the life of george washington vol 3 commander in chief of the american forces during the war which established the independence of his country and first president of the united states by john marshall chapter i incursion into jersey general lacy surprised attempt on lafayette at barren hill general howe resigns the command of the british army is succeeded by sir h clinton he evacuates philadelphia and marches through the jerseys a council of war which decides against attacking the british on their march battle of monmouth general lee arrested sentenced to be suspended for one year thanks of congress to general washington and his army 1778 the position at valley forge had been taken for the purposes of covering the country protecting the magazines and cutting off all supplies to philadelphia although the intercourse of the inhabitants with that place could not be entirely prevented the sufferings of the british army from the scarcity of fresh provisions and forage were considerable and as the spring opened several expeditions were undertaken both to relieve their own wants and to distress the army of the united states we are delighted to publish this classic book as part of our extensive classic library collection many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public the aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades the contents of the vast majority of titles in the classic library have been scanned from the original works to ensure a high quality product each title has been meticulously hand curated by our staff our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work we hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience a look into the life of america s first president and the efforts to recreate what he may have actually looked like at different points of that life george washington s face has been painted printed and engraved more than a billion times since his birth in 1732 and yet even in his lifetime no picture seemed to capture the likeness of the man who is now the most iconic of all our presidents worse still people today often see this founding father as the old and grumpy washington on the dollar bill in 2005 a team of historians scientists and artisans at mount vernon set out to change the image of our first president they studied paintings and sculptures pored over washington s letters to his tailors and noted other people s comments about his appearance even closely examined the many sets of dentures that had been created for washington researchers tapped into skills as diverse as 18th century leatherworking and cutting edge computer programming to assemble truer likenesses their painstaking research and exacting processes helped create three full body representations of washington as he was at key moments in his life and all along the way the team gained new insight into a man who was anything but old and grumpy join award winning author carla killough mcclafferty as she unveils the statues of the three georges and rediscovers the man who became the face of a new nation this ebook has been formatted to the highest digital standards and adjusted for readability on all devices george washington is an american hero whose fame is not wholly accounted for by the record of his life like lincoln he was infinitely greater than anything he did a military genius he wrested liberty from tyranny a statesman he helped evolve a stable government from political chaos a patriot he refused a crown wisdom patience tolerance courage consecration to the righteous cause animated his every act contents life of george washington by washington irving george washington by woodrow wilson journal of my journey over the mountains the journal of major george washington sent by the hon robert dinwiddie to the commandant of the french forces in ohio george washington s rules of civility george washington in revolutionary war george washington s remarks about the french and indian war inaugural addresses state of the union addresses messages to congress washington s masonic correspondence letters of george washington farewell address last will and testament purchase of this book includes free trial access to million books com where you can read more than a million books for free this is an ocr edition with typos excerpt from book inattention of their country but the majority of thn army submitted to the scarcity without a murmur general

washington ordered the country to be scour ed and provisions to be seized wherever they could be found at the same time he stated the situation of the army to congress and warned that body of the dangerous consequences of this mode of obtaining supplies it was calculated he said to ruin the discipline of the soldiers and to raise in them a disposition for plunder and licentiousness it must create in thi minds of the inhabitants jealousy and dissatisfaction i regret the occasion which compelled me to the measure the other day and shall consider it among the greatest of our misfortunes to be under the necessity of practising it again i am now obliged to keep several parties from the army threshing grain that our supplies may not fail but this will not do dur ing the whole winter the sufferings of the troops at valley forge were extreme chapter v progress and issue of the northern campaign plan to displaca general washington his correspondence on the sublect letter of general gates remonstrance of the legislature of pennsylvania against closing the campaign observations of the commander in chief upon it sufferings of the army for the want of provisions and clothing measures adopted by the commander in chief to obtain supplies methods taken to recruit the army sir henry clinton appointed commmander in chief of the british forces he evacuates philadelphia and marches through new jersey to new york general washington pursues him battle of monmouth thanks of congress to the general and army general lee censured he demands a court martial and is suspended from his command french fleet appears on the american coast expedition against rhode island it committee serial no 24 musaicum books presents to you a carefully created collection of the essential devices our goal is to produce ebooks that are user friendly and accessible to everyone in a high quality digital format discover why roman gladiators were massaged with onion juice before battle how celery contributed to casanova s conquests how peas almost poisoned general washington and why some seventeenth century turnips were considered degenerate rebecca rupp tells the strange and fascinating history of 23 of the world s most popular vegetables gardeners foodies history buffs and anyone who wants to know the secret stories concealed in a salad are sure to enjoy this delightful and informative collection bunny brown and his sister sue giving a show by laura lee hope published by good press good press publishes a wide range of titles that encompasses every genre from well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read each good press edition has been meticulously edited and formatted to boost readability for all e readers and devices our goal is to produce ebooks that are user friendly and accessible to everyone in a high quality digital format it is 1777 and benedict arnold is a hero although famous for his victories over the british during the war of american independence major arnold is unhappy forced into single fatherhood and distraught that philadelphia has fallen to the enemy it is all arnold can do to stay sane but he has not yet met peggy shippen after arnold and shippen marry he has no idea that she has eyes for british spymaster john andrz but when washington s spies the culper ring eventually uncover a conspiracy by the arnolds and andrz to hand over the west point fort to the british american patriots immediately brand arnold s defection as treason while the british and some americans see him as a patriot as the fates of peggy and her two men hang precariously in the balance now only time will tell how history will label each of them in this historical tale three fascinating characters in america s history personify the maxim that one man s traitor is another man s patriot students and enthusiasts of american history are familiar with the revolutionary war spies nathan hale and benedict arnold but few studies have closely examined the wider intelligence efforts that enabled the colonies to gain their independence spies patriots and traitors provides readers with a fascinating well documented and highly readable account of american intelligence activities during the era of the revolutionary war from 1765 to 1783 while describing the intelligence sources and methods used and how our founding fathers learned and practiced their intelligence role the author a retired cia officer provides insights into these events from an intelligence professional s perspective highlighting the tradecraft of intelligence collection counterintelligence and covert actions and relating how many of the principles of the era s intelligence practice are still relevant today kenneth a daigler reveals the intelligence activities of famous personalities such as samuel adams george washington benjamin franklin nathan hale john jay and benedict arnold as well as many less well known figures he examines the important role of intelligence in key theaters of military operations such as massachusetts new york new jersey pennsylvania and in general nathanael greene s campaign in south carolina the role of african americans in the era s intelligence activities undertakings of networks such as the culper ring and intelligence efforts and paramilitary actions conducted abroad spies patriots and traitors adds a new dimension to our understanding of the american revolution the book s scrutiny of the tradecraft and management of revolutionary war intelligence activities will be of interest to students scholars intelligence professionals and anyone who wants to learn more about this fascinating era of american history robert graves first came across the name of roger lamb in 1914 when graves was an english officer instructing his platoon in regimental history lamb was a british soldier who had served his king during the american war of independence and whose claim to a footnote in history is that he managed to escape twice from american prison camps when graves went to america in the 1930s he remembered sergeant lamb investigated his story and created this fictionalized memoir telling lamb s story from his irish childhood to war and revolution weaving a mesmerizing tale of courage and adventure
