and the many industrial conurbations market towns and rural villages in between take your pick of great stately homes to visit of cathedrals and churches and monastic ruins of steam railways and seaside resorts of world class historical and industrial museums of hotels and places where you can consume good yorkshire food and ale full colour sections cover yorkshire s varied landscape and world famous writers and artists whether you re on holiday on business visiting family and friends or just passing through even if you ve lived in yorkshire all your life the rough guide to yorkshire will ensure that you don t miss a thing make the most of your time on earthtm with the rough guide to yorkshire at a time of increasing city competition national capitals are at the forefront of efforts to gain competitive advantage for themselves and their nation to project a distinctive and positive image and to score well in global city league tables they are frequently their country s main tourist gateway and their success in attracting visitors is inextricably linked with that of the nation they attract not just leisure visitors they are especially important in other growing tourism markets for example as centres of power they feature strongly in business tourism as academic centres they are important for educational tourism and they frequently host global events such as the olympic games and there are more of them first the number of capitals has grown as the number of nation states has increased and secondly pressures for devolution mean more cities are seeking national capital status even when they are not at the head of independent states we need to understand tourism in capitals better but there has been little research in the past this book develops new insights as it explores the phenomenon of capital city tourism and uses recent research to examine the appeal of capitalness to tourists and explore developments in capitals across the world this book was

published as a special issue of current issues in tourism the rough guide to yorkshire is the first comprehensive guidebook to england s largest county whether you re looking for inspiring accommodation or great places to eat you ll find the solution with hundreds of restaurant and hotel reviews it includes comprehensive coverage of the county from the ruggedly beautiful dales and moors and magnificent north sea coast historic york to the multi cultural cities of leeds and sheffield the resurgent port of hull to all the market towns and rural villages in between take your pick of great stately homes to visit of cathedrals and churches and monastic ruins of steam railways and seaside resorts of world class historical and industrial museums of hotels and places where you can consume good yorkshire food and accurate maps and comprehensive practical information help you get under the skin of the region whilst stunning photography and a full colour introduction make this your ultimate travelling companion to yorkshire whether you re on holiday on business visiting family and friends or just passing through even if you ve lived in yorkshire all your life the rough guide to yorkshire will ensure that you don t miss a thing originally published in print in 2011 make the most of your break with the rough guide to yorkshire now available in epub format this book explores the concept of cultural spaces their production and how they are experienced by different users it explores this concept and practice from formal and informal arts and heritage sites festivals and cultural quarters to the production of digital fashion and street art and social engagement through cultural mapping and site based artist collaborations with local communities it offers a unique take on the relationship between cultural production and consumption through an eclectic range of cultural space types featuring examples and case studies across cultural venues events and

festivals and cultural heritage and their usage cultural production is also considered in terms of the transformation of cultural and digital creative quarters and their convergence as visitor destinations in city fringe areas to fashion spaces manifested through museumification and fashion districts the approach taken is highly empirical supported by a wide range of visual illustrations and data underpinned by key concepts notably the social production of space cultural rights and everyday culture which are both tested and validated through the original research presented throughout the book will appeal to students and researchers in human geography arts and museum management cultural policy cultural studies architecture and town planning it will also be useful for policymakers and practitioners from local and city government government cultural agencies and departments architects and town planners cultural venues arts centres museums heritage sites and artistic directors programmers apuleius tale of cupid and psyche has been popular since it was first written in the second century ce as part of his latin novel metamorphoses often treated as a standalone text cupid and psyche has given rise to treatments in the last 400 years as diverse as plays masques operas poems paintings and novels with a range of diverse approaches to the text apuleius story of the love between the mortal princess psyche or soul and the god of love has fascinated recipients as varied as romantic poets psychoanalysts children s books authors neo platonist philosophers and disney film producers these readers themselves produced their own responses to and versions of the story this volume is the first broad consideration of the reception of c p in europe since 1600 and an adventurous interdisciplinary undertaking it is the first study to focus primarily on material in english though it also ranges widely across literary genres in italian french and german

