**Crusaders** 2023-07-18 this book explores the contribution of southern italy and sicily to the crusades and crusader states by adopting the theme of identity as a tool of analysis it argues that a far more nuanced picture emerges about the relationship than the dismissive portrayal by william of tyre in his chronicon which has largely been accepted by later historians building upon previous scholarship in relation to norman identity it widens the discussion to evaluate the role of more fluid and evolving italo norman and italo sicilian identities and how these shaped events in so doing this book also argues that the relationship between the territories needs to be considered in different dimensions direct involvement of leaders and rulers versus indirect engagement through the geography of southern italy and sicily over time and as identities change these two dimensions converge making the kingdom itself a leading participant in crusading

The Crusaders in the East 2012-12-13 eleven distinguished contributors have produced essays which deal with the organisation of the crusade in europe internal developments in the crusader levant issues of the contemporary muslim east and crusader muslim confrontation in twelfth century syria some break new ground entirely for instance malcolm lyons investigations of the arab hero cycles and penny cole s work on crusader preaching others offer important new perspectives on well known themes jonathan riley smith on crusader ideology and peter edbury s revisionist view of the events leading up to the battle of hattin still others offer important overviews which will be appreciated by a broad readership of medieval historians

The Crusades: Islamic Perspectives 2018-10-24 this volume brings together revised and up dated versions of giles constable s classic essays on crusading in the 12th century along with two major new studies on the cross of the crusaders and the fourth crusade and two excursions on the terminology of crusading and the numbering of the crusades together they show the range and depth of the crusading movement at that time and its influence on the broader history of the period

Mediæval Popes, Emperors, Kings, and Crusaders 1855 the period from about 1100 to 1350 in the middle east was marked by continued interaction between the local muslim rulers and two groups of non muslim invaders the frankish crusaders from western europe and the mongols from northeastern asia in deflecting the threat those invaders presented a major role was played by the mamluk state which arose in egypt and syria in 1250 the bulletin of the school of oriental and african studies has from 1917 onwards published several articles pertaining to the history of this period by leading historians of the region and this volume reprints some of the most important and interesting of them for the convenience of students and scholars

*Crusaders and Muslims in Twelfth-Century Syria* 1993 at moson the river danube ran red with blood at antioch the crusaders their saddles freshly decorated with sawed off heads indiscriminately clogged the streets with the bodies of eastern christians and turks at ma arra they cooked children on spits and ate them by the time

the crusaders reached jerusalem their quest and their violence had become distinctly otherworldly blood literally ran shin deep through the streets as the crusaders overran the sacred city beginning in 1095 and culminating four bloody years later the first crusade represented a new kind of warfare holy unrestrained and apocalyptic in armies of heaven medieval historian jay rubenstein tells the story of this cataclysmic event through the eyes of those who witnessed it emphasizing the fundamental role that apocalyptic thought played in motivating the crusaders a thrilling work of military and religious history armies of heaven will revolutionize our understanding of the crusades

*Armies of Heaven* 2011-11-01 while research on the crusades tends increasingly to bifurcate into study of the crusade idea and the crusading expeditions and study of the frankish states the crusaders established in the levant benjamin kedar confirms through the articles reproduced in this latest selection of his articles his adherence to the school that endeavours to deal with both branches of research of the ten studies that deal with the crusading expeditions one examines the maps that might have been available to the first crusaders and their muslim opponents another discusses in detail the jerusalem massacre of july 1099 and its place in western

historiography down to our days a third sheds light on the largely neglected doings of the fourth crusaders who decided to sail to acre rather than to constantinople while a fourth exposes unknown features of the well known sculpture of the returning crusader most probably count hugh i of vaudémont who is embracing his wife of the ten studies that deal with the frankish levant one proposes a hypothesis on the composition stages of william of tyre s chronicle another provides new evidence on the latin hermits who chose to live in the frankish states a third examines the catalogue of the library of the cathedral of nazareth while a fourth calls attention to convergences of eastern christians muslims and franks in sacred spaces and offers a typology of such events and a fifth proposes a methodology for the identification of trans cultural borrowing in the frankish levant

