the one important thing to know about gambling is that there is no guaranteed way to win all the time but there is a guaranteed way to lose

constantly and that is when you don't understand the basic rules of playing and betting it is appalling how many people even big money gamblers lose consistently and don't know why there are only two types of gamblers those who really know the game and suckers mike goodman a veteran professional gambler gives you an amazing easy to understand insight on how to gamble and win horse racing watch those second favorites let the suckers play the favorites they're usually overplayed dice you're a sucker if you don't take advantage of the odds but the real pay off comes when you know how to bet slots there's only one way to beat those one arm bandits but unfortunately it's against the law roulette it's tough to beat the house percentage but there are ways to lose less keep you in the game and then who knows blackjack 21 here's a game you can win at consistently if you learn the tricks and how to put lady luck on your side poker you get real help here tips that'll open your eyes make you play a better game and win this book gives solid advice on how you can become a tough player and helps tilt the odds more in your direction i'm just plain sick of experts who promise the moon but peddle virtually worthless advice somewhere in their pitch you're told that they're not multi millionaires because they are not allowed in gambling casinos and i challenge any one of them to use this system at craps 21 or roulette at my casino if they haven't got the guts to back up their system with hard cash i challenge them to meet me face to face in public to debate any phase of gambling on which they claim to be an authority mike goodman
