The Clarity Workbook 2018-09-25

finding your moment of clarity is about taking you an introspective self actualization mirror image reflection into your current way of thinking feeling and most importantly your actions towards achievement discovering your power within by taking control of your inner guiding system for positive direction and transformation while you seek to obtain that special something in life that you want to achieve are you clear on what your purpose is in life your purpose or moment of mental clarity can also be identified as being your heart's burning desire your why reason or purpose goal or dream and vision are the most important factors on your success journey your why reason or purpose goal or dream can be defined within the everyday thoughts that you think the words the you speak along with the everyday actions that you take and the people that you associate with your success is attributed to how you think after reading finding your moment of clarity you will have a clear vision clearly defined goals realistic dreams and a formattable action plan attached with dates of accomplishment for your success in order to achieve it you first must believe it

Mastering the Art of Clarity: How to Get Clear & Focused

in 5 Simple Steps 2019-03-13

so many people grow up believing that there s no way to escape their past and that their past will dictate their future there are plenty of people who believe that no one ever really changes too separately or together these are powerful but discouraging beliefs that have been passed from one generation to another for a very long time it s time to put them to rest you didn t ask for all the beliefs that were contributed to your mind by other people places things and events they just ended up there the same way they do for every other kid when they re growing up those contributions will keep right on happening too until you realize it s okay to start thinking your own thoughts about what might be possible and making your own decisions about what you believe it s easy to start identifying the beliefs and thoughts that aren t doing you any favors they re the ones that make you feel less than i wrote this book so you would have a way to start decluttering your mind of all those less than thoughts and beliefs that were never really yours to begin with they were simply lessons someone else chose for you and now it s time to get clarity about which of those thoughts and beliefs work for you so you can begin letting go of the ones that have been holding you back from being the best version of yourself

Time to Get Serious Finding Your Moment of Clarity 2018-04-25

people in all stages of life can be adrift overcommitted distracted or just plain stuck which can keep them from reaching their full potential steve cesari understands that developing clarity then making proper adjustments is the first step towards leading a happier and healthier life in his new audiobook cesari draws on his own personal and professional experiences to help others realize their full potential by empowering encouraging and developing a clear vision to achieve desired results each chapter is like illuminating a light bulb within the listener allowing them to see and think clearly in turn igniting their motivation to take action take control and improve your life in this inspiring and motivating audiobook steve cesari will encourage you to evaluate your life through action items and exercises enabling you to gain a better understanding of things in your life that might not be working and develop the clarity you need to make appropriate personal and professional changes

Your Path to Clarity: How to Clear Your Mind's Filters and Claim Your Future 2010-11

clarity is the ability to know what to do to get you from where you are to where you want to be in life it is knowing the next step to take on your journey some people are stagnated and confused in life because they do not see beyond where they are presently on their journey they are confined to the limits of their environment and circumstances they are limited to their past accomplishments and achievements they are chained down to the successes of yesterday while they have absolutely no idea how to move their lives forward today clarity helps you see beyond the limitations of your circumstances and environment to see the possibilities that exist around you but you don t even realise clarity gives you the strategic tools to move your life forward in the direction of your dream and shows you how to get what you want in life

Clarity 2019-11-16
