~~bimonthly issues to deal with problems directly related to~~
contemporary school leadership practice teach courses on
school leadership and policy use as a quality reference in
writing articles about school leadership and improvement the
journal of school leadership is broadening the conversation
about schools and leadership and is currently accepting
manuscripts we welcome manuscripts based on cutting edge
research from a wide variety of theoretical perspectives and
methodological orientations the editorial team is
particularly interested in working with international authors
authors from traditionally marginalized populations and in
work that is relevant to practitioners around the world
growing numbers of educators and professors look to the six
bimonthly issues to deal with problems directly related to
contemporary school leadership practice teach courses on
school leadership and policy use as a quality reference in
writing articles about school leadership and improvement
several factors have resulted in increased intra and inter
state migration this has led to an increase in the enrollment
of students with diverse linguistics backgrounds placing more
academic demands on educators linguistic diversity presents
both opportunities and challenges for educators across the
educational spectrum language ideologies profoundly shape and
constrain the use of language as a resource for learning in
multilingual or linguistically diverse classrooms while
english has become the world language most communities remain
and are becoming more and more multicultural multilingual and
diverse the handbook of research on teaching in multicultural
and multilingual contexts moves beyond the constraints of
current language ideologies and enables the use of a wide
range of resources from local semiotic repertoires it
examines the phenomenon of language use language teaching
multiculturalism and multilingualism in different learning
areas giving practitioners a voice to spotlight their efforts
in order to keep their teaching afloat in culturally and
linguistically diverse situations covering topics such as
indigenous languages multilingual deaf communities and
intercultural competence this major reference work is an
essential resource for educators of both k 12 and higher
education pre service teachers educational psychologists
