**A Dragonfly in the Sun** 1997 throughout history tactics such as violent repression torture and mass murder have been used to subjugate and destroy populations the essays in this anthology detail the atrocities of the 1971 east pakistan genocide essays reach far and wide including examining canadian neutrality on the subject background information is provided and first person accounts of the events are given charts and graphs are provided to summarize important statistical information and timelines are included to help the reader trace the sequence of events maps provide details about the areas of contention and locations of conflicts

Surely We Can Talk Again 2003 fault lines is the first anthology containing stories from bangladesh pakistan india the united states and the united kingdom on the theme of 1971 there is a lot of creative writing that has emerged from 1971 but most of it in regional languages this anthology by putting together stories originally written in bangla urdu sindhi or punjabi in addition to a handful originally written in english attempts to bridge the language barrier the breakup of pakistan and the emergence of bangladesh were attended by violence and bloodshed as these writers try to come to grips with the facts and the emotions of 1971 the reader is taken back to that turbulent and momentous time the stories are painful and often brutal even as they recount tales of quiet heroism they oblige readers to ask pertinent questions about their own history how real were the differences between bangla speakers and urdu speakers what were the emotions of a pakistani soldier ordered to shoot unarmed women and children were all

women helpless victims of atrocities committed on them what was life like in the camps were all bengalis brave were all punjabis evil these stories vividly portray the many aspects of 1971 and after with an introduction by the co editors drawing upon their personal experiences of 1971 and suggesting the context of these writings this anthology is essential reading for those interested in the history of this period as well as in riveting fiction

**Great Sufi & Mystical Poets of Pakistan** 2020-11-28 this curated collection examines stephen philip cohen s impressive body of work stephen philip cohen the brookings scholar who virtually created the field of south asian security studies has curated a unique collection of the most important articles chapters and speeches from his fifty year career cohen often described as the dean of u s south asian studies is a dominant figure in the fields of military history military sociology and south asia s strategic emergence cohen introduces this work with a critical look at his past writing where he was right where he was wrong this exceptional collection includes materials that have never appeared in book form including cohen s original essays on the region s military history the transition from british rule to independence the role of the armed forces in india and pakistan the pathologies of india pakistan relations south asia s growing nuclear arsenal and america s fitful and forgetful regional policy

*The Jinnah Anthology* 2019 from a society shredded by violence and a generation caught between afghanistan and america saed and muradi have sewn together a vibrant patchwork of memory and imagination at turns raw and affecting one story thirty stories is a chronicle of loss and reunion offering a firsthand look at how communities are fractured and remade with all the frustration and tenderness that exile evokes tara bahrapour to see and see again a life in iran and america one story thirty stories is exquisite documentary a kaleidoscope of fragmented lives losses and attempts at remaking the editors have assembled a collection that manages to be both literature and history heartbreaking and hopeful educational and lyrical from the daughter of a cab driver to the daughter of an imam from a crack dealer to a standup comic to an ambassador the writers in this book offer not only poignant testimony but also form a who s who of afghans in the united states an invaluable accessible resource for anyone who cares about what america is doing in and to afghanistan minal hajratwala author of leaving india my family s journey from five villages to five continents since 9 11 there has been a cultural and political blossoming in the afghan diaspora especially in the united states revealing a vibrant active and intellectual afghan american community and the success of khaled hosseni s the kite runner the first work of fiction written by an afghan american to become a bestseller has created interest in the works of other afghan american writers one story thirty stories or afsanab seesaneh the afghan equivalent of one upon a time collects poetry fiction essays and selections from two blogs from thirty three men and women poets fiction writers journalists filmmakers and video artists photographers community leaders and organizers and diplomats the fifty pieces in this rich anthology show people trying to come to grips with a life in exile or they trace the migration maps of parents they navigate the jagged landscape of the soviet invasion the civil war of the 1990s and the rise of the taliban and the ongoing american occupation

*East Pakistan* 2012-10-26 selection of poetry by pakistani poets

*Fault Lines* 2008 if pakistan were a different nation then what was ts national cultural identity where could it trace its beginning the short stories written originally in urdu punjabi sindhi pushto and suraiki and now translated into english showcased in this anthology engage with the above questions in their own ways articulating a multiplicity of voices and experiences they chronicle the birth of the pakistani nation in traumatic circumstances and its chequered history over the past fifty years through depicting the ydesires and aspirations and thousand other unnamed feelings of their protagonists while doing so they also depict the immensely varies and rich tapestry of the cultural life in pakistan

