Men Who Beat the Men Who Love Them 2013-12-02

domestic violence in gay male relationships is the third largest health problem for gay men in america today men who beat the men who love them breaks the silence surrounding gay male domestic violence and exposes this hidden yet prevalent and destructive problem the authors paint a vivid picture of gay men s domestic violence bringing its brutality to life by including personal narratives written by one of the authors by clearly defining what it is and what it is not through lists of violent acts and criminal code categories and by thoroughly examining and analyzing the criminal mental health medical political and interpersonal issues involved the authors boldly depart from the battered women s literature by asserting that batterers have a diagnosable

mental disorder that battering is not gender based and that much further criminalization of domestic violence is necessary striving for victim advocacy the book underscores the idea that gay men s domestic violence is totally unacceptable and is caused solely by individual abusive gay men who choose to batter the book builds on and departs from what is known about domestic violence with the authors challenging several fundamental premises in the literature unabashedly identifying battering as a mental disorder the authors explain that victims cannot stop their battering partners from battering and virtually all batterers choose to harm their partners in a premeditated fashion the authors provide practical steps and suggestions for victims who want to leave and stay away from their violent partners and for friends who want to help battered gay men chapters describe the scope of the problem and refute myths and misconceptions there are several detailed theory chapters in which the authors explain why gay men s domestic violence occurs who the batterers are who the victims are at different stages of victimization and how domestic violence can be stopped a visionary wide ranging governmental and private plan of action is introduced including lists of necessary laws and policies as well as outlines of strong education training and advertising problems needed in various sectors of society as a self help book men who beat the men who love them provides practical information on a never before discussed topic as a trainer s manual or teaching guide it includes specific criteria for understanding the problem and for providing treatment

intermediate statistics a conceptual course is a student friendly text for advanced undergraduate and graduate courses it begins with an introductory chapter that reviews descriptive and inferential statistics in plain language avoiding extensive emphasis on complex formulas the remainder of the text covers 13 different statistical topics ranging from descriptive statistics to advanced multiple regression analysis and path analysis each chapter contains a description of the logic of each set of statistical tests or procedures and then introduces students to a series of data sets using spss with screen captures and detailed step by step instructions students acquire an appreciation of the logic of descriptive and inferential statistics and an understanding of which techniques are best suited to which kinds of data or research questions

Herald of Health 1876

i would like to thank all of my readers and supporters for giving me the confidence to keep doing what i love most my vision for this book was to give a male s point of view on different types of relationships and how quickly they can turn from good to bad in a matter of seconds there seems to be a misconception that men don t have feelings or are ever truly hurt when it comes to women and relationships this was written with the intent to prove otherwise and give a different view point men aren t always at

fault when it comes to the demise of relationships believe it or not some men want to be loved and want to be in committed relationships all men don t strive to live life going through numerous women without a care in the world some men actually prefer marriage and to have someone to come home to instead of looking for someone s home to go to contrary to popular belief all men aren t dogs these writings are a reflection of that please enjoy looking in on actual events that occurred which outline a number of trials and tribulations that present themselves when you believe in love thank you for your time and enjoy every line