encompassing poetry drama and opera as well as prose fiction and art history studied by an international team of established and young scholars detailed studies of single works and of whole genres make this book relevant for students of classics english art history opera and modern film left alone in an unfamiliar land kate struggles to silence the noises inside her head and begins to question her own sanity in london michael listens carefully to a conversation recorded twenty years ago can he hear a third silent person on the tape in a small russian town irina searches desperately for her missing friend piecing together fragments from his life from urban noise to rural emptiness through rationalism to spirituality from russia to the uk silence is the latest collaboration between the celebrated theatre company filter and rsc associate director david farr silence premiered at hampstead theatre london on 12 may 2011 produced by the royal shakespeare company the routledge handbook of events explores and critically evaluates the debates and controversies associated with the rapidly expanding domain of event studies it brings together leading specialists from a range of disciplinary backgrounds to provide a state of the art review on the evolution of the subject the first edition was a landmark study which examined how event research had evolved and developed from a range of different social science subject areas and disciplines the handbook was the first critique of the extent to which the subject had developed into a major area of social science inquiry this second edition has been fully updated to reflect crucial developments in the field and includes brand new sections on ever important aspects of event studies such as anthropology hospitality seasonality knowledge management accessibility diversity and human rights as well as new studies on the eventful city and the benefits of events in older life the book is divided into four inter related sections section 1 introduces and

evaluates the concept of events section 2 critically reviews the relationship between events and other disciplines such as the contribution of economics psychology and geography to the critical discourse of event studies section 3 focuses on the business operational and strategic management of events while the final section crucially focuses on critical events as a new paradigm within the burgeoning literature on events it offers the reader a comprehensive and critical synthesis of this field conveying the latest thinking associated with events research edited by two of the leading scholars in the field the text will provide an invaluable resource for all those with an interest in events studies encouraging dialogue that will span across disciplinary boundaries and other areas of study it is an essential guide for anyone interested in events research a stunning collection of photographs celebrating yorkshire in a year which capture the life of the county the modern hercules explores the reception of the ancient greek hero herakles the roman hercules in western culture from the nineteenth century to the present day exploring the hero s transformations of identity and significance in a wide range of media this book examines translanguaging as a resource which can disrupt the privileging of particular voices and a social practice which enables collaboration within and across groups of people addressing the themes of collaboration and transformation the chapters critically examine how people work together to catalyse change in diverse global contexts experiences and traditions the authors suggest an epistemological and methodological turn to the study of translanguaging which is particularly reflected in the collaborative arts based and action research activist approaches followed in the chapters the book will be of particular interest to scholars using ethnographic critical and collaborative action and activist research

approaches to the study of multilingualism in educational and creative arts contexts organized by song categories includes publishers index and index of music distributors and jobbers based on recent events in the middle east likelihood of wide media coverage with production a ruthless illegal immigrant rises to the top exposing the underbelly of the labor market as concern grows over environmental issues and light pollution this book satisfies a need for a straightforward and accessible guide to the use design and installation of outdoor lighting this all inclusive guide to exterior lighting from the institution of lighting engineers recognized as the pre eminent professional source in the uk for authoritative guidance on exterior lighting provides a comprehensive source of information and advice on all forms of exterior lighting from floodlighting buildings and road lighting to elaborate christmas decorations useful to practitioners and non experts alike specialists will value the dependable detail on standards and related design installation and maintenance problems whilst general professionals can find extensive practical guidance on safety issues the lighting of hazardous areas and avoiding potential difficulties in the autumn of 1735 mrs deborah leeds and her thirteen children experience something strange in the pine barrens of colonial new jersey blood curdling screams and disturbing noises are heard coming from the bedroom of mrs leeds thirteenth son absalom one week later mrs deborah leeds and absalom go missing isaiah the oldest son of the leeds family claims that absalom transformed into a devil in the middle of the night and took their mother with him to find deborah and the so called goat child absalom the reverend jeremiah barnes journeys into the pinelands and helps the children to find their mother as the reverend is searching for the devil all of the leeds children are killed one after the other and in the most gruesome ways

