this is a first rate lucidly written text g e c paton aston university suitable above all because it covers so many areas of contemporary institutions a useful reference work patrick leech university of bologna strikes a balance between providing up to date information and being a source of general reference anne k bjørge norwegian school of economics and business administration an excellent presentation of the british economic and political institutional system j condriou universit  de provence a perfect tool and source for class activities borek sousedik tobos eltr czech republic the seventh edition of this highly praised textbook has been substantially updated and revised to provide students of british studies with the perfect introduction to britain its country and people politics and government education economy media arts and religion it includes discussion of recent developments and areas of topical interest in british society such as immigration the recession devolution and britain s relationships with the us and the eu and coverage of the 2010 election new full colour illustrations exercises and questions to stimulate class discussion insights into the attitudes of british people today towards important issues updated suggestions for further reading and useful websites a fully updated companion website featuring further exercises links to relevant articles and videos online and quiz questions british civilization is a vital introduction to the crucial and complex identities of britain for supplementary exercises questions and tutor guidance go to routledge com textbooks oakland big history between nothing and everything surveys the past not just of humanity or even of planet earth but of the entire universe in reading this book instructors and students will retrace a voyage that began 13 7 billion years ago with the big bang and the appearance of the universe big history incorporates findings from cosmology earth and life sciences and human history and assembles them into a single universal historical narrative of our universe and of our place within it    the first edition of big history between nothing and everything is written by the pioneers of the field and presents a framework for learning about anything and everything it encourages students to think critically about our cumulative history and the future of the world through a variety of lenses photographs illustrations maps charts and texts are celebrating the arrival of a larger size and beautiful colors to the fourth edition of world civilizations sources images and interpretations this collection of primary secondary and visual sources for world history survey courses offers a broad introduction to the materials historians use and the interpretations historians make this text also provides introductions commentaries guides and questions making it a truly valuable source for world history courses the selections and accompanying notes drawn from a vast spectrum of approaches provide insight into how historians work and place the material in a context that furthers readers understanding the west in the world relates the story of how the west has transformed and been transformed by the rest of the world the authors examine the west s contributions to the world and how the west has changed and embraced new ideas through contact with the people outside its center using a political cultural framework the text weaves a strong thread of social history into the narrative by showing how civilizations grow and are shaped through the decisions and actions of real people the authors bring history to life by using art and maps as a central feature of learning they build discussions of art into the narrative to help students interpret artwork and provide analytical map guides that reveal the connections between geography politics and other developments this strong rich narrative is short enough to allow instructors the flexibility of introducing other sources and books as supplement while giving students a solid understanding of western civilization without overwhelming them
