concepts that exist in hindu literature supplemented with a dictionary of individual demons for ready reference besides the well known rakshasas and asuras the author also reveals a densely populated world of lesser known but equally fascinating demonic creatures andhaka blind darkness conceived when parvati playfully covered shiva s eyes and the world was plunged into darkness gajamukha the elephant faced demon who was transformed into a mouse by ganesha and then converted into his vehicle jambha the demon leader who snatched the pot of immortal nectar from the ocean during the great churning maya the demonic equivalent of vishvakarma architect of the gods who built the three cities of tripura and putana the demon who tried to kill krishna by suckling him with poisoned breasts male or female human animal plant or simply a concept demons play a pivotal role in our mythical traditions blending insightful erudition and lively description nanditha krishna brings to life the traits and actions of a host of complex colourful monstrous and intriguing demons that inhabit indian religion and mythology

## **The Routledge Dictionary of Gods and Goddesses, Devils and Demons**

2004

dictionary n a malevolent literary device for cramping the growth of a language and making it hard and inelastic this dictionary however is a most useful work bierce s groundbreaking devil s dictionary had a complex publication history started in the mid 1800s as an irregular column in californian newspapers under various titles he gradually refined the new at the time idea of an irreverent set of glossary like definitions the final name as we see it titled in this work did not appear until an 1881 column published in the periodical the san francisco illustrated wasp there were no publications of the complete glossary in the 1800s not until 1906 did a portion of bierce s collection get published by doubleday under the name the cynic s word book the publisher not wanting to use the word devil in the title to the great disappointment of the author the 1906 word book only went from a to l however and the remainder was never released under the compromised title in 1911 the devil s dictionary as we know it was published in complete form as part of bierce s collected works volume 7 of 12 including the remainder of the definitions from m to z it has been republished a number of times including more recent efforts where older definitions from his columns that never made it into the original book were included due to the complex nature of copyright some of those found definitions have unclear public domain status and were not included this

edition of the book includes however a set of definitions attributed to his one and only demon s dictionary column including bierce s classic definition of a the first letter in every properly constructed alphabet bierce enjoyed quoting his pseudonyms in his work most of the poetry dramatic scenes and stories in this book attributed to others were self authored and do not exist outside of this work this includes the prolific father gassalasca jape whom he thanks in the preface jape of course having the definition a practical joke this book is a product of its time and must be approached as such many of the definitions hold up well today but some might be considered less palatable by modern readers regardless the book s humorous style is a valuable snapshot of american culture from past centuries

the devil s dictionary is a satirical dictionary written by american journalist and author ambrose bierce originally published in 1906 as the cynic s word book it features bierce s witty and often ironic spin on many common english words retitled in 1911 it has been followed by numerous unabridged versions compiled after bierce s death which include definitions absent from earlier editions the devil s dictionary began as a serialized column during bierce s time as a columnist for the san francisco news letter a small weekly financial magazine founded by frederick marriott in the late 1850s although a serious magazine aimed at businessmen the news letter contained a page of informal satirical content titled the town crier bierce hired as the crier s editor in december 1868 wrote satire with such irreverence and lack of inhibition he was nicknamed the laughing devil of san francisco bierce resigned from the town crier when and spent three years in london returning to san francisco in 1875 he made two submissions to the news letter in hopes of regaining his old position both were written under aliases one entitled the demon s dictionary contained bierce s definitions for 48 words later forgotten in his

compiling of the devil s dictionary they were added almost a century later to an enlarged devil s dictionary published in 1967 though bierce s preface to the devil s dictionary dates the earliest work to 1881 its origins can be traced to august 1869 short of material and recently possessed of a webster s unabridged dictionary he suggested writing a comic dictionary for the town crier to a quote from webster s entry for vicegerents kings are sometimes called god s vicegerents he added the italicized rejoinder it is to be wished they would always deserve the appellation then suggested webster might have used his talent to comic effect comic definitions were not a regular feature of bierce s next column prattle in the magazine the argonaut of which he became an editor in march 1877 nevertheless he included comic definitions in his columns dated november 17 1877 and september 14 1878 it was in early 1881 that bierce first used the title the devil s dictionary while editor in chief of another weekly san francisco magazine the wasp the dictionary proved popular and during his time in this post 1881 86 bierce included 88 installments each comprising 15 20 new definitions n 1887 bierce became an editor of the san francisco examiner and introduced the cynic s dictionary this was to be the last of his dictionary columns until 1904 and it continued irregularly until july 1906 a number of the definitions are accompanied by satiric verses many of which are signed with comic pseudonyms such as salder bupp orm pludge and father gassalasca jape s j
