The Origins and Onset of the Romanian Holocaust

2013-05-15

the first mass killings of the romanian holocaust in late june to early july 1941 brutally claimed thousands of victims and marked the beginning of the government s plan to cleanse the land of jews moreover of all the third reich s allies only romania undertook its genocide campaign without the intervention of himmler s ss in the origins and onset of the romanian holocaust author henry eaton traces the historical path to this tragedy by examining both romania s antisemitic history and looking at the initial mass killings in detail first eaton traces the roots of the romanian government s decision to exterminate jews in romania and in its annexed areas through its long and often violent antisemitic past while the decision to target the jews might have been ordered by dictator ion antonescu and his top civil and military officials eaton argues that it found its basis in an entrenched cultural abuse of jews dating back to the nineteenth century in the second section eaton analyzes the romanian government s first killing operations the execution of 311 jewish men women and children at stâncă roșnovanu by men of the romanian 6th cavalry regiment the great pogrom in the city of iasi triggered by agents of the government s intelligence service and the two death trains in which some 2 700 pogrom survivors perished in freight cars turned into ovens by the summer heat in the final chapters eaton examines the victims and perpetrators in detail and addresses the possible german connections to the killings the origins and onset of the romanian holocaust persuasively challenges the idea that romania s adoption of murder as state policy was due to outside pressure eaton s volume will be illuminating reading for holocaust studies scholars and readers interested in world war ii history

in recent decades russia has played an increasingly active role in the middle east as states within the region continue to diversify their relations with major external powers yet the role of specific russian regions especially those that share an islamic identity with the gcc has been overlooked in this book diana galeeva examines the relations between the gulf states and russia from the soviet era to the present day using the republic of tatarstan one of russia s muslim polities as a case study galeeva demonstrates the emergence of relations between modern tatarstan and the gcc states evolving from concerns with economic survival to a rising paradiplomacy reliant on shared islamic identities having conducted fieldwork in the muslim republics of

tatarstan bashkortostan and dagestan the book includes interviews with high ranking political figures heads of religious organisations and academics moving beyond solely economic and geopolitical considerations the research in this book sheds light on the increasingly important role that culture and shared islamic identity play in paradiplomacy efforts

the effect of western influence on the later ottoman empire and on the development of the modern turkish nation state links these twelve essays by a prominent american scholar roderic davison draws from his extensive knowledge of western diplomatic history and turkish history to describe a period in which the actions of the great powers incipient and rising nationalisms and westernizing reforms shaped the destiny of the ottoman empire and the creation of the new turkish republic eleven of the essays were previously published in widely scattered journals and multi authored volumes the first of these provides a general survey of turkish and

ottoman history from early turkish times to the end of the empire the following essays continue chronologically from 1774 detailing some of the changes in the nineteenth century empire several themes recur one is the impact of western ideas and institutions and the resistance to that influence by some elements in the empire another concerns the diplomatic pressure exerted by the great powers of europe on the empire which amounted at times to direct intervention in ottoman domestic affairs taken together the essays portray a confluence of civilizations as well as a clash of cultures professor davison has written an interpretive introduction that sets out the historical trends running throughout the book in addition he includes a previously unpublished article on the advent of the electric telegraph in the ottoman empire to show how the adoption of a western technological advance could affect many areas of life of particular interest to students of ottoman and middle east history these essays will also be valuable for everyone concerned with modernization in developing nations davison s interpretations and keen methodological sense also shed new light on several aspects of european diplomatic history

the south caucasus has traditionally been a playground of contesting empires this region on the edge of europe is associated in western minds with ethnic conflict and geopolitical struggles in august 2008 yet another war broke out in this distant european periphery as russia and georgia clashed over the secessionist territory of south ossetia the war had global ramifications culminating in deepening tensions between russia on the one hand and europe and the usa on the other speculation on the causes and consequences of the war focused on great power rivalries and a new great game on oil pipeline routes and russian imperial aspirations this book takes a different tack which focuses on the domestic roots of the august 2008 war collectively the authors in this volume present a new multidimensional context for the war they analyse historical relations between national minorities in the region look at the link between democratic development state building and war and explore the role of leadership and public opinion digging beneath often simplistic geopolitical explanations the

authors give the national minorities and georgians themselves the voice that is often forgotten by western analysts this book was based on a special issue of central asian survey
