Invisible Cities

2010-12-14

fifty five fictional cities each described in beautiful detail each with a woman's name in invisible cities marco polo conjures up cities of magical times for his host the chinese ruler kublai khan but gradually it becomes clear that he is actually describing one city venice as gore vidal wrote of all tasks describing the contents of a book is the most difficult and in the case of a marvellous invention like invisible cities perfectly irrelevant this is a captivating meditation on culture language time memory and the nature of human experience invisible cities changed the way we read and what is possible in the balance between poetry and prose the book i would choose as pillow and plate alone on a desert island jeanette winterson touches inexhaustibly on the essence of the human urge to create cities be in cities speak of cities guardian a subtle and beautiful meditation sunday times

Invisible City

1974

in this collection of thirty four sketches the author captures the extraordinary range of people experiences places and feelings that is new york city the city behind the glamorous facade of manhattan inhabited by people who remember when this was a great big wonderful town and they were young in its streets these sketches many based on actual incidents take as their subject the smaller dramas of mankind the chance encounters and random episodes that inform one's life often twisting suddenly surprisingly at the end they convey strong feelings in little space using all of new york as his broad canvas pete hamill recreates the baffling array of human emotions from sadness and nostalgia to home and love with affection grace and wry understanding

The Invisible City

these five studies represent a detailed view of monetary production forms of exchange and processes of state formation they uncover the infrastructures of a common life that the author argues stretches across asia and europe and underlies all regional and local developments

The Invisible City

1999

alex rider meets stargate when his archaeologist father goes missing after an air crash in mexico ufo obsessed josh suspects alien abduction but after he discovers his dad was murdered josh is caught up in a race to find the legendary ix codex a lost book of the ancient maya containing a prophecy about the end of the world

Plato's Invisible Cities

2002-09-10

invisible cities of america is a unique social and cultural history of american urbanism that explores the ideas that shape our cities many of these ideas are cloaked in myth folly and schemes that cover them from close attention and render them invisible there are more than a few invisible cities in america in metaphor and image and this book investigates some of the most influential the city of memory where the past has replaced the present in our imagining of urban places the city of pretend where amusement and self pleasure define desire and city building the city of ordinary dreams where urbanism seeks to elude the urban the city of fears where dire doings are afoot in our darkest urban imaginings and of course there is the city of the future where measures of folly and pride mix unsteadily with imaginings of a better day america s invisible cities are located upon a landscape of glitter and gold a place in which inequities are dispatched by gusts of capital wind wash that poofs away suffering and disharmony they are invisible cities of resolute belief shaped by american tenets of faith and rendered by mighty monopolies it is who we are and it is how we see things

Places

1993

captain charles cleo stumbles onto a secret archaeological expedition from the 23rd century and finds himself stranded nearly one million years in the future when the woman he loves is kidnapped by one of earth s alien overlords he becomes the enemy of one of the most powerful men in the world but his quest to rescue her is complicated when he learns that a working time machine may still exist with which he could return to his own era and save his troops from certain annihilation now torn between love and his duty to the men who served under him a million years past pursued by the merciless assassins of the time police cleo fights against war slavery and fantastic beasts in a race against time itself knowing that whatever the outcome he must lose definitely recommended for fans of sf classics and readers of sf in general west coast book reviews the voice the romance the heroism and the unbridled sense of optimism all make reading the invisible city a joy seagull rising 4.5 out of 5 there is plenty of action and several twists that made the invisible city a fun adventure to the end i recommend this to readers who enjoy engaging science fiction adventure martha s bookshelf grab your copy today free with kindle unlimited thank you for your interest in our book we hope you enjoy reading it as much as we have enjoyed