**Richard the Lionheart** 2005-01-15 this volume brings together a series of studies based mainly on medieval arabic sources of middle eastern history and society in the late middle ages several of these studies deal with the confrontation between the mamluks and the crusaders others deal with aspects of mamluk society and culture in egypt and syria from the 13th to the early 16th centuries there are articles on crusader feudalism and mamluk iqta the last years of the crusader states mamluk faction fighting and the size of the mamluk army the image of the crusaders in arabic popular literature the sex life of the mamluks the ritual consumption of horse meat by mamluks and mongols the deployment of gunpowder and firearms in the middle east and the shared interest of ibn khaldun and al maqrizi in the occult finally several studies deal with questions of historiography in both crusader and mamluk studies

Monks, Hermits and Crusaders in Medieval Europe 1988 this volume presents translations of a selection of the letters sent by crusaders and pilgrims from asia minor syria and palestine there are accounts of all the great events from the triumph of the capture of jerusalem in 1099 to the disasters of hattin in 1187 and the loss of acre in 1291 they convey the immediacy of circumstances which were frequently dramatic and often life threatening and show us the feelings of those who lived in and visited the crusader states some of the letters translated here are famous others hardly known but all offer unique insight into the minds of those who took part in the crusading movement

*Crusaders* 2016-05-16 reverend gore goes to newcastle after a decade charged with the mission of planting a new church in the deprived west end of town but on his return to a victorian city in the throes of regeneration gore finds his task complicated by run ins with three locals all of whom he needs to bring off his mission successfully

The World of the Crusaders 1972 the crusader states and their neighbours explores the military history of the medieval near east piecing together the fault lines of conflict which entangled this much contested region this was an area where ethnic religious dynastic and commercial interests collided and the causes of war could be numerous conflicts persisted for decades and were fought out between many groups including kurds turks armenians arabs and the crusaders themselves nicholas morton recreates this world exploring how each faction sought to advance its own interests by any means possible adapting its warcraft to better respond to the threats posed by their rivals strategies and tactics employed by the pastoral societies of the central asian steppe were pitted against the armies of the agricultural societies of western christendom byzantium and the islamic world galvanising commanders to adapt their practices in response to their foes today we are generally encouraged to think of this era as a time of religious conflict and yet this vastly over simplifies a complex region where violence could take place for many reasons and peoples of different faiths could easily find themselves fighting side by side

**Crusaders** 2015-07-19 the unique emotional power of each chronicle may be felt in the translation the chronicle of solomon bar samson is a moving narrative concerning the rhineland massacres the second chronicle that of eliezer bar nathan interprets some of the same events in elegiac style and liturgical language while the third chronicle the mainz anonymous though fragmented is highly analytical in nature the fourth chronicle sefer zekhirah is a personal description of the second crusade full of poignant detail together the chronicles present a moving human record of these events of value not only to professional historians but to all who seek to

broaden their understanding of the jewish experience

*Crusaders and Franks* 2022-03-30 in 2010 a parcel bomb was sent from yemen by an al qaeda operative with the intention of blowing up a plane over america the device was intercepted before the plan could be put into action but what puzzled investigators was the name of the person to whom the parcel was addressed reynald de chatillon a man who died 800 years ago but who was he and why was he chosen above all others born in twelfth century france and bred for violence reynald de chatillon was a young knight who joined the second crusade and rose through the ranks to become the pre eminent figure in the crusader kingdom of jerusalem and one of the most reviled characters in islamic history in the west reynald has long been considered a minor player in the crusades and is often dismissed as having been a bloodthirsty maniac tales of his elaborate torture of prisoners and his pursuit of reckless wars against friends and foe alike have coloured reynald s reputation however by using contemporary documents and original research jeffrey lee overturns this popular perception and reveals him to be an influential and powerful leader whose actions in the middle east had a far reaching impact that endures to this day in telling his epic story god s wolf not only restores reynald to his rightful position in history but also highlights how the legacy of the crusades is still very much alive

*Mamlūks and Crusaders* 2010 nearly 900 years after duke godfrey de bouillon set out on the first crusade tim severin set out with one woman and two horses to retrace his steps starting out from chateau bouillon in belgium with the same breed of ardennes heavy horse used by duke godfrey severin followed the historic trail for eight and a half months riding out of the green countryside of northern europe into the heat and parched landscape of the near east he and his companion covered more than 2 500 miles past ruined crusader settlements and ancient battlefields through arduous mountain passes and across barren anatolian steppes across germany austria hungary then yugoslavia bulgaria turkey and syria he followed the precise route of the medieval voyagers towards their common destination jerusalem in this dazzling synthesis of adventure practical history and exploration severin assesses just how far duke godfrey could have travelled each day which routes the crusaders would have taken and how they would have cared for themselves and their horses

