a work of historical comparative sociology examining the evolution of infantry tactics in the american australian canadian british french german and italian armies from the first world war to the present it addresses a key question

in the social sciences of how social solidarity cohesion is generated and sustained

Naval Training Bulletin

1944

for most italians world war ii was a pivotal personal experience this well researched novel explores what happened to the author s father and uncle while serving in the italian army and navy as a naval intelligence officer alberto was in rome and privy to the most dangerous secrets of the war his brother vittorio wounded at tobruk in libya was sent to a british pow camp in india where he remained until the end of 1946 because he refused to join the same anti fascist side as his brother the two brothers didn t know about each other s fate for the duration of the war and made different choices often with tragic consequences

USAF formal schools catalog

1976

when a service banner adorned with stars was displayed in a homes window during world war ii it meant a family member was involved in the war some of the soldiers never returned but those who did come home carried memories and war stories in the star in the window author louis c langone tells the stories of more than seventy five wwii veterans who lived in waterville and central new york langone personally interviewed and listened to more than 100 men and women telling their wartime stories from bombing missions over europe to the island hopping campaigns of the pacific to suffering as prisoners of war the narratives are supplemented with material from books periodicals the internet press releases unit histories and letters providing a mix of memories and facts photographs and community honor rolls are also included the star in the window not only preserves special wwii memories but also gives insight into the hardships endured and sacrifices made by the veterans of the central new york area it provides an opportunity to experience history through the eyes and ears of veterans from the various military branches of service revealing shocking and obscure incidents of the war

Administrative Register of Kentucky

1996

winthrop rockefeller was a visionary whose enduring legacy as this book persuasively argues was the creation of a new social political and economic climate in arkansas one that allowed its citizens to become active participants in their communities and to overcome the inferiority complex deeply ingrained in the state s culture passionately

committed to strengthening race relations and to improving access to education and the arts rockefeller was never one simply to write a check rather he helped his fellow citizens turn their ideas into plans and then provided them with the resources to put their plans into action
