A Commentary, Critical and Explanatory, on the Old and New Testaments 2015-08-13 the anointing received is the deciding factor of the truth on this subject which is unparallel in content as being current biblical and to the point why are you angels here where are you coming from and do you give a damn where you are going this book intend to bring a resolution to these questions and if eternal damnation is obvious redemption is also plausible as one extremity has a equal opposite except in the case of god come now and let us reason together saith the lord though your sins be as scarlet they shall be as white as snow though they be red like crimson they shall be as wool isaiah 1 18

Angels 2006-10-26 these are exciting times to be living in it is just before jesus christ returns to be the king of kings and lord of lords there are many signs that point to this and i discuss a few of them in this book im not going to tell you when this happens because jesus didn t know when he was here on earth he said it was not for us to know but im sure he knows now as he sits at the right hand of god the father one of the ways we know that the time is near is that knowledge has increased dramatically in the last fifty years ultimately it all points to god as the creator of the universe we have the internet to dispense our knowledge and it is pretty much worldwide this is one of the ways that an imposter known as the anti christ will take over a worldwide government that has been established and set up his own regime everyone will know this is their leader because it will be broadcast by satellite my advice is to read this book to decipher what the bible says about these exciting times we are living in as one of my favorite contemporary christian music groups whiteheart said in the title of one of their albums read the book dont wait for the movie
