d h lawrence and nine women writers sheds fresh light on how a number of women writers of his time and our own reacted in their thinking and writing to d h lawrence s unbridled individualism sensitive genius creative energy and his sometimes infuriating misogynistic resentments critic and scholar leo hamalian explores the ways that the sensibilities of nine important women writers were both extensively and profoundly influenced by the english author s fiction poetry criticism and self styled polyanalytics

hamalian s series of comparative readings is illuminating they demonstrate clearly that the hard questions of ideology subject matter and style which engaged lawrence throughout his turbulent career continued to challenge a number of women writers who were grappling with these issues from another vantage point through skeptical of some of lawrence s theories these writers valued the dynamic aspects of lawrence s creativity especially his emphasis on consciousness of wider meanings rather than character on symbol rather than narrative although he was a masterful storyteller they realized that his intensely conceived and evocatively concentrated scenes could be turned into a highly rewarding technique for suggesting the emotional conflicts and moral dilemmas of their own characters his primitivist philosophy struck them as healthy and his sensitivity as a kind of appealing vulnerability book jacket title summary field provided by blackwell north america inc all rights reserved

Bad Girls Throughout History: 100 Remarkable Women Who Changed the World delivers an empowering book for women and girls of all ages featuring 100 women who made history and made their mark on the world. It's a best-selling book you can be proud to display in your home. The 100 revolutionary women highlighted in this gorgeously illustrated book were bad in the best sense of the word: they challenged the status quo and changed the rules for all who followed. Explored in this history book include Aphra Behn, first female professional writer; Sojourner Truth, women's rights activist and abolitionist; Ada Lovelace, first computer programmer; Marie Curie, first woman to win the Nobel Prize; Joan Jett, Godmother of Punk; from pirates to artists, warriors, daredevils, women in science, activists, and spies, the accomplishments of these incredible women who dared to push boundaries vary as much as the eras and places in which they effected change. Featuring bold watercolor portraits and illuminating essays by Ann Shen, *Bad Girls Throughout History* is a distinctive gift, worthy tribute to rebel girls everywhere, a lovely gift for teen girls, stories to share with a young girl at bedtime, or a book to display on a coffee table. Everyone will enjoy learning about and celebrating the accomplishments of these phenomenal women.

gina barreca is fed up with women who lean in but don't open their mouths in her latest collection of essays she turns her attention to subjects like bondage which she notes now seems to come in fifty shades of grey and has been renamed spanx she muses on those lessons learned in kindergarten that every woman must unlearn like not having to hold the hand of the person you're waking next to especially if he's a bad boyfriend or needing to have milk cookies and a nap every day at 3:00 pm which tends to sap one's energy not to mention what it does to one's waistline she sounds off about all those things a woman hates to hear from a man like calm down or next time try buying shoes that fit if you lean in will men just look down your blouse is about getting loud getting love getting ahead and getting the first draw or the last shot here are tips lessons and bold confessions about bad boyfriends at any age about friends we love and ones we can't stand anymore about waist size and wasted time about panic placebos placentas and certain kinds of not so adorable paternalism attached to certain kinds of politicians the world is kept lively by loud women talking and if you lean in will men just look down your blouse cheers and challenges those voices to come together and speak up you think she's kidding oh boy do you have another thing coming