imaginable gedaliah the strangest son claims to know where to find the devil and tries to tell the reverend the truth but the reverend doesn't listen and it's only until it's too late that he finds the devil's true identity an identity that shatters his beliefs the names locations and incidents in this novel are roughly based on the true history of the jersey devil which some have reported to see in the pine barrens of new jersey light plays a crucial role in mediating relationships between people things and spaces yet lightscapes have been largely neglected in archaeology study this volume offers a full consideration of light in archaeology and beyond exploring diverse aspects of illumination in different spatial and temporal contexts from prehistory to the present there have been many developments in the field of light pollution over the last few years and this second edition of light pollution responses and remedies will introduce them in detail examples include the appearance of anti light pollution legislation in various countries new departures in lighting design human health implications and the growing realization among the general public that lighting is not always a good thing in this title author bob mizon discusses the various ways in which wasted artificial light has damaged the quality of modern life and suggest solutions this book is for anyone who has experienced glare discomfort or nuisance from poorly directed lights has wondered why we waste so much money lighting the sky or anyone who simply wants to see the stars instead of a baleful urban glow light pollution 2nd edition offers practical and inexpensive solutions to the world wide problem of wasted artificial light and emphasizes that light pollution is not just an astronomers problem but affects everyone in various ways a selection of writings and performances by visual artist silvia ziranek produced 1976 2011 including *ici villa moi* 1990 and *not undirty* 2011 this ebook includes 5

video clips of ziranek in live performances in the uk at conferences and exhibition openings with the full script of the performance and photographic documentation the ebook is introduced by the artist all the performances and texts circulate around the idea of architecture ladies gentlemen and then all the legends that have realised gender is a trap introducing the sound of the underground out to the electric night where the base line jumps in the backstreet light and the beat goes round and round the sound of the underground is the sound of duct tape lighting cigarettes jangling tips and a whole lot of chaos this is not your average night at the theatre legends of the london queer club scene come out from under the gutter to take over the royal court theatre expect punk profanity and a fierce fight about workers rights written by travis alabanza and co created and directed by debbie hannan hold for applause bring some change tip generously travis alabanza s first play for the royal court spotlights london s iconic underground club culture and questions what it means to get your money s worth when it comes to art this edition was published to coincide with the world premiere at london s royal court theatre in january 2023 rangers have won 53 league championships more than any other club in the world they have won the scottish league cup 26 times more than any other scottish club and the scottish cup 33 times in 1961 rangers reached the final of the european cup winners cup becoming the first british club to reach the final of a uefa club competition they won the european cup winners cup in 1972 having been the runners up in 1961 and 1967 and were runners up in the 2008 uefa cup final a great deal of well researched railway detail and killer lines without which no andrew martin novel is complete irish times on a chilly december evening in 1925 while walking to meet his wife at york railway station detective inspector jim stringer nds

himself face to face with a man pointing a revolver straight at him in a ash jim s thoughts go spinning back to a hot day at the end of august when he attended a wild west sideshow at the york summer gala with his boss superintendent saul weatherill aka the chief he remembers the moody young sharpshooter who led the show his strange arizonian yet english accent and above all his deadeye skills andrew martin s much loved railway policeman jim stringer returns in his most dangerous investigation yet this book looks at all serial murders in britain from the gay murders of michael copeland in 1960 to the ipswich murders of 2006 throughout the work follows events from a social and victim related perspective criminologist and ex prison governor david wilson concludes that we are not all at risk everyday from what he terms hunting britons rather it is people from a variety of vulnerable groups the elderly women involved in prostitution gay men runaways throwaways and children moving from place to place born in england to an italian fascist father peter ghiringhelli s turbulent childhood saw him deported to italy when mussolini fatefully entered the second world war there peter witnessed the totalitarian regime at first hand and recalls his experiences of cold and hunger his own role in fascist rallies as a member of the black shirted balilla and the fall of mussolini providing a captivating living link to the past published for the first time his childhood memories of this part of war torn europe are a fascinating insight into life under terrible oppression by the republican fascist party and the invading german army who selected random italian civilians for execution as retribution for every german soldier killed during the violent partisan fighting although his experiences were typical of many children living in mussolini s italy peter ghiringhelli s remarkable recall and vivid memories serve as a unique testament to

