this report is the outcome of a consensus building project to agree on best practices for environmental and nutritional life cycle assessment nlca methodology and identify future research needs the project involved 30 nutritional and environmental lca researchers from 18 countries it focused on the assessment of food items as opposed to meals or diets best practice recommendations were developed to address the intended purpose of an lca study and related modeling approach choice of an appropriate functional unit assessment of nutritional value and reporting nlca results an nlca study should report the quantities of as many essential nutrients as possible and aim to provide information on the nutritional quality and or health impacts in addition to nutrient quantities outstanding issues requiring further research attention include defining a minimum number of nutrients to be considered in an nlca study treatment of nutrients to limit use of nutrient indexes further development of impact assessment methods representation of nutritional changes that may occur during subsequent distribution and food preparation in cradle to gate nlca studies and communication of data uncertainty and variability more data are required for different regions particularly developing countries for the processing distribution retail and consumption life cycle stages and for food loss and waste finally there is a need to extend nlca methodology for the assessment of meals and diets to consider further how to account for the multi functionality of food in a sustainability framework and to set nlca studies within the context of environmental limits these results provide a robust basis for improving nlca methodology and applying it to identify solutions that minimize the trade offs between nourishing populations and safeguarding the environment

Essential Texts on International and European Criminal Law (12th revised edition)

2014-01-16

the shepherd of hermas is a greek visionary text written in rome during the 2nd century ce with the aim to exhort men to change life and repent for their sins taking advantage of the last chance given by the lord before world s end the shepherd is a very important witness of history of the early christian thought and it was so widely read that it was immediately translated into latin and other languages despite the considerable amount of greek textual witnesses of the shepherd more than twenty five written between the 2nd and the 14th century its complete text did not survive until today therefore its translations in other languages are of crucial importance for the constitutio textus among the various translations the latin vulgata stands out for its antiquity accuracy and links with some important greek witnesses like the papyrus bodmer 38 4th 5th century and the codex athous grigoriou 96 14th century the last critical edition of the vulgata was made by h a hilgenfeld in 1873 and is still quoted by scholars today the shepherd of hermas in latin offers a more modern and complete philological study through an investigation of new unknown textual sources from 9th to 14th century and gives new philological and textual data with the aim to replace the accurate but not updated edition of hilgenfeld

ketersediaan sumber belajar yang makin banyak sangat diperlukan oleh para mahasiswa pada semua jenjang d3 s1 s2 dan s3 dalam mengembangkan bahan kuliah para dosen biasanya merujuk kepada berbagai sumber belajar yang relevan ketersediaan buku ajar yang ditulis sendiri oleh dosen pengampu mata kuliah pada jenjang d3 atau s1 masih jarang sesungguhnya ketersediaan buku teks atau buku ajar mata kuliah yang ditulis sendiri oleh dosen pengampu mata kuliah itu memiliki beberapa keuntungan pertama dosen yang berpengalaman memiliki penguasaan yang baik mengenai struktur kajian bidang ilmu yang ditekuninya sehingga buku tersebut akan memiliki keunggulan dibandingkan dengan buku yang ditulis oleh penulis lainnya kedua buku teks atau buku ajar jenis ini akan memudahkan proses pembelajaran karena baik dosen maupun mahasiswa dalam proses perkuliahannya dengan mudah dapat mengikuti struktur kajian keilmuan yang sedang dibahasnya buku ajar ini memberikan dasar dasar teori dan praktik untuk meningkatkan pengetahuan dan kemampuan merancang melaksanakan dan melaporkan hasil hasil pembelajaran bidang farmasi fisika semoga kehadiran buku ajar ini bisa semakin memperkaya khazanah pengetahuan para pembaca dan mahasiswa khususnya

Byzantine Commentaries on Ancient Greek Texts, 12th-15th Centuries

2019-07-24

the letter of aristeas has been an object modern scholarly interest since the seventeenth century it is best known for containing the earliest version of the translation of the hebrew law into greek and this story accounts for much of the scholarly attention paid to the work yet this legend only takes up a small percentage of the work looking at aristeas as a whole the work reveals an author who has acquired a greek education and employs both jewish and greek sources in his work and he has produced a greek book even though aristeas has garnered scholarly attention no fully fledged commentary has been written on it the works of r tramontano m hadas and others often referred to as commentaries only contain text and annotated notes this volume fills the gap in the scholarship on aristeas by providing a full paragraph by paragraph commentary containing a new translation text critical notes general commentary and notes on specific words phrases and ideas
