this book now

## **Summary of When Breath Becomes Air 2016-09-29**

warning this is an independent addition to when breath becomes air meant to enhance your experience of the original book if you have not yet bought the original copy make sure to purchase it before buying this unofficial summary from abookaday when breath becomes air by paul kalanithi is an exquisitely profound memoir chronicling his transformation from a na ve medical student to a neurosurgeon and then into a man a

new father face with his mortality he has to face the fears and emotions that are associated with being a patient rather than the doctor he spends his education and career searching for the answer to what brings life meaning or what makes life meaningful with his diagnosis the author now faces the need to find a new identity and discover a new sense of self he struggles to answer questions like how do you plan a future when you know the outcome how do you nurture a young growing life when you are faced with your own life slowly fading away when breathe becomes air is one of those books that is a life changing and unforgettable account of a man dealing with the challenges of facing his own illness and the interpersonal relationship that develops between doctor and patient paul kalanithi takes his readers on a journey through his own self discovery of what it means to be an effective doctor and how as a doctor he could help his patients discover what gives their lives meaning available on pc mac iphone android tablet or kindle device c 2016 all rights reserved

## **Summary of When Breath Becomes Air** **2017-08-20**

please note this is not original book sometimes we don't go out to look for a book the book finds us paul kalanithi wrote his memoir when breath becomes air as he faced a terminal cancer diagnosis the book is an emotional investment that is worth making because it is a thoughtful and moving memoir of family literature and medicine it is in spite of its grim connotation very inspiring i like to think of myself as a connoisseur of books so when a friend recommended this book to me i politely acquiesced and bought it i never really planned on reading it the first time i opened it up i thought that i would give it a cursory perusal but this wasn't the case i found myself reading this book nonstop long into the early hours of the morning i couldn't stop reading because even though when breath becomes air was enthralling it would have been a disservice to paul kalanithi the book was stunning and hopeful at the same time it was sad to know that someone as enormously talented and articulate as dr kalanithi was no longer here with us