an extraordinary period of history placing the reader in his place in a tug of war between life and death desolation and victory peter ghiringhelli was born in leeds in 1930 after the war he joined the british army and served in the royal artillery in germany and the far east until 1953 he then worked in the immigration service at folkestone and heathrow retiring in 1987 he now lives in lincoln with his wife margaret location based games emerged in the early 2000s following the commercialisation of gps and artistic experimentation with locative media technologies location based games are played in everyday public spaces using gps and networked mobile technologies to track their players location this book traces the evolution of location based gaming from its emergence as a marginal practice to its recent popularisation through smartphone apps like pokémon go and its incorporation into smart city strategies drawing on this history and an analysis of the scholarly and mainstream literature on location based games leorke unpacks the key claims made about them these claims position location based games as alternately enriching or diminishing their players engagement with the people and places they encounter through the game through rich case studies and interviews with location based game designers and players leorke tests out and challenges these celebratory and pessimistic discourses he argues for a more grounded approach to researching location based games and their impact on public space that reflects the ideologies lived experiences and institutional imperatives that circulate around their design and performance by situating location based games within broader debates about the role of play and digitisation in public life location based gaming offers an original and timely account of location based gaming and its growing prominence chariots of wrath is the story of one man s passion for all things mechanical and in particular aircraft which he

fell in love with after his first flight in 1935 when his father took the family to see one of sir alan cobham s legendary flying circus demonstrations at brighthouse in yorkshire here he was taken up in a giant airliner age nine years old and he was hooked not long after the author started work as a young apprentice with the famous blackburn aircraft company which had a factory near his new home on the outskirts of leeds from that day to the end of his working life except for a brief career in the leeds police force mounted division and his wartime duties as a tank driver sam whitworth rose through the ranks of a number of celebrated aircraft companies to become a fellow of the royal aeronautic society within these pages are marvellous stories of the aeroplanes and aeronautical events that he has been associated with

## ***The Leeds Story Cycle 2014-06-22***

it s 5th july 2014 and the world s biggest cycling race is about to depart from leeds 22 teams 198 riders 2 000 journalists and 4 million people are converging on this yorkshire city among them are gizmo the dog with his owner a woman carrying a tin full of memories a refugee with a rose in their pocket a student a grandad and grandson and x for each of them 5th july will turn out to be a life changing day created by community groups from across the city the leeds story cycle is what you get when you put a group of young people asylum seekers students retired church folk writers and recovering addicts in the same room and ask them to tell a story about their home town working with the groups this unique collection of stories has been written by author chris nickson lyricist testament poet and playwright rommi smith author daniel ingram brown poet jane steele playwright lorna poustie and theatre practitioners simon brewis and lynsey jones

## **Performance and Phenomenology 2015-04-10**

this book offers a timely discussion about the interventions and tensions between two contested and contentious fields performance and phenomenology with international case studies that map an emerging twenty first century terrain of critical and performance practice building on the foundational texts of both fields that established the performativity of perception and cognition performance and phenomenology continues a tradition that considers experience to be the foundation of being and meaning acknowledging the history and critical polemics against phenomenological methodology and against performance as a field of study and category of artistic production the volume provides both an introduction to core thinkers and an expansion on their ideas in a wide range of case studies whether addressing the use of dead animals in performance actor training the legal implications of thinking phenomenologically about how we walk or the intertwining of digital and analog perception each chapter explores a world comprised of embodied action and thought the established and emerging scholars contributing to the volume develop insights central to the phenomenological

tradition while expanding on the work of contemporary theorists and performers in asking why performance and phenomenology belong in conversation together the book suggests how they can transform each other in the process and what is at stake in this transformation
