Martin Luther

2017

the 31st of october 2017 marks the 500th anniversary of martin luther pinning his 95 theses or reform proposals to the door of his local university church in wittenberg most scholars now agree that the details of this eye catching gesture are more legend than hammer and nails but what is certainly true is that on this day probably in a letter to his local archbishop in mainz the augustinian friar and theologian issued an outspokenly blunt challenge to his own catholic church to reform itself from within especially over the sale of indulgences which ultimately precipitated a huge religious and political upheaval right across europe and divided mainstream christianity ever after a new popular biography from journalist peter stanford looking at martin luther from within his catholic context examining his actual aims for catholicism as well as his enduring legacy and where he might fit within the church today

Martin Luther

2017-03-16

a compelling biography of one of the greatest men of the modern age stanford is particularly brilliant on the tensions inside luther s private and spiritual life this is a very fine book written with a flourish melvyn bragg the 31st of october 2017 marks the 500th anniversary of martin luther pinning his 95 theses or reform proposals to the door of his local university church in wittenberg most scholars now agree that the details of this eye catching gesture are more legend than hammer and nails but what is certainly true is that on this day probably in a letter to his local archbishop in mainz the augustinian friar and theologian issued an outspokenly blunt challenge to his own catholic church to reform itself from within especially over the sale of indulgences which ultimately precipitated a huge religious and political upheaval right across europe and divided mainstream christianity ever after a new popular biography from journalist peter stanford looking at martin luther from within his catholic context examining his actual aims for catholicism as well as his enduring legacy and where he might fit within the church today peter stanford makes the life of luther into a thrilling narrative told from a modern catholic perspective antonia fraser

Martin Luther and His Legacy: A Perspective on 500 Years of Reformation

2017

the year 2017 marks the 500th anniversary of the beginning of the reformation on this occasion the council of lutheran churches in great britain presents martin luther and his legacy to tell the story of the development of lutheran communities in the uk this historical survey takes the reader through 500 years of lutheranism concluding with a picture of the lutheran church as it exists in great britain today

Martin Luther

2011-11-08

martin luther was so angered by the sale of indulgences pardons for sins granted by the pope that in 1517 he nailed ninety five arguments for reform of the roman catholic church to the doors of the church and the castle at wittenberg this act began one of the most momentous periods of change in history the reformation so much has been written on luther that anyone with no prior knowledge wishing to find out about him is bound to be confronted with the question where do i start this book is an introduction succinct and readable but historically sound it covers or summarises luther s major works and the main events of his life it invites the reader to meet him at his study desk in the lecture hall in the pulpit and at the dinner table because it is based on luther s own writings the reader can be sure that this is the real luther the genuine article not an account influenced by the author s own views or bias

A People's Tragedy

2020-11-26

as an authority on the religion of medieval and early modern england professor eamon duffy is preeminent in his revisionist masterpiece the stripping of the altars duffy opened up new areas of research and entirely fresh perspectives on the origin and progress of the english reformation duffy s focus has always been on the practices and institutions through which ordinary people lived and experienced their religion but which the protestant reformers abolished as idolatry and superstition the first part of a people s tragedy examines the two most important of these institutions the rise and fall of pilgrimage to the cathedral shrines of england and the destruction of the monasteries under henry viii as exemplified by the dissolution of the ancient anglo saxon monastery of ely in the title essay of the volume duffy tells the harrowing story of the elizabethan regime s savage suppression of the last catholic rebellion against the reformation the rising of the northern earls in 1569 in the second half of the book duffy considers the changing ways in which the reformation has been thought and written about the evolution of catholic portrayals of martin luther from hostile caricature to partial approval the role of historians of the reformation in the emergence of english national identity and the improbable story of the twentieth century revival of anglican and catholic pilgrimage to the medieval marian shrine of walsingham finally he considers the changing ways in which attitudes to the reformation have been reflected in fiction culminating with hilary mantel s gripping trilogy on the rise and fall of henry viii s political and religious fixer thomas cromwell and her controversial portrayal of cromwell s catholic opponent and victim sir thomas more