**Letters from the East** 2013 a wonderful retelling of the stories of the first third and eighth crusades narrated by a fictional wandering jew cursed to live until the second coming of christ this classic work takes the reader on an epic rollercoaster ride of the triumphs tribulations and ultimate defeat of the european counterattack against the rampant muslim aggression which had seized the christian lands in the middle east the author explains how the islamic military conquest of huge areas of the byzantine empire sparked the call to crusade and then weaves the story of some of the most famous characters and events of the crusades from the dizzying successes of the first crusade the siege and fall of antioch and the fall of jerusalem to the recapture of jerusalem by the muslims the reader will meet and understand the major characters of the time richard lionheart duke godfrey the norman warrior and first king of jerusalem saladin and king louis of france the reader will also discover the full tragedy of the ill fated children s crusade and much more in this enthralling book

**Crusaders** 2008 first published in 1999 this volume emerged as part of the collected studies series and features studies authored by bernard hamilton over a period of twenty years all of which deal with relations between western europe and the neighbouring civilizations in the eastern mediterranean during the 12th and 13th centuries the first set examines the kind of society which developed in the crusader states including three essays on women and queens and the attitude of western settlers to the byzantine empire eastern christian churches and the islamic world further essays deal with the impact on western europe of christian dualist heresy which had its roots in the balkans and armenia and perhaps ultimately in persia the final group centres around the holy places whose liberation was the raison d etre of the crusade movement they examine how the western church administered these shrines the way in which they shaped western piety during the time of crusader rule and how the cult of the holy places developed in the western church after they had been recaptured by islam each article s original citation information is included along with the original page numbers and pagination

**The Crusader States and their Neighbours** 2020-04-24 a detailed account of the circumstances and motives of the first crusaders

**The Jews and the Crusaders** 1996 the city of acre powerfully fortified and richly provisioned was the last crusader stronghold when it fell in 1291 two hundred years of christian crusading in the holy land came to a bloody end with his customary narrative brilliance and immediacy roger crowley chronicles the tumultuous and violent attack on acre the heaviest bombardment before the age of gunpowder which left this once great mediterranean city a crumbling ruin the accursed tower was the focal point of this siege as the last garrison of the crusader defences it came to symbolise the disintegration of the old world and the rise of a new era of islamic jihad crowley s narrative is based on forensic research drawing heavily on little known first hand sources both christian and arabic this is a fast paced and gripping account of a pivotal moment in world history

God's Wolf 2016-08-04 this is a the sixth book in the exciting saga of an englishman who rose during the turbulent years following the death king richard it is action packed historical fiction about medieval life and the constant warfare of the middle ages during england s feudal times after richard the lionhearted more specifically it is the sixth novel in martin archer s epic feudal saga about the english farmer who rose to be the captain of a company of english archers in medieval england richard has died and john is to be crowned king in his place there is action and excitement as pope innocent iii calls for another crusade to free jerusalem and the cities of the holy land william s priestly brother thomas and the archers become involved when the pope asks thomas to help one of his assistants carry a cease and desist message to the crusaders it s a message some the crusaders leaders and their venetian allies know about and are willing to go to war to prevent it from being delivered this particular book will appeal to readers interest in the following authors and genre richard cornwell feudal england king richard the lionhearted genre fiction sagas war and military fiction war the crusades the middle ages war and defense operations wars battles and campaigns british and irish historical adventure stories and action action and adventure romance alternative history black death anglo saxon 500 1000 historical fiction historical alternative history fantasy alternative history action and adventure history medieval history feudal history england history britain literature and fiction genre fiction war fantasy alternative fiction action and adventure historical military genre fiction war historical fiction irish historical fiction england historical fiction britain historical fiction wales historical fiction scotland king of england cornwall king alfred kings of england war fiction war military action fiction alternative history action adventure fiction saga fiction family saga fiction genre fiction war genre fiction saga world history medieval literature fiction action adventure action adventure romance action adventure war military literature fiction thriller suspense genre fiction historical historical military british irish fiction

**Crusader** 2001 cartoons and facts combine to describe the experiences of european knights fighting in the crusades covering the reasons men became crusaders how they prepared to leave home what kind of armor and weapons they used what the turks were like and what they were fighting for and how battles were fought

