of the most prolific and award winning american filmmakers of her generation her projects have ranged from labor union documentaries to fictional feature films to an educational series for kids on the disney channel through it all kopple has generously made herself available for a great many print and broadcast interviews the most revealing and illuminating of these are brought together in this collection here kopple explains her near constant struggles to raise money usually while her films are already in production and the hardships arising from throwing her own money into such projects she makes clear the tensions between biases objectivity and fairness in her films her interviewers raise fundamental questions what is the relationship between real people in documentaries and characters in fictional films why does she embrace a cinéma vérité style in some films but not others why does she seem to support gun ownership in harlan county u s a only to take a decidedly more neutral view of the issue in her film gun fight kopple s concern for people facing crises is undeniable so is the affection she has for her more famous subjects woody allen playing a series of european jazz concerts gregory peck on tour and the dixie chicks losing a fan base but making a fresh start music breeds duality we enjoy the music we love listening to it talking about it reading about it but it s just as fun to passionately revel in mocking the music we hate fortunately musicians make this two lane path very easy to follow half the time they re creating timeless works of art that speak to the soul the other half they re recording ridiculous concept albums about robots i love rock n roll except when i hate it covers both sides it celebrates the music world s flashes of genius the creation of masterpieces and the little known stories as well as the entertainingly bad ideas armed with a healthy dose of brian boone s humorous asides and lively commentary you ll learn podcast to create multiple streams of income profit from your podcast gives you the tools to do it all come the late 70s the rock music landscape was littered with the bloated carcasses of bands who partied too hard burned out or became complacent in success the door was open for something fresh wild and enrapturing enter van halen made up of two dutch born brothers one on drums and the other whose guitar was an extension of his very being a bass player with a golden throat and a frontman who made up for his lack of singing ability with attitude and gravity defying acrobatics onstage they were unlike anything ever seen before alex and edward van halen michael anthony and david lee roth put a cap on one decade and exploded into the next with a brand of music not quite punk not quite metal and not at all subtle they went from headlining backyard keggers to top billing at the us festival in front of three hundred thousand people within five years then right when it looked like there wasn t an obstacle created to slow the mighty van halen ascent the group imploded from the inside out only to rebound stronger than ever with ex montrose howler sammy hagar leading them to four consecutive number one albums van halen the eruption and the aftershock tells the story of how one of america s greatest bands weathered arguably the most dramatic soap opera in rock and roll history with songs that would weave themselves into the fabric of every musician who heard them alongside an incendiary and unrivaled live show featuring exclusive interviews with insiders fans and artists who were there to witness the rise the tumult and the making of legends it s a story that has to be read to be believed this reference work is a chronicle of all the first run entertainment programs