Dictionary of World Biography

2018-05-02

barry jones dictionary of world biography weaves historical facts with perspective on the subjects and the influence they had on theirs and on modern times gain a unique insight into the life and times of important identities cultural icons and controversial characters

Twin Populist Reform Warriors 500 Years Apart

2023-08-14

similarities between playboy donald trump and holy man martin luther scandalized by such a thought through the rediscovery of the gospel the great reformer realized he was the object of god s love not his anger and wrath both luther and trump understood that god s ways are not always our ways and that god can choose and work through sinners neither twin understood themselves to be saints but were free to be themselves they are gifted yet flawed human beings driven by optimistic visions of what the church and state should be drawing insights from history scripture and theology swartz illustrates numerous similarities in his twins separated by five centuries the times events and circumstances they encountered exhibit uncanny parallelisms elite establishments social media swamps walls and plagues even more striking is how their political stance and personal traits mirror each other coarse and filthy speech pugnacious reactions and use of derisive nicknames there s also a resemblance in their spouses as they became the maligned housewives of the black cloister and the white house

Research Handbook on Interdisciplinary Approaches to Law and Religion

2019

following 9 11 increased attention has been given to the place of religion in the public sphere across the world law and religion has developed as a sub discipline and scholars have grappled with the meaning and effect of legal texts upon religion the questions they ask however cannot be answered by reference to law alone therefore their work has increasingly drawn upon work from other disciplines this research handbook assists by providing introductory but provocative essays from experts on a range of concepts perspectives and theories

from other disciplines which can be used to further law and religion scholarship

Pope Francis, Politics and the Mabanta Boy

2019-05-21

pope francis politics and the mabanta boy is sheka tarawalie s autobiography tracing his early life in sierra leone through imprisonment and being declared a wanted man before his exile to the uk the book also remembers his political appointment working through continual conflict and confrontation with his government colleagues and the president who appointed him sheka still managed to be within the system for several years and at the same time make landmark inputs in addition while recounting the circumstances of his meeting with pope francis at the vatican in his official capacity sheka delves into the history of the church the powers of the pope the child sex abuse scandals even the historical sins of the crusades the transatlantic slave trade and the sale of indulgences which led to the reformation a book that is likely to stir debate pope francis politics and the mabanta boy goes on to confront the many delicate issues around contemporary islamic fundamentalism al qaeda and islamic state

What We Talk about when We Talk about Faith

2018-03-22

interviews with people of faith including sara maitland sister wendy beckett delia smith the revd richard coles dermot o leary cherie blair archbishop desmond tutu bronwen astor amos oz nick cave peter stanford has been interviewing people of faith during his thirty five years as a journalist at national papers including the daily telegraph the independent and the guardian as well as for the church press what fascinates him in such conversations is how creating a space to talk unguardedly about faith unlocks so much more what shaped and continues to shape the public and private lives of high profile names how those values connect with the work they are best known for and why they believe the search for faith makes them who they are this collection of the best of his interviews some with household names others with those not so immediately familiar but all people of achievement with a resonant story to tell aims to lift the lid on a topic that has become increasingly marginalised in the public square of our increasingly secular and sceptical society where to do god can feel like breaking a taboo put together the 44 subjects collectively demonstrate that rather than being all about doctrine and dogma there are as many ways of exploring faith as there are individuals currently doing it these intriguing interviews with activists writers and artists politicians rebels and those who have taken vows will appeal to committed believers those on the fringes of faith and those who look in from the outside with curiosity