*The South Asia Papers* 2016-04-12 in contrast to many other texts on the quaid the contents of the jinnah anthology are varied they include rare photographs personal recollections of the contemporaries of the quaid and excerpts from various speeches and statements of jinnah the book also

reproduces some inaccessible documents including jinnah s will and judgements pertaining to his personal faith and sectarian beliefs established authorities on jinnah including historians s m burke stanley wolpert and akhar s ahmed have contributed to the anthology

*One Story, Thirty Stories* 2010-11-01 pakistani women open a window on a country propelled into the headlines by war and displacement

**Anthology of Great Sufi and Mystical Poets of Pakistan** 2013-12-26 ghulam mohammad successful hotelier and shop owner wants to sell up and buy a church a derelict church in a run down corner of birmingham and convert it into a mosque but his son has other plans with an eye on his temporal rather than spiritual riches he will stop at nothing to protect his inheritance this collection of seventeen short stories by pakistani women covers a wide range of subjects from the stream of consciousness that is millipede recounting a man s descent into madness as his obsession that he has become infected by insects grows to the violence shown by a father to his son when he beats him to within an inch of his life in the coach the stories have a diversity that reflects pakistani women themselves first published by the pakistani academy of letters the narratives from the post independence generation are translated from urdu punjabi seraike pushto and sindhi they reveal the increasing power and influence that pakistani women writers have achieved in the last half century and explore the contrasts and conflicts between the modern and the traditional worlds this

anthology has been produced in collaboration with unesco

**Modern Poetry of Pakistan** 2011-01-04 this book is about media content analysis in the english language print media in south asia with reference to certain contemporary issues it is written from the perspective of the need to analyze media discourses and the ways in which their circulation creates a common sense view of the world the focus is on english language papers and news magazines additionally some hindi urdu and sindhi newspapers are examined the highlight is on the ways in which english language publications contribute to and function within middle class matrices of modernity consumption conflict and conservatism in india

**The Oxford Book of Urdu Short Stories** 2009-11-26 anthology of urdu stories translated into english

**Pakistani Creative Literature and the Teaching of Social Sciences** 1974 brookings scholar stephen philip cohen often described as the dean of us south asian studies is a dominant figure in the fields of military history military sociology and south asia s strategic emergence cohen introduces this work with a critical look at his past writing where he was right where he was wrong this exceptional collection includes materials that have never appeared in book form including cohen s original essays on the region s military history the transition from british rule to independence the role of the armed forces in india and pakistan the pathologies of india pakistan relations south asia s growing nuclear arsenal and america s fitful and forgetful regional policy

Gestures 1996 the ancient whore the handmaiden of dimly remembered hindu kings the courtesan of mughal emperors the paris of the east lahore is more than the grandeur of mughal forts and gardens mosques and mausoleums the jewel colours of everlasting spring it is also the city of poets the city of love longing sin and splendour this anthology brings together verse and prose essays stories chronicles and profiles by people who have shared a relationship with lahore from the mystical poems of madho lal hussain and bulleh shah to iqbal s ode and faiz s lament from maclagan and aijazuddin s historical treatises and kipling s chronicles to samina quraeshi s intricate portraits of the old city and irfan husain s delightful account of lahori cuisine city of sin and splendour is a marriage of the sacred and profane while pran neville paints a vivid sketch of lahore s hira mandi shahnaz kureshy brings alive the legend of anarkali and khalid hasan pays a tribute to the late melody queen nur jehan mohsin hamid s essay on exile bina shah s account of the karachi vs lahore debate and emma duncan s piece on elections are essential to the understanding of modern day lahore but the city is also about lahore remembered ved mehta and krishen khanna write about going back as khushwant singh writes about his pre partition years in lahore sara suleri s memories of her hometown the landscapes of bapsi sidhwa s fiction khaled ahmed s homage to intezar hussain and urvashi butalia s ranamama are tributes to memory as much as they are tributes to remarkable lives and unforgettable places including fiction old and new from manto and chughtai to ashfaq ahmed and zulfikar ghose saad ashraf and sorayya khan to mohsin hamid and rukhsana ahmad city of sin and splendour is a sumptuous collection that reflects the city it celebrates

*So that You Can Know Me* 1997 from the award winning poet g f riaz this new anthology of poems is organized around the baramasa the punjabi calendar year and thematizes aspects of life in rural pakistan

