teaching literature unit based on the popular children s story little house in the big woods miroslava chávez garcía digs into long forgotten files and humanizes the forgotten victims of injustice states of delinquency exposes the hidden racial dynamics of california s juvenile justice system and makes us re think the history of the child saving movement tony platt author of the child savers the invention of delinquency impressively researched and passionately argued states of delinquency shows how racial prejudice and bogus social science reshaped early twentieth century juvenile corrections in california chavez garcia recreates both the everyday world of reform schools and the lives of delinquent youth especially minorities who were unfortunate enough to be confined there or worse reassigned to special hospitals for sterilization this book is an innovative disquieting and vividly detailed contribution to historical scholarship on the theory and practice of american juvenile justice steven schlossman author of transforming juvenile justice a fascinating and compelling study that reconstructs the forgotten lives of california s marginalized and criminalized youth states of delinquency illuminates the unsettling history of the juvenile justice system and demonstrates its relevance to the disproportionate incarceration of racial and ethnic minorities today
