The Tenant's Guerilla Guide To Office Leasing

2004-03

in the real estate world the landlord usually holds the cards it is the landlord who builds or buys the building arranges the financing constructs the interiors as well as hires the leasing agent and property management company the landlord writes the leases and pays for the attorney to avoid the leases being changed the landlord knows exactly how much money he will spend on construction leasing commissions and concessions he knows exactly how much he will spend on operating expenses and exactly how much he will charge the tenants finally in office leasing there is a book designed specifically for the tenant a comprehensive weapon containing all the inside knowledge required to do more than just level the playing field with the landlord but to actually grant the control to the tenant the tenant s guerilla guide to office leasing contains all the inside information to avoid landlord tricks control many costly details and manage a lengthy process

Landlordom the Land of Jekyll and Hyde

2012-11

should i be a landlord to help you answer this question christine shares her knowledge and experiences her book reveals what you must know before you leap do you have the money what type of property is best for you knowing the best way to deal with the tenant the lease and the law are just a few of the valuable tips christine gives you on how to succeed she ll warn you of the traps and treasures of landlordom landlordom the land of jekyll and hyde is sure to educate and entertain the reader in the end you will have a very good idea if being a landlord is something for you or not and if it is how to do it successfully her compelling stories show both sides of the rental world how dealing with tenants can be sometimes jekyll sometimes hyde
