in the hearts of all mankind of whatever race or station in life there are inexpressible longings for something they do not now possess this longing is implanted in the very constitution of man by a merciful god that man may not be satisfied with his present conditions or attainments whether bad or good or better god desires that the human shall seek the best and find it to the eternal blessing of his soul satan by wily scheme and craft has perverted these longings of the human heart he makes men believe that this desire may be satisfied by pleasure by wealth by ease by fame by power but those who have been thus deceived by him and they number myriads find all these things pall upon the sense leaving the soul as barren and unsatisfied as before it is god s design that this longing of the human heart should lead to the one who alone is able to satisfy it the desire is of him that it may lead to him the fullness and fulfillment of that desire that fullness is found in jesus the christ the son of the eternal god for it was the good pleasure of the father that in him should all the fullness dwell for in him dwelleth all the fullness of the godhead bodily and it is also true that in him ye are made full with respect to every desire divinely implanted and normally followed haggai calls him the desire of all nations and we may well call him the desire of all ages even as he is the king of ages it is the purpose of this book to set forth jesus christ as the one in whom every longing may be satisfied there is many a life of christ written excellent books large funds of information elaborate essays on chronology and contemporaneous history customs and events with much of the teaching and many glimpses of the many sided life of jesus of nazareth yet it may be truly said the half has never been told it is not however the purpose of this work to set forth a harmony of the gospels or even to give in stricdy chronological order the important events and wonderful iessons of the life of christ its purpose is to present the love of god as revealed in his son the divine beauty of life of christ of which a1l may partake and not to satisfy the desires of the merely curious nor the questionings of critics but even as the attraetl on of his own goodness of character jesus drew his disciples unto himself and his personal presence by his sympathetic touch and feeling in all their infirmities and needs and by his constantassocaiton transformed their characters from the erathly to the heavenly from the selfish to the sacrificing from the small hearted ignorance and prejudice to largehearted knowledge and profound love for soulsof all nations and races even so it is the purpose of this book so to presentthe blessed redeemer as to helpthe readerto come to him face to face herat to heart and find in him even as did the diciples of old jesus the mighty one who saves ot the uttermost and transforms to his own divine image all of those who come unto god by him yet how impossibleit is to revealhis life it is like attemptingto putupos canvas the livingrainbow into charaters of black and white the sweetest music

one powerful truth is undeniable if christ had never been born nearly every facet of human life would be worse discover what the world would have been like without jesus and how some of the world's greatest accomplishments exist only because he lived we live in a cynical age in which only one prejudice is tolerated anti christian bigotry yet despite the near constant and attacks against the faith one powerful truth is undeniable if christ had never been born nearly every aspect of human life would be much more miserable than it is today in what if jesus had never been born discover christianity's impact on the value of human life helping the poor and education christianity's impact on world history and the founding of america christianity's contribution to civil liberties science medicine and economics lives changed by jesus christ the author also examines what happens in a world without christianity as well as fulfilling the purpose of believers as we move forward arranged topically and presenting compelling little known historical facts what if jesus had never been born clearly demonstrates that an enormous benefits to humankind from economics to art to government science to civil liberties morality to health and beyond would never have occurred had jesus christ not lived

was jesus a radical innovator or a divine restorer when jesus known to his people as yeshua came on the scene in first century israel his hearers weren't surprised by his message but by his authority they didn't see him as a revolutionary teacher but as a reformer of the man made commandments that had been added to the torah like all of the prophets who came before him to correct the jewish people and draw them back to god his claims to be the messiah created a divide among the jewish people between those who accepted and those who rejected his divinity too many modern christians believe jesus came to end judaism and begin something new called christianity but this misses the point by divorcing yeshua's message from its context in the jewish faith rabbi matt rosenberg of

