Police and Policing Law 2017-12-15

rising terrorism and advances in technology along with new organizational strategies and investigative techniques have stretched the traditional role of the police officer calls for strong intelligence driven paramilitary policing juxtaposed with a demand for softer community policing leave officers under increased pressure to be tough and

Human Rights and Policing 2007

police innovation and control of the police problems of law order and community brings together an impressive array of scholars and analysts to examine the impact of the development of crime control strategies on problems of police corruption and abuse the text provides an historical overview of the development of legal control of the police and examines the challenges that recent innovations such as community or problem oriented policing present to the traditional historical mechanisms for maintaining control of the police additionally a comparative perspective is featured that draws upon the experiences of the gorbachev era in the soviet union as well as on the history of european law enforcement over the last century this book is instrumental for encouraging discussion and debate of police innovation and its impact on the ability of society to control the police abuse in light of the los angeles riots of the spring of 1992 scholars practitioners and students of crime prevention studies criminology and psychology will find this volume timely topical and provocative

Above the Law 1993

legal guide for police constitutional issues 12th edition provides the most current information for students and law enforcement professionals needing to develop an up to date understanding of the law

The Oxford Handbook of Police and Policing 2014

law enforcement agencies and their employees are continually at risk for potential liability related to torts civil rights violations and employment law issues litigation may involve suits by the public against officers and the administration actions by the administration against officers or actions by officers against the administration or members of the public they serve knowledge of these risks and understanding how they arise are essential to law enforcement officers administrators and their legal counsel police liability and risk management torts civil rights and employment law is written by an attorney and a 34 year law enforcement veteran who knows his way around the streets and the courtroom dr robert j girod combines decades of teaching and practical experience with legal and academic education to compile this practical source of case law and risk management principles the book is designed to help law enforcement professionals reduce police liability and avoid the risk of litigation or in the event a lawsuit does arise to manage liability and defend themselves in our litigious society suits involving the law enforcement community are becoming a more common occurrence and can destroy an officer s career or cast a pall on an entire department by understanding the laws governing these types of issues law enforcement professionals are better able to monitor the sources of liability and implement risk management strategies to shield their policies practices procedures and protocols from the danger of liability

Contemporary Issues in Law Enforcement and Policing 2008-05-28

this book offers a global history of civilian military and gendarmerie style policing around the first world war whilst many aspects of the great war have been revisited in

light of the centenary and in spite of the recent growth of modern policing history the role and fate of police forces in the conflict has been largely forgotten yet the war affected all european and extra european police forces despite their diversity all were confronted with transnational factors and forms of disorder and suffered generally from mass conscription during the conflict societies and states were faced with a crisis situation of unprecedented magnitude with mass mechanised killing on the battle field and starvation occupation destruction and in some cases even revolution on the home front based on a wide geographical and chronological scope from the late nineteenth century to the interwar years this collection of essays explores the policing of european belligerent countries alongside their empires and neutral countries the book s approach crosses traditional boundaries between neutral and belligerent nations centres and peripheries and frontline and rear areas it focuses on the involvement and wartime transformations of these law enforcement forces thus highlighting underlying changes in police organisation identity and practices across this period

Law Enforcement; a Selected Bibliography 1968

this study examines the discretionary decision making of u s police officers with respect to the decision to arrest it finds that socioeconomic status age sex and personal appearance are among the factors influencing police arrest decisions as well as the background prejudice experience and personality of the individual officer it concludes that strong and coordinated efforts on the part of police state and local government and the judiciary will be needed to implement guidelines to control arrest decisions

Police Innovation and Control of the Police 2012-04-30

this book provides an updated overview of current international human rights law relating to the police around the globe the police have a special responsibility for the protection of human rights police work is governed by national rules and in addition in today s world by the evolving international human rights standards as a result of the ever developing case law of international courts and other bodies the requirements of human rights law on policing have become more and more detailed and complex in recent years bringing together a variety of distinguished authors from academia police forces and other government authorities the human rights movement and international organizations the book discusses topical issues including the use of deadly force the prevention of torture effective investigations the protection of personal data and positive obligations of the police

Legal Guide for Police 2023

viewing policing from an international perspective this volume covers the history of law enforcement from early accounts of policing under caesar augustus to such present day events as rodney king and the lapd american policing dominates the book but it also covers such items as the 1829 london metropolitan police model and continental innovations stemming from napoleonic france while including such well known americans as police commissioner theodore roosevelt the book also covers important policewomen forgotten but exceptional african american policemen and indian police forces that ranged the oklahoma territory the book will be a useful resource for all those interested in the history of law enforcement unlike existing reference works that try to cover both lawmen and criminals this book focuses on the police diaspora in addition to traditional police officers it also includes nontraditional examples of law enforcement such as private detectives vigilante groups and organizations such as wells fargo and the pinkertons the book provides an instructive blend of history criminology and police science