Angels

2019-03-07

an intriguing exploration of the many roles that angels have played in spiritual life the sunday times nick rennison in a 2016 poll one in 10 britons claimed to have experienced the presence of an angel while one in three remain convinced that they have a guardian angel these are huge numbers and mean that on some counts angels are doing better than god in the secular sceptical post christian world of the west continuing faith in angels is both anomaly and comfort but what exactly are angels and why have so many in different times and contexts around the globe believed in them what is their history and role in the great faiths and beyond their walls are angels something real a manifestation of divine concern or part of the poetry of religion and can they continue to illuminate a deeper truth about human existence and the cosmos these are not new questions they have been asked over millennia right up to the present day as writer journalist and broadcaster peter stanford explores in angels his latest investigation into the history theology and cultural significance of religious ideas there is no better navigator through the space in which art culture and spirituality meet than peter stanford cole moreton independent on sunday

The Great Legal Reformation

2017-09-13

it's refreshing that this book does not simply look to advances in technology and artificial intelligence as the cause or the future of the great legal reformation through in depth case studies and vignettes mitch kowalski takes us on a tour to meet some of the trailblazers breaking the legal service provider mould allowing us to eavesdrop on his conversations with them this is not a glimpse into the future of how he and others might see the legal world developing as the great legal reformation unfolds this is insight into the here and now into what these innovators have already envisioned and achieved these are the platforms from which yet further innovation and re formation of the market will be driven from the power and opportunity of regulatory change to enable structural change access to capital and the participation of people who happen not to be lawyers through the need to focus on efficiency continuous improvement process and project management to the enduring value of vision culture values leadership energy and employee engagement these studies and conversations inform reveal and challenge they do not present the new world through rose tinted glasses or deny the existence of risk the story of slater gordon's mixed fortunes is testament to that but they do show a different way of thinking and acting whether lawyers like it or not these are initiatives that buyers of legal services welcome stephen mayson strategic advisor to law departments legal services providers and regulators this is an indispensable handbook for any aspiring legal innovator a well researched accessible and fascinating collection of dispatches from the cutting edge of legal business professor richard susskind obe author of tomorrow's lawyers mitch kowalski shows us what the new professional world actually does look like he takes us on a tour of great britain australia and the united states and introduces us to lawyers in big firms and small serving clients both private and public the picture that emerges is of a new breed of legal service provider that embraces entrepreneurship teamwork and technology in a way that seems both unfamiliar and obvious to all lawyers dr ian holloway pc qc professor and dean of law the university of calgary this book will either give you hope or a much needed kick in the pants either way it's a win win stephen allen legal innovator hogan lovells mitch kowalski does it again diving deep inside some of the world's most innovative legal providers mitch discovers the future of law in the present a must read for anyone involved in the legal profession john chisholm leading australian legal commentator and advisor

Greek Eyes on Europe

2022-03-21

this is the first complete english translation of a lively travelogue written by andronikos aka nikandros noukios a greek from corfu who accompanied a diplomatic mission from venice to england in the middle of the sixteenth century he describes some of the great northern italian cities gives vivid impressions of picturesque germany of sober but enthusiastic lutheran church services and of cities on the rhine in the low countries he visits the commercial centres and in england gives a real sense of the excitement of london and its sights he rather liked the english even giving a recipe for beer and is clearly fascinated by henry viii his attacks on the monasteries and his break with rome he then surprisingly joins up with a troop of greek mercenaries but finally leaves them and returns to italy through france with glimpses of fontainebleau and francis i we leave andronikos after he has visited rome on his way back to venice the book is an almost unknown source for the sixteenth century and will certainly be of interest to historians and students it is also an important and little known landmark in the development of modern greek literature especially relevant to the burgeoning modern interest in travel writing it is accessible and a good read

