2017-08-31 seven years after the onset of the global financial crisis the
world still has a way to go to secure a sustainable recovery marked by strong growth that supports rapid job creation and benefits
all international monetary fund imf managing director christine lagarde says in her foreword to the institution s annual report 2014
from stabilization to sustainable growth published today the recovery is ongoing but it is still too slow and fragile subject to the
vagaries of financial sentiment millions of people are still looking for work the level of uncertainty might be diminishing but it is
certainly not disappearing ms lagarde said that throughout the crisis and in the recovery period the imf has been and continues to
be an indispensable agent of economic cooperation for its membership the report covers the work of the imf s executive board
and contains financial statements for the year may 1 2013 to april 30 2014 it describes the imf s support for its 188 member
countries with an emphasis on the core areas of imf responsibility assessing their economic and financial policies providing
financing where needed and building capacity in key areas of economic policy
