The Doors' Fire 2024-02-07 faq the beat generation faq is an informative and entertaining look at the enigmatic authors and cutting edge works that shaped this fascinating cultural and literary movement disillusioned with the repression and conformity encompassing post world war ii life in the united states the beat writers sought creative alternatives to the mind numbing banality of modern culture beat generation writers were no strangers to controversy both allen ginsberg s prophetic william blakean style poem howl 1956 and