If These Stones Could Talk

2021-10-14

a heavenly book elegant and thoughtful get one for yourself and one for the church crawler in your life lucy worsley christianity has been central to the lives of the people of britain and ireland for almost 2 000 years it has given us laws customs traditions and our national character from a persecuted minority in roman britannia through the golden age of anglo saxon monasticism the devastating impact of the vikings the alliance of church and state after the norman conquest to the turmoil of the reformation that saw the english monarch replace the pope and the puritan commonwealth that replaced the king it is a tangled tumultuous story of faith and achievement division and bloodshed in if these stones could talk peter stanford journeys through england scotland wales and ireland to churches abbeys chapels and cathedrals grand and humble ruined and thriving ancient and modern to chronicle how a religion

that began in the middle east came to define our past and shape our present in exploring the stories of these buildings that are still so much a part of the landscape the details of their design the treasured objects that are housed within them the people who once stood in their pulpits and those who sat in their pews he builds century by century the narrative of what christianity has meant to the nations of the british isles how it is reflected in the relationship between rulers and ruled and the sense it gives about who we are and how we live with each other there is no better navigator through the space in which art culture and spirituality meet than peter stanford cole moreton independent on sunday

We Count, We Matter

2018-02-05

this book examines the meaning of brexit the election of trump and the rising tide of populist revolt on the right amidst the collapse of the left exploring the reaction against the establishment or the system the author contends that we are witnessing a new divide between those who wish to see an interconnected world and those who seek distance as transport and technology shrink the world we witness a backlash that favours protectionism and opposes immigration distance is the new frontier for some remote players are rejected in favour of identities closer to home this divide plays out in relation to the notion of face as individuals react to faceless organisations and processes such as globalisation and automation responding to a sense of alienation on social media and developing a conception of themselves as networked individuals thus we move towards a type of society characterised not by honour and dishonour or right and wrong but by voice and choice a fascinating and very accessible analysis of the divisions and transformations that have come to dominate the contemporary landscape this book will appeal to political leaders and social scientists with interests in globalisation social movements and social theory

The Palace

2023-12-05

a riotously readable tender and affectionate daily mail london exploration of five hundred years of british history from king henry viii to queen elizabeth ii as seen through the doorways of the exquisite hampton court palace architecturally breathtaking and rich in splendid art and décor hampton court palace has been the stage of some of the most important events in british history such as the commissioning of king james s version of the bible the staging of many of shakespeare s plays and queen elizabeth ii s coronation ball the palace takes us on an entertaining journey into the past kirkus reviews as it reveals the ups and downs of royal history and illustrates what was at play politically socially and economically at the time an engaging and charming history book that is perfect for fans of alison weir philippa gregory and andrew lownie the palace makes you feel as if you were in the room as history was made

An Islamic Reformation?

2004

over the last two decades we have seen a vast number of books published in the west that treat islamic fundamentalism as a rising threat to the western values of secularism and democracy in the last decade scholars began proclaiming an existent or emerging clash between east and west islam and christianity or in the case of benjamin r barber jihad and mcworld more recently some western scholars have offered another interpretation focusing on the work of contemporary muslim intellectuals these scholars have begun to argue that what we are witnessing in islamic contexts is tantamount to a reformation an islamic reformation attempts to evaluate this claim through the work of emerging and top scholars in the fields of political science philosophy anthropology religion history and middle eastern studies the overall goal of this volume is to question the impact of various reformist trends throughout the middle east are we witnessing a growth in fundamentalism or the emergence of an islamic reformation what does religious practice in this region reflect what is the usefulness of approaching these questions through christian islamic and west east dichotomies unique in its focus and scope an islamic reformation represents an emerging vanguard in the discussion of islamic religious heritage and practice and its effect on world politics

Dissident Legacies of Samizdat Social Media Activism

2021-07-23

this book tells the story of the dissident imaginary of samizdat activists the political culture they created and the pivotal role that culture had in sustaining the resilience of the oppositional movement in poland between 1976 and 1990 this unlicensed print culture has been seen as one of the most emblematic social worlds of dissent since the cold war the audacity of harnessing obsolete print technology known as samizdat to break the modern monopoly of information of the party state has fascinated many yet this book looks beyond the cold war frame to reappraise its historical novelty and significance what made that culture resilient and rewarding this book argues was the correspondence between certain set of ideas and media practices namely the form of samizdat social media which both embodied and projected the prefigurative philosophy of political action asserting that small forms of collective agency can have a transformative effect on public life here and now and are uniquely capable of achieving a democratic new beginning this prefigurative vision of the transition from communism had a fundamental impact on the broader oppositional movement yet while both the rise of solidarity and the breakthrough of 1989 seemed to do justice to that vision both pivotal moments found samizdat social media activists making history that was not to their liking back in the day their estrangement was overshadowed by the main axis of contention between the society and the state foregrounding the internal controversies they protagonized this book adds nuance to our understanding of the broader legacy of dissent and its relevance for the networked protests of today

