a wide array of fantasy miniatures is available to wargamers and modellers manufactured from an increasing number of different materials each with their own unique modelling challenges from the multipart hard plastic 28mm miniature to the metal and resin models common in all other scales this book provides wargamers with a wealth of information to achieve the best results it discusses issues of scale with fantasy miniatures demonstrates a variety of modelling and painting techniques at different scales provides step by step guidance on building converting repairing and painting figures explains dry brushing techniques the three colour method multilayering and shading with washes and finally it considers basic techniques and maintaining the compatibility of miniatures between different gaming systems whether modelling single figures a handful of warriors for a warband or tackling a huge army for a mass battle game there is something for every fantasy figure modeller collector or gamer discusses issues of scale with fantasy miniatures demonstrates a variety of modelling and painting techniques at different scales provides step by step guidance on building converting repairing and painting figures lavishly

Professional figure painter Andy Singleton provides a concise guide for painting Polish, Belgian, Dutch, British, and French forces. This series of hobby guides is aimed at assisting those new or unfamiliar with historical figure modeling and war gaming by providing them with a range of simple tips and techniques to assist them in putting together good-looking collections using methods that won't take an age. Beginning with an introduction to the range of tools and materials commonly found in modeling, the main part of this book comprises of concise guides for painting Polish, Belgian, Dutch, British, and French forces. The step-by-step guidance covers all the common variations of uniform used during the period by the various nations, as well as tips on specialist forces such as Polish Cavalry, French colonial troops, and Dutch Marines. Illustrated with hundreds of photos, each stage of the guides has a combination of text description, photograph, and list of both paint and brush size used to make the steps as easy to follow as possible, as well as stunning images of the figures in period settings.

The brand new rough guide to the Loire is the essential guide to one of France's most popular regions, a World Heritage site. The Loire is famed for its soft, fertile countryside and a marvellous parade of châteaux. The main section of the guide has informed accounts of every attraction, from the fascinating troglodyte dwellings carved out of rock faces around Saumur to the compelling gardens at Villandry. The listings tell you where to find the best wines, the tastiest goat's cheese, and the most interesting places to stay. There are maps and plans throughout, and a full-colour introductory section listing the author's favourite things not to miss in the region. The context section there is detailed background on the region's culture, cuisine, wine, festivals, and history.