**Tracking the Media** 2009-03-09 throughout the twentieth and early twenty first centuries cinema has been adopted as a popular cultural institution in bangladesh at the same time this has been the period for the articulation of modern nationhood and cultural identity of bengali muslims in bangladesh this book analyses the relationship between cinema and modernity in bangladesh providing a narrative of the uneven process that produced the idea of bangladesh cinema this book investigates the roles of a non western national film industry in asia in constructing nationhood and identity within colonial and postcolonial predicaments drawing on the idea of cinema as public sphere and the postcolonial notion of formation of the bangladesh nation interactions between cinema and middle class bengali muslims in different social and political matrices are analyzed the

author explores how the conflict among different social groups turned bangladesh cinema into a site of contesting identities in particular he illustrates the connections between film production and reception in bangladesh and a variety of nationalist constructions of bengali muslim identity questioning and debunking the usual notions of bangladesh and cinema this book positions the cinema of bangladesh within a transnational frame starting with how to locate the beginning of the second bengali language cinema in colonial bengal the author completes the investigation by identifying a global bangladeshi cinema in the early twenty first century the first major academic study on this large and vibrant national cinema this book demonstrates that bangladesh cinema worked as different public spheres for different publics throughout the twentieth century and beyond filling a niche in global film and media studies and south asian studies it will be of interest to scholars and students of these disciplines

*Half the Sky* 2004 revisiting india s partition new essays on memory culture and politics brings together scholars from across the globe to provide diverse perspectives on the continuing impact of the 1947 division of india on the eve of independence from the british empire the partition caused a million deaths and displaced well over 10 million people the trauma of brutal violence and displacement still haunts the survivors as well as their children and grandchildren nearly 70 years after this cataclysmic event revisiting india s partition explores the impact of the long partition a concept developed by vazira zamindar to underscore the ongoing effects of the 1947 partition upon all south asian nations in our collection we extend and expand zamindar s notion of the long partition to examine the cultural political economic and psychological impact the partition continues to have on communities throughout the south asian diaspora the nineteen interdisciplinary essays in this book provide a multi vocal multi focal transnational commentary on the partition in relation to motifs communities and regions in south asia that have received scant attention in previous scholarship in their individual essays contributors offer new engagements on south asia in relation to several topics including decolonization and post colony economic development and nation building cross border skirmishes and terrorism and nationalism this book is dedicated to covering areas beyond punjab and bengal and includes analyses of how sindh and kashmir hyderabad and more broadly south india the northeast and burma call for special attention in coming to terms with memory culture and politics surrounding the partition

**The South Asia Papers: A Critical Anthology of Writings by Stephen Philip Cohen** 2016-08-20 this short anthology contains a selection of short stories originally written in urdu in the indo pak sub continent translated into english by khalid sayyed these stories are taken from some of the best known names of urdu literature including munshi prem chand s aadat hasan manto krishen chandra ghulam abbas rajindra singh bedi asmat chughtai intezaar hussain qurrat al ain haider and ahmed nadeem qasemi each writer is unique in his or her style but all of them are bound by a common history since they were all born in british india in the early part of the 20th century and witnessed the events of the 1947 partition that saw the creation of two independent states india and pakistan for many of these writers the events and politics surrounding partition provided the impetus for stories that condemned political corruption and exploitation others have written tales about ordinary men and women and the challenges they faced in traditional rural life at any rate every story in this collection appeals universally to the heart and our sense of wonder and awe about human nature each story is also annotated in order to explain cultural concepts or urdu words that are not directly translated in the text this allows for the retention of some urdu terms in order to be faithful to the cultural setting of the stories without alienating readers who are not familiar with such terms the title of this collection is inspired by the renowned a thousand and one arabian nights since like the tales in this collection it also contains a wide variety of stories tied together in one place translated and annotated by khalid sayyed with sketches by afsana z sayyed

**Contemporary Urdu Short Stories** 1991 the current controversies series examines today s most important social and political issues each volume presents a diverse selection of primary sources representing all sides of the debate in question

City of Sin and Splendour 2005 set primarily in pakistan these award winning stories follow people living on the brink of abandonment in their

personal relationships and their place in the world a mother coping with the sudden death of her son uncovers long buried secrets in his absence an anguished girl grabs a chance for a life beyond the orphanage walls where she lives and discovers the price of freedom a young couple tries to keep their fraught relationship steady as a heat wave engulfs their city a son returns to visit his ageing parents while beset with memories of a troubled childhood and two thieves find themselves in a situation more precarious by the minute and more dangerous than their original mission farah ali debut collection of thirteen stories people want to live features stories of togetherness and reckless faith in the face of a world that's built to break us her characters mount battle with loneliness and in their fight reveal surprising vulnerabilities and an astonishing measure of hope