Dissident Rabbi

2019-08-06

in 1665 as jews abandoned reason for the ecstasy of enthusiasm for self proclaimed messiah sabbetai zevi jacob sasportas watched in horror dweck tells the story of the sephardic rabbi who challenged sabbetai zevi s improbable claims and warned his fellow jews that their messiah was not the answer to their prayers

Lucas Malet, Dissident Pilgrim

2019-02-06

popular novelist female aesthete victorian radical and proto modernist lucas malet mary st leger harrison 1852 1931 was one of the most successful writers of her day yet few of her remarkable novels remain in print malet was a daughter of the broad church priest and well known victorian author charles kingsley her sister rose uncle henry kingsley and her cousin mary henrietta kingsley were also published authors malet was part of a creative dynasty from which she drew inspiration but against which she rebelled both in her personal life and her published work this collection brings together for the first time a selection of scholarly essays on malet s life and writing foregrounding her contributions to nineteenth and twentieth century discourses surrounding disability psychology religion sexuality the new woman and decadent aesthetic and modernist cultural movements the essays contained in this volume explore malet s authorial experience from both within the mainstream of the british literary tradition and curiously from outside it supplementing and nuancing current debates about fin de siècle women s writing the collection asks the question who was lucas malet and how despite its popularity did her courageous unique and fascinating writing disappear from view for so long

Dissident Philosophers

2021-11-19

the book consists of sixteen essays and an introduction from prominent philosophers who are at odds with the predominant political trend s of academic philosophy political trend s primarily associated with leftism some of these philosophers identify explicitly with the political right an admittedly broad term which ranges from american conservative to british tory

from religious right to non religious right from libertarian to authoritarian yet other dissident philosophers eschew the left right dichotomy altogether while maintaining a firm political distance from the majority of their left leaning colleagues the primary goal of the volume is to represent a broad constituency of political philosophies and perspectives at variance with the prevailing political sentiments of the academy each essay is partly autobiographical in nature detailing personal experiences that have influenced these philosophers throughout their lives and partly philosophical putting forth reflections on the intellectual viability of a right leaning or decidedly non left leaning political philosophy or some segment of it the contemporary university is supposed to be the locus of viewpoint diversity and yet as is evident to professors students and virtually anyone else who sets foot within its halls it most certainly is not particularly in matters political nevertheless these essays are not instances of special pleading or grievance incitement instead each article provides a glimpse into the life of an academic philosopher whose views have largely been at odds with peers and colleagues furthermore all of the essays were consciously constructed with the aim of being philosophically rigorous while eschewing technical language and verbose prose in short the essays will be enjoyable to a wide audience

Dissident Identities in the Early Modern Low Countries

2016-12-05

alastair duke has long been recognized as one of the leading scholars of the early modern netherlands known internationally for his important work on the impact of religious change on political events which was the focus of his reformation and revolt in the low countries 1990 bringing together an updated selection of his previously published essays together with one entirely new chapter and two that appear in english here for the first time this volume explores the emergence of new political and religious identities in the early modern netherlands firstly it analyses the emergence of a common identity amongst the amorphous collection of states in north western europe that were united first under the rule of the valois dukes of burgundy and later the habsburg princes and traces the fortunes of this notion during the political and religious conflicts that divided the low countries during the second half of the sixteenth century a second group of essays considers the emergence of dissidence and opposition to the regime and explores how this was expressed and disseminated through popular culture finally the volume shows how in the age of confessionalisation and civil war challenging issues of identity presented themselves to both dissenting groups and individuals taken together these essays demonstrate how these dissident identities shaped and contributed to the development of the netherlands during the early modern period