*The Crusaders* 2017-09-14 muslims and crusaders supplements and counterbalances the numerous books that tell the story of the crusading period from the european point of view enabling readers to achieve a broader and more complete perspective on the period it presents the crusades from the perspective of those against whom they were waged the muslim peoples of the levant the book introduces the reader to the most significant issues that affected their responses to the european crusaders and their descendants who would go on to live in the latin christian states that were created in the region this book combines chronological narrative discussion of important areas of scholarly enquiry and evidence from primary sources to give a well rounded survey of the period it considers not only the military meetings between muslims and the crusaders but also the personal political diplomatic and trade interactions that took place between muslims and franks away from the battlefield through the use of a wide range of translated primary source documents including chronicles dynastic histories religious and legal texts and poetry the people of the time are able to speak to us in their own voices

**Crusaders, Cathars and the Holy Places** 2018-12-17 almost two hundred years have elapsed since the crusader armies took jerusalem now it is the turn of the

saracen to seek revenge and send an overwhelming force against the last christian enclave in the holy land in acre the defenders await their fate knight and bishop mercenary and merchant all will be tested and all may perish for this is the endgame no quarter will be given and no mercy shown william of beaujeu grand master of the templars will stop at little to secure the city and preserve his legendary military order he knows that final judgement is approaching and that time is running out but among the garrison are allies the adventurer de flor theobald the young hospitaller the court dwarf amethyst the camel master selim and the orphan boy and spy benedict who must stay alive in the chaos to be unleashed in their midst prowl the feared assassins and sinister enemies from among a rabble army of italians deserted by the pope and the princes of europe it seems as if acre faces annihilation but perhaps something can still be salvaged from perdition

*The First Crusaders, 1095-1131* 1997-06-12 the crusades continue to exert a fascination in the west as a story of perceived gallantry and battles against impossible odds yet what is less often considered is their effect on the holy land and in particular the response of the muslim world to the invasions of european crusaders in this book w b bartlett author of four books on the crusades looks at these great events from the muslim point of view one of the effects was to unite a previously divided islamic world against a common enemy in the process they gave an unstoppable impetus towards the declaring of jihad against the west a holy war against christendom they also helped to shape the careers of some important figures most notably saladin but also other great men like sultan baibars and nur al din the rise of these great leaders is traced in this book as are the many great battles that were fought by men just as devoted to their cause as the crusaders were

**Accursed Tower** 2019-11-19 the crusader is a wonderfully crafted novel of knights torture romance religious fervor vows quests sieges and villainy told by an author who knows how to make history come to shimmering life the year of our lord 1275 santus creus monastery spain brother lucas a venal but trustworthy monk is put in charge of an exorcism his former friend and fellow acolyte the brooding and magnetic aristocrat francisco de montcada has returned from the crusades possessed by demons gradually francisco emerges from his possession and begins to spin the tale of his crusade how he set out to redeem his dead brother his fierce friendship with his cousin andres a mighty warrior with an honest heart his intense love for andres s feisty sister isabel the high ideals of ramon his battle hardened commander and the amoral cruelty of don fernando a noble who delights in executing muslim women and children the crusaders win a great battle at toron taking it back from the infidel but at the gigantic fortress krak des chevaliers the key to the christian position in the holy land the saracens have lain siege in the fierce battle to defend the fortress francisco will lose everything including unless brother lucas succeeds his immortal soul

Kings and Crusaders 2016-12-31 no written source is entirely without literary artifice but the letters sent from asia minor syria and palestine in the high middle ages come closest to recording the real feelings of those who lived in and visited the crusader states they are not of course reflective pieces but they do convey the immediacy of circumstances which were frequently dramatic and often life threatening those settled in the east faced crises all the time while crusaders and pilgrims knew they were experiencing defining moments in their lives there are accounts of all the great events from the triumph of the capture of jerusalem in 1099 to the disasters of hattin in 1187 and the loss of acre in 1291 these had an impact on the lives of all latin christians but at the same time individuals felt impelled to describe both their own personal achievements and disappointments and the wonders and horrors of what they had seen moreover the representatives of the military and monastic orders used letters as a means of maintaining contact with the western houses providing information about the working of religious orders not found elsewhere some of the letters translated here are famous others hardly known but all offer unique insight into the minds of those who took part in the crusading movement