restoration in seattle washington is a leader in the messianic movement and has a passion for helping jew and gentile alike understand the message of yeshua as a second generation messianic rabbi with a gentile mother matt understands the struggles questions and general messiness that accompany merging jewish traditions and christian customs with the scriptural and historical yeshua in this thoughtfully researched and lovingly presented book rabbi rosenberg explains how to understand the jewishness of jesus and how it impacts believers then and now appreciate the bible as one book not two separate testaments mend the misunderstandings between jewish and gentile believers ask sincere questions and avoid clichéd answers in an honest search for truth integrate the jewish influence on the ordinances of communion and baptism jewish and gentile believers alike will glean deeper understanding from jesus never said anything new as rabbi rosenberg builds the case for why the jewishness of jesus is as relevant for christians and jews today as it was two thousand years ago discovering yeshua apart from all of the trappings of western culture will build your faith and challenge your walk with the unchanging god of abraham isaac and jacob

did you know that paul the apostle to the gentiles had never been an apostle did you know that christianity had begun over 17 years after the crucifixion and had never been the religion of the apostles did you know that before 80 ce no one had had any notion of jesus having disciples jesus having made profound statements jesus having performed miracles or jesus having actually been seen alive after his crucifixion and did you know that no one knows who the gospel writers had been that their first audience had known their gospel accounts to have been agnostic fiction and that it had been corrupt christian leaders of the second century who had declared the gospel accounts to have been the authentic word of god even though internal evidence has always shown that they're not false messiah discloses a small portion of the information that a well-informed christian clergy has consciously kept from the awareness of their christian congregations for anyone who has ever been asked have you accepted jesus christ as your personal lord and savior false messiah provides clear and irrefutable proof that the answer should always be an emphatic no as an academic response to the dishonest promotion of religious-based ignorance false messiah is a valuable addition to anyone's arsenal of truth and knowledge

religion teaches us that we have to earn god's love through our performances that we have to get our lives together and live right before god can ever love us we cannot earn god's love no one can he chose to love us even before the foundation of the earth in spite of us god hates sin but he loves the sinner and wants the best for us he chose to love us before we ever heard or thought about him he chose to love us even when we were sinners unworthy and helpless it was his great love for us that moved him to send his son jesus into the world to die for us on the cross so we can have relationship with him and enjoy life to the full his love for us is not dependent on us but on who he is god is love and he will never stop loving you because of what jesus did for you and nothing can take away his love for you

JESUS NEVER WASTES PAIN 2002-01-09

as young boy of eight years old raised in an abusive home where there was no love naturally i was in search of something else i had heard in church how god was all about love and that he could help me if i would be saved sounded good to me therefore i came to god so i thought i had the wrong idea of god and how he was going to work in my life as time went on things seemed to start getting worse instead of better there was more abuse and i started spending time in the street instead of home at the age of fifteen i was an alcoholic and a chain smoker i had already tried to commit suicide once by this time and by the time i was seventeen i was a full fledged junkie i hated god for abandoning me i thought to myself if this is how it is with god then i am better off without him and lived my life accordingly later on in my life i would become a member of a satanic occult and again try to commit suicide constantly trying to end my life because i felt i was no good to myself anyone else and especially god but it just seemed like the more i tried the less i would succeed god kept interfering he just would not let me die i did not know why and i asked him god why won t you just let me die moreover that question would change my life forever i thought it was because he was trying to get back at me but on the contrary he was going to use me to help those like me there are those who think that their life is just too far gone and that they are just too bad to be used by god this simply is not true no matter how young old or bad you think you are it is never too late for god i hope to show you this through this testimony that there is still hope and that it is not about whom we are but who jesus is it is not about what we have done but it is about what jesus has done honestly we will never be good enough but because what jesus has done we have been made good enough through him nevertheless like me as a young person there are those who have the wrong idea of god and his grace because of lack of knowledge and going off other peoples relationships with god it is not until we have a true understanding of god and the character of god and actually start applying his principles and precepts does it start to make a difference in our lives