Heroínas de la reforma

2023-07-20

la reforma cobra vida con estas historias de fe aventura y amor las ocho mujeres que aparecen en estas historias no solo fueron heroínas sino que también fueron seres humanos de carne y hueso que tuvieron miedos y entusiasmos dudas y tentaciones no fueron perfectas pero el lector es tocado e inspirado por su fe creciente y por su disposición a sufrir por ella

The Tailor-King

2011-04-01

he was only a dutch tailor s apprentice but from 1534 to 1535 jan van leyden led a radical sect of persecuted anabaptists to repeated triumphs over the combined powers of church and state revered by his followers as the new david the charismatic young leader pronounced the northern german city of muenster a new zion and crowned himself king he expropriated all private property took sixteen wives supposedly emulating the biblical patriarchs and in a deadly reign of terror executed all who opposed him as the long siege of muenster resulted in starvation thousands fled jan s deadly kingdom while others waited behind the double walls and moats for the apocalyptic final attack by the prince bishop s hired armies supported by all the rulers of europe with the sudden rise to power of a compelling personality and the resulting violent threat to ordered society jan van leyden s distant story strangely echoes the many tragedies of the twentieth century more than just a fascinating human drama from the past the tailor king also offers insight into our own troubled times

Social Media and Digital Dissidence in Zimbabwe

2022-08-29

this book proposes a new theorisation when studying cyber dissidents in an african digital sphere it argues that social media dissidents are a recent development in a long lineage of dissidents in african societies using zimbabwe as a case study the study locates contemporary dissidents in the same family with other historical dissident figures found in african orature the chimurenga wars through music poetry and other forms of expression the book argues against techno deterministic approaches to studying social media born digital dissidence in africa it is aimed at scholars dedicated to studying social media movements in african contexts and the global south generally prompting them to re evaluate their earlier conclusions and adopt a more nuanced and contextspecific approach

Stewardship Economy 6: Property rights

2024-05-29

julian pratt 1948 2018 worked as a doctor in rural south africa in 1975 and observed the factors contributing to the pattern of disease he realised how the grossly unequal distribution of land for agriculture was having a devastating impact on people s health and nutrition the consequences of poverty and the need for migrant labour as a result he became passionate about land reform and pursued this interest for the next 40 years he researched proposed and campaigned for a radical approach to the market economy one which would replace private ownership of land with a system he described as stewardship following his time in africa julian became a gp in sheffield increasingly interested in systems of care in 1993 he moved to the king s fund in london a health policy think tank he wrote a book which reflected on the emerging model of general practice practitioners and practices a conflict of values 1995 and with colleagues there he developed a whole systems approach to improving healthcare which drew on complexity theory and viewed organisations as living systems described in working whole systems putting theory into practice in organisations 1999 in 2011 he published stewardship economy private property without private ownership the book sets out his vision for stewardship a new type of property right for land and other natural resources under stewardship those using land stewards have exclusive rights to use the land and in return they pay a stewardship fee land value tax these fees would in time replace other taxes to fund public services and a universal basic income from 2011 18 he researched the detailed work that formed the subsequent books published in 2021

Martin Luther's Theology of Two Kingdoms in Buddhist and Christian Communities

2006-06-01

socially engaged religion teaches that people of faith have a responsibility to address and reduce suffering in all its forms both physical and spiritual including suffering resulting from social injustice exploitation oppression false faith and so forth true religion engages with society to alleviate suffering and bring transformation in other words religious violence is an obscenity a deviation from the true character of religion martin luther s theology of two kingdoms in buddhist and christian communities examines the principle of separation between religion and politics in the context of both buddhist and christian communities in predominantly buddhist contexts such as myanmar where a reciprocal relationship between religion and politics is expected separation is not effective attempts by christians to separate religion and politics cause the church to run away from tyranny and follow the state with blind obedience martin luther s model of two distinct but interconnected systems for religion and politics creates space for each institution to give constructive advice and criticism to the other for the health of all human beings

