the catnip diaries highlight sparkles progression from a kitten to a full grown cat it is done with word pictures describing plenty of cat adventures a smattering of philosophy and lots of humor my adoption of sparkles from the local animal shelter was therapy for me when i put my husband in a nursing home and our dog died my sister helen has her own cat and when we compared notes we decided we could probably write a book about their adventures most

of the entries are fiction but we believe they could happen other characters in the book are fictional but they add depth and color to the diary entries anyone who is owned by a cat can visualize their own cats being just as naughty or nice when a year s worth of entries were on the books sparkles disappeared in my heart of hearts i believe sparkles was an angel sent to get me out of my depression sparkles loves his mommie
