

the roads chosen in life come with a price to be paid and that price could end up costing them everything the toronto maple leafs have not won a stanley cup since 1967 a burden that long suffering fans have regrettably had to bear ron bailey the new director of player personnel for the leafs is more than frustrated with his beloved team who last won the prestigious title when he was just three unfortunately ron worries that the cynical canadian fans and media who fear it may be another forty years before the leafs win another one might be right just as he is about to give up hope bailey accidentally uncovers a possible reason for the leafs long drought a curse that has been supposedly placed on the team by the father of dale mcaine a former player who due to tragic circumstances never had the opportunity to play for a cup as bailey s curiosity peaks he asks for a meeting with the feisty and feeble doug mcaine who asks for a second chance for his deceased son to play for the stanley cup in maple leaf gardens only then will he lift his curse in this sports adventure a young hockey director must orchestrate the game of the century as the spirits of former leafs greats to band together to help a player s dreams come true branding guru aaker shows how to eliminate the competition and become the lead brand in your market this ground breaking book defines the concept of brand relevance using dozens of case studies prius whole foods westin ipad and more and explains how brand relevance drives market dynamics which generates opportunities for your brand and threats for the competition aaker reveals how these companies have made other brands in their categories irrelevant key points when managing a new category of product treat it as if it were a brand by failing to produce what customers want or losing momentum and visibility your brand becomes irrelevant and create barriers to competitors by supporting innovation at every level of the organization using dozens of case studies shows how to create or dominate new categories or subcategories making competitors irrelevant shows how to manage the new category or subcategory as if it were a brand and how to create barriers to competitors describes the threat of becoming irrelevant by failing to make what customer are buying or losing energy david aaker the author of four brand books has been called the father of branding this book offers insight for creating and or owning a new business arena instead of being the best the goal is to be the only brand around making competitors irrelevant help your students see the light with its myriad of techniques concepts and formulas business statistics can be overwhelming for many students they can have trouble recognizing the importance of studying