Dissident Discipleship

2017-09-29

we all want to improve our spiritual lives but the task often can seem overwhelming and while there is no shortage of self help gurus hawking their wares not enough christians are making meaningful progress toward a deeper relationship with god now best selling author david augsburger reveals the life giving nature of surrender and service in dissident discipleship moving beyond self centered therapies and lone ranger spirituality augsburger reveals that our spiritual lives will grow when we look outside of ourselves and lay down our lives in service to god and neighbor anyone interested in the topic of spiritual growth from pastors to counselors will be sure to welcome augsburger s balanced approach

The Counter-Reformation

2020-07-15

modern scholarship has effectively demonstrated that far from being a knee jerk reaction to the challenges of protestantism the catholic reformation of the sixteenth and seventeenth centuries was fuelled primarily by a desire within the church to reform its medieval legacy and to re enthuse its institutions with a sense of religious zeal in many ways both the protestant and catholic reformations were inspired by the same humanist ideals and though ultimately expressed in different ways the origins of both movements can be traced back to the patristic revival of the fifteenth and sixteenth centuries nevertheless it is undeniable that many contemporaries and subsequent historians came to view the catholic reformation as an attempt to challenge the protestants and to cut the ground from beneath their feet in this new revised edition of dr wright s groundbreaking study of the counter reformation the wide panoply of the catholic reformation is spread out and analysed within the political religious philosophical scientific and cultural context of late medieval and early modern europe in so doing this book provides a fascinating guide to the many doctrinal and interrelated social issues involved in the wholesale restructuring of religion that took place both within western europe and overseas

Killing for God

2024-06-20

given the extremely high cost of overseas military operations today the author offers readers scholarly insights as to what motivates kingdoms countries and groups to engage in religious conflict beginning with those found in the hebrew bible to do this he analyzes three related religions judaism christianity and islam to determine their similarities and differences regarding the killing of people the areas of conflict analysis include fundamentalism proselytization sacrifice to include martyrdom and revenge to include genocide the insights of preeminent religious and political scholars are integrated into this comprehensive analysis of conflict involving religion leading to an answer to the ultimate question is the killing worth it

Understanding Terrorism

Terrorism

2021-04-16

a comprehensive investigation of modern terrorism and the global terrorist environment topics discussed include the causes of terrorism the role of the media cyberterrorism religious terrorism and the future of terrorism

The Reformation

2016-09-20

martin luther s nailing of the ninety five theses on the church door at wittenberg was a pivotal moment in the birth of what would become known as the reformation more than five hundred years later historians and theologians continue to discuss the impact of these events and their ongoing relevance for the church today the collection of essays contained in this volume not only engages the history and theology of this sixteenth century movement but also focuses on how the message and praxis of the protestant reformers can be translated into a post christendom west

The Dance of the Dissident Daughter

2000

a masterpiece of women s wisdom christiane northrup m d the journey to capture her feminine soul and live authentically makes a fascinating well researched and well written story publishers weekly in celebration of the twentieth anniversary of its publication a newly reissued edition of the bestselling author s classic work of feminine spiritual discovery with a new introduction by the author i was amazed to find that i had no idea how to unfold my spiritual life in a feminine way i was surprised and in fact a little terrified when i found myself in the middle of a feminist spiritual reawakening sue monk kidd for years sue monk kidd was a conventionally religious woman then in the late 1980s she experienced an unexpected awakening and began a journey toward a feminine spirituality with the exceptional storytelling skills that have helped make her name kidd tells her very personal story of the fear anger healing and freedom she experienced on the path toward the wholeness that many women have lost in the church from a jarring encounter with sexism in a suburban drugstore to monastery retreats and to rituals in the caves of crete she reveals a new level of feminine spiritual consciousness for all women one that retains a meaningful connection with the deep song of christianity embraces the sacredness of ordinary women s experience and has the power to transform in the most positive ways every fundamental relationship in a woman s life her marriage her career and her religion