**Baramasa** 2002 the anguish suffering sense of alienation and betrayal felt by sindhis on both sides of border find full expression in this anthology to the sindhis indian independence did not mean freedom it meant exile

□□□□□□□□ 1972 the period between world war ii and the dawn of indian independence was of a climactic scene which in the past has always attracted the attention of the scholarly community the world over the partition of indian 1947 took place during this phase it was one of the great human convulsions the world has ever witnessed it was not only a simple bifurcation of geographical boundaries between india and pakistan but an unparalleled scene of untold stories riots and conflagrations and outpouring of savagery unprecedented in scale and span this spic turmoil had rocked not only the indian sub continent but also the entire world frankly speaking the partition of india resulted in shattering consequences it would not be an exaggeration to say had there been not partition and only an united india india and pakistan prevailed on the world map after independence then this state would have progressed more politically economically culturally etc and ranked itself in the family of present day superpowers during the last few years however the partition of india has been taken more seriously as a subject of inquiry this humble anthology the emergence of india and pakistan presents a vivid journey to the final chapter of india's long struggle for freedom it is hoped that the present endeavour will be widely consulted by potential researchers in our sub continent and abroad

**Bangladesh Cinema and National Identity** 2014-12-17 this anthology brings together english translations of twenty six urdu short stories by mostly renowned pakistani writers all the stories were written between 1947 and the present time authors range from the celebrated saadat hasan manto to dr shershah syed and mehmood zafar not all of these stories are necessarily the most famous works of their authors and most of them have not been translated into english before however their exquisite depiction of diverse experiences and social realities justifies calling them unforgettable gems of urdu short story writing selected and translated by amina azfar these stories will delight the general reader and will also be found useful by students and scholars studying south asian literature culture and history

Revisiting India's Partition 2016-06-15 divided by partition war and politics but united by creativity brilliance and common humanity asian voices has brought together 20 emerging writers from across south asia to shine a light on their diverse societies in 37 000 words across more than 250 pages and two dozen images these contributors paint graphic pictures of love beauty loss patriarchy disease and death in their respective countries of india pakistan and afghanistan from cool kabul in the north through karachi and kolkata to the searing heat of hyderabad in the south their tales in poetry and prose are compelling the writers include an artist from lahore an engineer from mumbai a psychologist from delhi a social reformer from jaipur two 12th grade school students plus many more the project has been pulled together by a retired british newspaper editor most of the writers have until now only seen their work published on social media or in short order paperbacks they are effusive in their excitement about this new book nitika das a student from jodhpur explains this book is the output of one dream shared by 20 writers i believe everyone in this world is a writer everyone has a story to tell everyone knows how to put it into words all we need is a pen and some blank paper fahmida shaikh an oceanographer from bhiwandi believes that the diversity of the individual writers helped shape the book as individuals we are all so very different different cultures ages

nationalities and genders but as writers we have been able to form an incredible bond that reflects the many ways that as humans we have common needs hopes dreams and hearts sakshi walia an english literature student from amity university in new delhi adds together i believe our words are shining a blinding light on the reality of being human in a world of seeming chaos pratik arti prakash an electronic engineer from mumbai sees a common theme you could use all the milk in the world to paint it white still deep down the canvas is black we learn from everyone but mostly fail to learn from ourselves agathaa shelling a 12th grade school student from ahmedabad completes many sentiments for all that has lived the ruins it is art the people the poetry and the words it s beautiful how the boundaries have embraced love so beautifully fellow writer and interior designer pratibha aasat from hyderabad in southern india says all our words are powerful emotions expressing varied feelings the silent whispers of hearts connecting every soul and thoughts so vivid that they represent a complete lived life to last in the memoirs forever nic outterside from wolverhampton england is the editor and publisher of asian voices i have edited many publications over the years says nic but none has been as challenging and exciting as this i am very lucky to have so many amazingly talented and beautiful people contributing to this hugely diverse project i hope all the readers get as much pleasure reading this book as i did editing it minnie rai a writer and 26 year old refugee from kabul who now lives in london sums up the ethos of asian voices we don t become by knowing we become by doing it is in the present we live and share diversity from within outwards through love and death we learn the language of war within us that separates us from the truth that sits beside our heart when we share that truth we become one asian voices she adds the writers of asian voices are agathaa shelling ankrita singhanjali kumarianshul kheriacertes penellyfahmida shaikhjanvijasleen kaurminnie a rainitika daspratibha aasatpratik arti prakash sakshi waliasanyashaheebashahreen iftikharshilpa goelshiraz s hashmi sobia shakir moonasian voices is published by time is an ocean publications
