2009

originally published in london in the 1920s as a revised and enlarged edition based on hoyle s early works of the 1700s the book is an illustrated compendium of over eighty games and their varieties including card billiard and board games these are fully explained with rules and advice on play many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive home farm books are republishing these classic works in affordable high quality modern editions using the original text and artwork

The Publishers' Trade List Annual

1875

the art of playing cards is your tour guide to a standard deck this handbook covers the classic games tricks and skills you ll need to become an expert card shark there s something about opening a new pack of cards it doesn t matter whether you buy them at a filling station to while away a few hours on the road or if they re a classic deck of bicycle cards bought specifically for a poker night they smell the same there s the same whiff of possibility of hands to play or chances to take of bets to win and of fun just waiting to be had the games there are thousands of games we could have included but along with some of the most popular we ve also chosen those we think are the most fun the most challenging and the most exasperating also much of the beauty of card games is that they vary so much and we ve included plenty of tips for trying something a bit different of course when faced with so many variations and different games it would be impossible to include them all here we only hope that you like the ones we have squeezed in the skills shuffles cuts ribbon spreads fans flourishes false cuts forces false shuffles finger lifts double lifts they re all here explained in a simple step by step fashion that makes it easy for anyone to pick them up the tricks here we ve concentrated on tricks we think are easy and approachable because there are few things more frustrating than trying to do something that s simply out of your league or utterly beyond your physical abilities thus you won t find any magician s glue or funny specialized decks of cards there are few props and no fiendishly complex sleights and palms and there are definitely no cards up

anyone's sleeves we hope the result is a book that you'll be able to come back to again and again whether it's to brush up on your shuffling or because you want to learn a new game or a new trick for the holidays if you do that then this book has served its purpose oh and always remember it's not the cards in your hand that count it's how you play them

Hoyle's Games Modernized - Cards - Board Games and Billiards

Questioning Gender

2011-01-25

winner 2012 christian small publisher s book of the year in young adult 12 18 category add this book to your arsenal in the battle to remain pure the most difficult task in the life of a christian single today is maintaining purity until marriage the payoff is perfect love and sex just as our creator intended but if that s so awesome why aren t more people choosing it and how can premarital sex be so bad if so many people are doing it and loving it people who were virgins when they married aren t usually the type to kiss and tell and when premarital sex goes wrong no one wants to tweet it this awkward silence from both contingents isn t helping the next generation to decide

well on the issue of premarital sex purity's big payoff premarital sex is a big rip off is a collection of 17 first person narratives about successfully waiting for marriage to have sex or not contributors on both sides of the issue candidly share in face reddening detail what they learned on their way to the wedding bed young people aiming to remain pure will be encouraged and learn practical strategies for resisting sexual temptation those who wish they had waited will learn that it's never too late to restore purity with god's grace this book is two faced one side is dedicated to purity then turned over and flipped upside down the other side is dedicated to premarital sex thus the last page of the purity book is immediately followed by the last page of the premarital sex book but upside down and vice versa got it

a leading inventor and collector of games sid sackson is also an expert on game history for this highly entertaining volume the self proclaimed game addict has selected over 60 popular games from around the world a brief but fascinating introductory chapter to the history of card playing is followed by a valuable glossary of terms associated with this popular pastime additional chapters supply instructions detailed illustrations and an abundance of clear examples for playing such intriguing diversions as sampen kowah kabu cha kau tsz and kanhoo from asia skat blackjack old maid fan tan eights klondike la belle loucie accordion and hearts from europe whist blackout cribbage spoil five and casino from the british isles pif paf samba bolivia and canasta from latin america and poker pinochle contract bridge rummy and oklahoma gin from the united states most games can be played by children or adults with a common deck of 52 playing cards a few will need additional cards from a second deck

America's Game in the Wild-Card Era

2021-04-23

analyzing works by george eliot joseph conrad and james joyce the author offers a new approach to narrative theory by showing how successive

generations of novelists have used ever more powerful concepts of chance even though he argues chance is precisely what narrative cannot represent since when it tries to do so it slips into the fated he also relates the novelistic treatment of chance to important historical currents in the philosophical and scientific understanding of chance and provides a theoretical framework for analyzing the representation of chance in any narrative the author asks three central questions why did british novelists become intensely interested in chance in the late nineteenth century why and how did they thematize it in their fiction how did the novelistic treatment of chance contribute to innovations in narrative form
