this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant the scottish country house chronicles a remarkable group of houses and castles that have survived the vicissitudes of scotlands turbulent history and are still in the hands of their original families from breakfront cabinets filled with generations of monogrammed heirloom china to canopy beds keeping the chill of a scottish winter at bay to cabbage rose slip covered sofas nestled under tall gothic windows this book takes the reader on a tour of these residences providing an intimate look at a marvellous hotchpotch of rooms and decoration specially commissioned photographs by james fennell show inviting living rooms and tousled bedrooms print lined hallways and well trampled mudrooms telling details capture the eccentric personalities of their owners scottish chieftains lairds and nobles drawn from the pages of walter scott charming decorative details such as a red silk bell pull against green floral wallpaper a drawer full of two hundred year old love letters or the curve of a wonderfully carved antique chair in his anecdotal text james knox tells the tale of the more colourful inhabitants of these homes both past and present the houses are not the instant creation of trendy decorators they have evolved over generations furnished with heirlooms and cherished hand me downs this is a book for lovers of scotland history or decoration this attractive book offers a reinterpretation of the swaggering scottish renaissance country house the author reveals sixteenth century scotland as vivid colourful flamboyant and european thus reversing a cultural heritage using contemporary descriptions archives and documents mixed with reconstructions of buildings this book is a lively read illustrated by portraits gardens interiors and landscapes this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public to ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant excerpt from genealogical memoirs of the scottish house of christie compiled from family papers and the public records in his scottish dictionary dr j amieson conjectures that the scottish word cristie is derived from the danish cmset and mr ferguson is of opinion that the english prefix cm st may be the frankish form of the teutonic mist to brandish a sword l it is more probable we conceive that the surnames christie and christison are derived from the danish baptismal name christian or christigern a few families of the name in the isle of man distinctly claim a norse or danish origin the chief families of the sept may be traced to the north eastern coast about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works this work explores how domestic spaces in scotland their form furnishings and function have been influenced by a range of social economic and personal factors the book approaches the home room by room looking at the history and development of each the changing relationships of public and private space and the interplay of the functional and decorative alec douglas home was an aristocrat who disclaimed his peerage to become prime minister in 1963 this new edition of michael fry s remarkable book charts the involvement of the scots in the british empire from its earliest days to the end of the twentieth century it is a tale of dramatic extremes and craggy characters and of a huge range of concerns from education evangelism and philanthropy to spying on whodunnits and drug networks collective sensing strategies for analytical purposes springer series on chemical sensors and biosensors