Encyclopedia of European Social History from 1350 to 2000

2013-07-25

by examining the values ideas and social and political movements of people from all over europe this encyclopedia illuminates the underlying framework of its vast and colourful social history

Heidegger's Eschatology

2016-11-17

heidegger s eschatology is a ground breaking account of heidegger s early engagement with theology from his beginnings as an anti modernist catholic to his turn towards an undogmatic protestantism and finally to a resolutely a theistic philosophical method the book centres on heidegger s developing commitment to an eschatological vision derived from theological sources but reshaped into a central resource for the development of an atheistic phenomenological account of human existence this vision originated in heidegger s attempt in the late 1910s to formulate a phenomenology of religious life that would take seriously the inherent temporality of human existence in this endeavour heidegger turned to two trends in protestant scholarship the discovery of eschatology as a central preoccupation of the early church by a schweitzer and the history of doctrine school and the existential eschatology of karl barth and eduard thurneysen indebted to kierkegaard dostoevsky and franz overbeck his synthesis of such trends within a phenomenological framework elaborated primarily via readings of paul and augustine in his lecture courses of 1921 2 led heidegger to postulate an existential sense of eschatological unrest as the central characteristic of authentic christian

existence his description of this expectant restlessness however was now inescapably at odds with its christian sources since heidegger s commitment to a phenomenological description of the human situation led him to abstract the existential experience of expectation from its traditional object the blessed hope for the kingdom of god christian hope thus for heidegger no longer constitutes but rather negates eschatological unrest because such hope projects an end to that unrest and thus to authentic existence itself against the christian vision heidegger therefore develops a systematic eschatology without eschaton paradigmatically expressed as being unto death judith wolfe tells the story of his re conception of eschatology using a wealth of primary and newly available original language sources and offering in depth analysis of heidegger s relationship to theological tradition and the theology of his time

Chronologica

1981

compiled by the team behind whitaker s almanack chronologica is a fascinating journey through time from the foundation of rome to the creation of the internet along the way are tales of kings and queens hot air balloons comets and monkeys in space travel through 100 of the most incredible years in world history and learn why being a roman emperor wasn t always as good as it sounds how the hundred years war didn t actually last for 100 years and why spencer perceval holds a rather unfortunate record chronologica is an informative and entertaining glimpse into history beautifully illustrated and full of incredible facts while chronologica tells the stories of famous people in history such as thomas edison and alexander the great this books also recounts the lives of lesser known individuals including the explorer mungo park and sculptor gutzon borglum this historical compendium is certain to entertain readers young and old and guaranteed to present even the biggest history buff with something new

The Saturday Evening Post

2003-09

the story of the waldensians faith and commitment begins in the late twelfth century when the followers of peter waldo chose to ignore the church s decree against preaching without authority condemned for heresy they left the city of lyon and wandered the european countryside ruthlessly suppressed by the inquisition and medieval crusades their clandestine movement was reduced to a few enclaves by the time protestant reformers from switzerland arrived at their foremost settlements in the cottian alps between france and italy the basic compatibility between the pre reformation beliefs of the waldensians and the ideas of the swiss reformers eventually led to their adoption of the calvinist form of reformed protestantism however by affirming their new faith they became a conspicuous target for the forces of the counter reformation torture imprisonment exile and martyrdom all became part of the heritage of the small but vibrant waldensian reformed church that arose in the 1500s the survival of the waldensians down to the present despite the numerous attempts to destroy their traditions and beliefs is testimony that all things are possible through faith

The Waldensian Way to God

2007

a series of linked studies of european print culture of the sixteenth century focusing particularly on france and the regional provincial experience of print
