English Animals 2017-01-12 established in 1611 the university of santo tomas ust in manila philippines one of the oldest institutions of higher learning in the world was transformed into the largest internment camp by the occupying japanese forces during world war ii over seven thousand civilian foreigners considered enemies by japan italy and germany their spouses and their children together with several american military medical personnel were imprisoned brutalized and starved its campus founded to promote knowledge and cultivate academic progress through christian based curriculum and instructions became a silent witness to japanese atrocities prisoners were subjected to constant harassments endless abuses physical attacks and starvation which resulted to severe injuries diseases long term illnesses and deaths meager help from other foreigners the locals and the red cross flowed over and through the fence

but came to a halt after the japanese sealed the entire perimeter to survive they clung to their faith on the us military on one another and in god however they never felt more helpless and more isolated than when the american forces surrendered to the japanese after the fall of bataan and corregidor dr celeste craig her husband adam and their two young children were brutally arrested and their home severely ravaged by the japanese celeste and the children were interned at santo tomas adam was taken someplace else as their lives intertwined with others they experienced the most horrible horrifying and desperate circumstances that brought them into the brink of despair on the other hand countless acts of kindness and compassion from unexpected sources kept their hopes alive celeste made a promise to survive the war reunite with adam and become a family again adam made a vow that he would not give up finding his family at all costs however wishing and praying were not enough survival became a challenge death was knocking on the door they needed a miracle

A Prescription for Death 2003-10-01 when headmistress abigail kirby s corpse is discovered in the woods police are shocked to learn that her tongue was cut out while she lay dying then shortly after a witness comes forward he is blinded and murdered with mangled bodies appearing at an alarming rate detective inspector geraldine steel must race against time to find the killer before he claims his next victim

The Still of Night (A Rush of Wings Book #2) 2010-05-19 a charming new

novel from the prize winning author of ring of clay from a chrysalis to a butterfly but can love emerge so perfectly from a narrow religious home where makeup and dancing are forbidden life for megan cresswell has always been bleak in 1950 after the death of her parents she struggles to exist on her meagre wage as a young paintress in the potteries finally freed from the disapproval of her father she starts to listen to friends advice find a husband or endure a life of hardship and penny pinching her search begins with the flirtatious ben but she quickly realises he is a seasoned heartbreaker charismatic nathan touches her heart only to return to america leaving her forlorn dependable terry offers security but has the mother from hell after megan takes an extra job with the wealthy celia bevington her life is spent in two worlds one of refinement and ease the other amidst the earthy camaraderie of the girls in the pottery factory but only when the mystery surrounding her inherited silver hairbrush is solved does she discover a shocking and tragic family secret and when she does fall in love will megan have the courage to take the step that will transform her life

The Reform Artists 2019-05-02 young toronto graphic artist strachan pronounced strawn per the gaelic marshall is a loner and could be considered something of a loser things change dramatically when she is compelled to check out an attic in an eerie derelict building and finds herself feverishly transcribing the journal of celia a young englishwoman from decades earlier who relates her experiences in war torn britain

naturally practical strachan refuses to coin the word ghost the whole thing is an exciting adventure when she produces a poignant memoir which focuses on the apparently doomed affair between celia a waaf women s auxiliary air force and alex an raf serviceman with detailed descriptions of the era which appear to be as accurate as if strachan had lived through it herself people are bound to have questions telling the truth would mark strachan as psychotic so she lies saying she did a lot of research she didn t only those closest to her know about the attic

Rules of the Road 2017-06-01 best selling novelist brings to life unique characters in this drama set in the mysterious and complex world of film
When Dimple Met Rishi 2023-06-12 there s only one boy celia would not want to be stuck sitting next to on this interminably long train ride so guess who just walked on board clearly the universe has a sick sense of humor that s the only explanation celia can come up with when she finds herself alone on a train with her crush since second grade maybe some girls would call this fate destiny even but celia knows better this is cruel and unusual punishment because heath is also the one boy who turns her into a stammering incoherent fool and that s before he kisses her senseless heath s not exactly jazzed about this turn of events either he s supposed to be on this trip with his girlfriend but now his girlfriend is his ex and he s trapped on a train ride from hell with the one girl who apparently hates his guts cool looks like everyone is in for a good time except one derailed train a shared motel room two unexpected detours

and a few steamy kisses later and maybe just maybe they re both about to change their tune

Santo Tomas 2014-01-28 the sunday times bestseller and tiktok sensation soon to be a netflix film riveting heart wrenching and full of old hollywood glamour buzzfeed this wildly addictive journey of a reclusive hollywood starlet and her tumultuous tinseltown journey comes with unexpected twists and the most satisfying of drama popsugar from the author of daisy jones the six in which a legendary film actress reflects on her relentless rise to the top and the risks she took the loves she lost and the long held secrets the public could never imagine aging and reclusive hollywood movie icon evelyn hugo is finally ready to tell the truth about her glamorous and scandalous life but when she chooses unknown magazine reporter monique grant for the job no one is more astounded than monique herself why her why now monique is not exactly on top of the world her husband has left her and her professional life is going nowhere regardless of why evelyn has selected her to write her biography monique is determined to use this opportunity to jumpstart her career summoned to evelyn s luxurious apartment monique listens in fascination as the actress tells her story from making her way to los angeles in the 1950s to her decision to leave show business in the 80s and of course the seven husbands along the way evelyn unspools a tale of ruthless ambition unexpected friendship and a great forbidden love monique begins to feel a very real connection to the legendary star but as evelyn s story near its

conclusion it becomes clear that her life intersects with monique s own in tragic and irreversible ways the seven husbands of evelyn hugo is a mesmerizing journey through the splendour of old hollywood into the harsh realities of the present day as two women struggle with what it means and what it costs to face the truth
