good press presents to you this meticulously edited david hume collection formatted to the highest digital standards and adjusted for readability on all devices contents biography of david hume primary works a kind of history of my life a treatise of human nature an enquiry concerning human understanding an enquiry concerning the principles of morals the history of england the natural history of religion my own life dialogues concerning natural religion essays of the delicacy of taste and passion of the liberty of the press that politics may be reduced to a science of the first principles of government of the origin of government of the independency of parliament whether the british government inclines more to absolute monarchy or to a republic of parties in general of the parties of great britain of superstition and enthusiasm of the dignity or meanness of human nature of civil liberty of eloquence personal correspondence letters from montesquieu to hume letters from the abbé le blanc to hume documents relating to the poems of ossian essay on the genuineness of the poems fragments of a paper in hume s handwriting describing the descent on the coast of brittany in 1746 and the causes of its failure reprint of the original first published in 1874 from the bestselling author of the little book of stress relief comes the definitive guide to treating and eliminating excessive stress in the workplace dr david posen a popular speaker and a leading expert on stress mastery identifies the three biggest problems that contribute to burnout and low productivity volume velocity and abuse he shares revealing anecdotes and offers clear descriptions of the biology of stress to illustrate how downsizing economic uncertainty and technology have made the workplace more toxic than ever most importantly he offers practical advice and easy techniques for managing the harmful symptoms and side effects of stress witty engaging and accessible is work killing you touches on everything from meetings to tweeting from fake work to face time from deadlines to dead tired and more with this book dr posen gives us the tools to stop harming our most valuable resource ourselves this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant updated with a new chapter on digital curation how music works is david byrne s incisive and enthusiastic look at the musical art form from its very inceptions to the influences that shape it whether acoustical economic social or technological utilizing his incomparable career and inspired collaborations with talking heads brian eno and many others byrne taps deeply into his lifetime of knowledge to explore the panoptic elements of music how it shapes the human experience and reveals the impetus behind how we create consume distribute and enjoy the songs symphonies and rhythms that provide the backbeat of life byrne s magnum opus uncovers ever new and thrilling realizations about the redemptive liberation that music brings us all how was it possible for opponents of slavery to be so vocal in opposing the practice when they were so accepting of the economic exploitation of workers in western factories many of which were owned by prominent abolitionists david brion davis s the problem of slavery in the age of revolution 1770 1823 uses the critical thinking skill of analysis to break down the various arguments that were used to condemn one set of controversial practices and examine those that were used to defend another his study allows us to see clear differences in reasoning and to test the assumptions made by each argument in turn the result is an eye opening explanation that makes it clear exactly how contemporaries resolved this apparent dichotomy one that allows us to judge whether the opponents of slavery were clear eyed idealists or simply deployers of arguments that pandered to their own base economic interests gunn sets out his aim in this book to foster a fresh understanding of the narrative about david in 2 samuel and 1 kings commonly known as the succession narrative by arguing for its fuller appreciation of its nature as a story gunn reviews the different hypotheses on the genre of the so called court history succession narrative and concludes that the purpose of this story is to entertain the work is to be considered primarily artistic and literary and the rhetorical devices in the story are reliant on traditional motifs and devices david mitchell is one of the most critically acclaimed authors in contemporary global writing novels such as ghostwritten cloud atlas and the bone clocks demonstrate the author s dazzling literary technique in an oeuvre that crosses genres genders and borders moving effortlessly through time and space david mitchell contemporary critical perspectives brings together leading scholars of contemporary fiction to guide readers through the full range of the author s writings including discussions of all of his novels to date plus his shorter fictions essays and libretti as well as offering extended coverage of

mitchell s most popular work cloud atlas the authors explore mitchell s genre hopping techniques world making aesthetics and engagements with key contemporary issues such as globalization empire the environment disability trauma and technology in addition this book includes an expansive interview with david mitchell as well as a guide to further reading to help students and readers alike explore the works of this tremendously inventive writer this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was relevant work life balance isn t about where or how you spend your time at least not solely it s about where and how you use and replenish your energy work matters life matters work life matters as we start to navigate life during and after the pandemic employers and employees are increasingly re evaluating how work can be made more sustainable and more fulfilling many employees particularly gen x and gen z are seeking a new psychological contract with their employers putting these trends into context and offering practical solutions this book takes a deep dive into why work matters as part of a healthy and fulfilling life the authors present a new and different way of thinking about the matter of balance arguing that there is no hard divide between work and life because work takes place entirely within life and you can t balance two things when one is a subset of the other to achieve the balance required for a healthy existence we need to recognise that there are activities in all parts of work life that drain our energy and others that give us a buzz rather than trying to solve the drain of hard work by living it large at the weekend or compensating for an unfulfilling home life by working like a demon we need to create balance at work and balance at home now is a golden opportunity to re examine the world of work and job craft to make them more satisfying less draining and more energising the ideas in this book provide a practical guide to help that process this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant few newspaper editors are remembered beyond their lifetimes but david astor of the observer is a great exception to the rule he converted a staid conservative supporting sunday paper into essential reading admired and envied for the quality of its writers and for its trenchant but fair minded views astor grew up at cliveden the country house on the thames which his grandfather had bought when he turned his back on new york the source of the family fortune his liberal minded father was a constant support but his relations with his mother nancy were always embattled at oxford he suffered the first of the bouts of depression that were to blight his life a lost soul for much of the thirties he became involved in attempts to put the british government in touch with the german opposition in the months leading up to the war george orwell had urged astor to champion the decolonisation of africa and nelson mandela always acknowledged how much he owed to the observer s long standing support a generous benefactor to good causes he helped to set up amnesty international and index on censorship a good man and a great editor he deserves to be better remembered this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore
