lecciones cristianas tiene como propósito ayudar a las personas adultas hispanas a crecer en su comprensión de la biblia y relación de ésta con la vida lecciones cristianas sigue la serie de las lecciones bíblicas internacionales está escrito especialmente para las iglesias de habla hispana también hay un libro del maestro que provee sugerencias importantes para la enseñanza de cada lección preguntas para discutir y actividades para la clase lecciones cristianas helps hispanic adults grow in their knowledge of the bible and how it relates to their lives lecciones cristianas follows the international lesson series the content of this excellent study is biblical and it is written especially for spanish speaking churches the teacher book provides valuable suggestions for teaching the class discussion questions and class activities

Revista Literaria de El Español

1908

the death of general francisco franco in november of 1975 ended thirty six years of fascist style dictatorship in spain the subsequent transition to liberal parliamentary government was remarkably smooth particularly when compared to the recent difficulties experienced by other states such as the former soviet republics and eastern europe ortiz traces spain s success back to the development of a liberal tradition and a public sphere in the last decades of the 19th century during the restoration period he uses this era as a test case to demonstrate that liberal practices can develop even within a political situation

where state institutions and the social infrastructure do not necessarily support them paper liberals dispels the notion that western europe ends at the pyrenees and argues instead that while on the periphery spain should not be excluded from the mainstream of european history clarifying a period in contemporary spanish history that has been largely misunderstood this study underscores the importance of the spanish example as a comparative model to the countries customarily thought of as the european center britain france and germany ortiz examines the formation and expansion of liberal political culture during the regency of maria christina from 1885 to 1902 and he details the pivotal role of the spanish press which dominated the public sphere of regency spain as the vehicle for this remarkable transformation