FBI Law Enforcement Bulletin 1974

now in its eighth edition butterworths police law covers comprehensively those areas of the law and legal procedures with which all police officers are concerned in terms which are easily understood by all those without legal training this edition includes details of the changes to the police complaints procedures which were set out in the police reform act 2002 and implemented in the spring of 2004 a well respected and highly regarded book butterworths police law has been prepared in a way which recognises the needs of police officers and will be of assistance to all those who wish to study the criminal law the book also provides a good source of information for members of the public who wish to refer to a legal text written in an accessible way it is a practical volume for everyday use

Violence and the Police 1970

provides a critical understanding and evaluation of police tactics and the use of force police violence has historically played an important role in shaping public attitudes toward the government community trust and confidence in policing have been undermined by the perception that officers are using force unnecessarily too frequently or in problematic ways the use of force or harm suffered by a community as a result of such force can also serve as a flashpoint a spark that ignites long simmering community hostility in evaluating police uses of force legal scholar seth w stoughton former

deputy chief of police jeffrey j noble and distinguished criminologist geoffrey p alpert explore a critical but largely overlooked facet of the difficult and controversial issues of police violence and accountability how does society evaluate use of force incidents by leading readers through answers to this question from four different perspectives constitutional law state law administrative regulation and community expectations and by providing critical information about police tactics and force options that are implicated within those frameworks evaluating police uses of force helps situate readers within broader conversations about governmental accountability the role that police play in modern society and how officers should go about fulfilling their duties

The police, law and your rights 2013

this innovative book offers a comprehensive assessment of policing in late modern britain the overall theme is that as we approach the end of the twentieth century it is an appropriate time to review recent developments in policing and law enforcement and to consider future prospects the areas covered include equal opportunities and public policework perspectives on and politics of police policy making the emergence and consequences of managerialism and privatisation legitimacy policing and human rights crime control and surveillance in northern ireland crime rates victimisation and the provision of service risk late modernity and community policing regulating virtual communities and policing cybercrime and the insights to be gained from comparative analysis thought provoking and incisive policing futures is an invaluable source of information and will be essential reading for students lecturers researchers and practitioners in the fields of police studies criminology socio legal studies law sociology social policy social work and related disciplines

Police Liability and Risk Management 2013-09-24

this book provides a historical analysis of the development of the english legal system focusing on the relationship between justice and the police maitland argues that the proper balance between these two institutions is essential for the preservation of individual freedom and the rule of law this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

European Police Forces and Law Enforcement in the First World War 2019-11-08

today s law enforcement officers who are required to be highly knowledgeable about the law will find this guide to be a valuable tool bringing them up to date with developments in the law of arrest search and seizure police authority to detain questioning suspects and pretrial identification procedures police power and its limitations and civil liability of police officers and agencies

The Law and Politics of Police Discretion 1984-12-07

this is a unique book in that it distills the knowledge ideas and experience of three police professionals in the cause of a human rights based approach to policing the book is written for an audience of police officials human rights workers with an interest in human rights and policing and resource persons and teachers responsible for the education of police officials it provides a concise account and analysis of international human rights standards and best practice appertaining to key areas of policing and it sets out a clear strategy to bring about change organisational and thence behavioural within police organisations to focus on human rights and best practice in policing is not only important as an end in itself it is also important as a means of securing effective policing for the support of the community effective policing in a democracy is dependent upon police respecting the rule of law and human rights

Police Interrogation and Confessions 1980

top scholars provide a critical analysis of the current ethical challenges facing police officers police departments and the criminal justice system from george floyd to breonna taylor the brutal deaths of black citizens at the hands of law enforcement have brought race and policing to the forefront of national debate in the united states in the ethics of policing ben jones and eduardo mendieta bring together an interdisciplinary group of scholars across the social sciences and humanities to reevaluate the role of the police and the ethical principles that guide their work with contributors such as tracey meares michael walzer and franklin zimring this volume covers timely topics including race and policing the use of aggressive tactics and

deadly force police abolitionism and the use of new technologies like drones body cameras and predictive analytics providing different perspectives on the past present and future of policing with particular attention to discriminatory practices that have historically targeted black and brown communities this volume offers cutting edge insight into the ethical challenges facing the police and the institutions that oversee them as high profile cases of police brutality spark protests around the country the ethics of policing raises questions about the proper role of law enforcement in a democratic society
